RAILROAD CONTRACT LET.

The Midland Construction Co. Lets the Contract to Build to Spencer Creek to Hale & Smith of Portland.

Directors Van Horne, McWilliams, McCall, Horn, Moore, Baldwin and Wood, of the O. M. R. Co., and Messrs Thompson and Lyman, of the Midland Construction Co. of Chicago, signed up the necessary papers for the construction of the new road from the S. P. line to Klamath Falls. The Midland Construction company then let a contract to Hale & Smith of Portland for the construction of the first 66 miles of the road from a point on the S. P. between Hornbrook and Klamathon, Cal., to Spencer creek, Klamath county, this state. The contract price is 80 cents per yard for grading rock and 22 cents per yard for grading dirt. For ballasting, $2000 per mile. For laying rails $400 per mile. For building bridges the price is $20 per thousand feet of lumber consumed. He is allowed until Oct. 1, 1901, to complete the work.

John Hale expects to start the work about the first of this October. He is winding up his contracts for the government jetty work at Gray's Harbor, Wash., and has 2400 men at work, 450 of whom are Japanese.

The construction of the road to Spencer creek covers the principal timber and lumber interests and will also get the stock shipments and the tourist business. They are also contemplating placing steamers on the Klamath lakes to co-operate with their railroad.

Klamath Falls people and some other well-to-do people in that county have not given the company any encouragement. Of the $150,000 subsidy asked only about $17,000 was raised. This is quite likely the reason the contract is not let to Klamath Falls. They can now take any route to Eastern Oregon from Spencer creek.

The story runs that the couple were engaged before, and had become estranged, parted and had not held any communication for more than a year. They met at the wedding of Miss Macrae and Lieut. Hall, however, and a reconciliation was effected, which resulted in the wedding of today, all of which happened inside of 24 hours.

Irenis Soule, of Little Shasta, aged nearly 25 years, died rather suddenly yesterday, while being conveyed to his home from Antelope in Butte Creek valley, where he had been camping out for his health in company with his wife and others of Little Shasta. He died on the road near Hart's residence, about five miles from his home, and had been in failing health for some time past from stomach trouble. Deceased was a native of Little Shasta, and married a daughter of ex-Senator S. H. Holt of Ashland, Or., about 9 months ago. The many friends of the bereaved young widow and relatives of the family sincerely sympathize with them in their sad and untimely loss of a worthy husband, son, and exemplary citizen highly respected by all.—Yreka Journal, Aug. 17.
