

Skin Diseases

When the excretory organs fail to carry off the waste material from the system, there is an abnormal accumulation of effete matter which poisons and clogs the blood, and it becomes sour and acid. This poison is carried through the general circulation to all parts of the body, and upon reaching the skin surface there is a redness and eruption, and by certain peculiarities we recognize Eczema, Tetter, Acne, Salt Rheum, Psoriasis, Brysipelas and many other skin troubles, more or less severe. While the skin is the seat of irritation, the real disease is in the blood. Medicated lotions and powders may do away with itching and burning, but never cure, no matter how long and faithfully continued, and the condition is often aggravated and skin permanently injured by their use.

The disease is more than skin deep; the entire circulation is poisoned.

The many preparations of arsenic, mercury, potash, etc., not only do not cure skin diseases, but soon ruin the digestion and break down the constitution.

S. S. S., nature's own remedy, made of roots, herbs and barks of great purifying and tonic properties, quickly and effectually cures blood and skin troubles, because it goes direct to the root of the disease and restores normal health action to the different organs, cleanses and enriches the blood, and thus relieves the system of all poisonous secretions. S. S. S. cures permanently because it leaves none of the original poison to reform in the blood and cause a fresh attack.

Healthy blood is necessary to preserve that clear, smooth skin and beautiful complexion so much desired by all. S. S. S. can be relied upon with certainty to keep the blood in perfect order. It has been curing blood and skin diseases for half a century; no other medicine can show such a record.

S. S. S. contains no poisonous minerals—is purely vegetable and harmless.

Our medical department is in charge of physicians of large experience in treating blood and skin diseases, who will take pleasure in aiding by their advice and direction all who desire it. Write fully and freely about your case; your letters are held in strictest confidence. We make no charge whatever for this service. Our book on Blood and Skin Diseases will be sent free upon application.

VALLEY RECORD.

The People's Paper

ASHLAND, Or., Thursday, May 31, 1900

Mrs. George H. Richardson, wife of a surgeon in the United States army, committed suicide at San Francisco some days ago by taking poison.

"After suffering from piles for fifteen years, I was cured by using two boxes of the 'Witch Hazel Salve,' writes W. J. Baxter, North Brook, N. C. It heals everything. Beware of counterfeits. EUGENE A. SHEWEN, Druggist."

Temperature of Diamonds.
A good diamond is a good deal colder than an imitation and the lapidaries say that the best way to detect this difference in temperature is to touch the stones to the tongue. Sapphires, emeralds, rubies, garnets and other precious stones may be tested in the same way—the real stone is invariably colder than the imitation. The lapidaries do not give a reason for the difference, but it may be found, perhaps, in the greater density of the real stones, which make them better conductors of heat.—Detroit Free Press.

On Every Bottle.
Of Shiloh's Consumption Cure is this guarantee: "All we ask of you is to use two-thirds of the contents of this bottle faithfully then if you can say that you are not benefited return the bottle to your Druggist and he may refund the price paid." Price 25 cts., 50 cts. and \$1.00. EUGENE A. SHEWEN, Druggist.

No Microbes in the Mountains.
A scientist, looking for microbes, says there are absolutely none on the Swiss mountains at an altitude of 20,000 feet. Here is a place for the purify party; and scaremongers, who are forever horrifying the public with the dismal fear of microbes, would have to take their supply with them, most of which are useful to man.

One Man Saved

From a wreck will attract the world's attention to the life-saver. Yet let the life-saver be continued every day, and very soon it attracts no public attention. If the scene of the saving of one life by that life-saver, Dr. Pierce's Medical Discovery, could be made to stand out alone, like a picture on a screen, it would attract the notice of the whole nation. By a curious contradiction the very frequency with which the "Discovery" saves life, robs the fact of general interest. For obstinate coughs, bronchitis, weak lungs, and other diseases of the respiratory organs, "Golden Medical Discovery" is the one medicine which offers certain help, and almost certain cure. It contains neither alcohol nor narcotics.

"Only for Doctor Pierce's Golden Medical Discovery" writes Mr. Moses Miles of Hilliard, Va. "I was sick and could not sleep and was compelled to give up work. It affected my lungs. I coughed all the time, both day and night. My friends all thought I had consumption. My wife insisted on my trying Golden Medical Discovery. I have taken four bottles and am now in good health, weighing 150 pounds—thanks to Dr. Pierce."

The People's Common Sense Medical Adviser in paper covers, is sent free on receipt of 21 one-cent stamps to the care of the publisher, Address Dr. R. V. Pierce, Buffalo, N. Y.
