There is a lot of work going on at the railroad yards in Ashland. Capt. Otterback's crew have just finished driving the buge piles for the new coal bunkers which will be 60x120 feet and 14 feet deep and have a capacity of 2000 tons of coal. Foreman L. Kuckartz has the ground in place today in Ashland when C. E. Lane and Miss Minnie Rockfellow became husband and wife The marriage took place at the residence of the bride's mother on Helman street and the nuptial knot was tied by Rev J. T. Abbett The immediate friends and relatives of both families were present and a dainty and well ordered feast was served.

The bride and groom are both widely known and prominent in the social life of the city where they have resided since childbood. The bride is of a sunshiny nature and her friends are only limited by the circle of her acquaintances. Her accomplishments are varied, being practical as well as ornamental and it needs no prophetic eye to see that she will be a true and efficient help-mate in the conjugal yoke The groom is one of the younger business men of Ashland and is an energetic and public spirited member of the community. The young pair start out under most auspicious circumstances and with the best wishes of their numerous friends.

Salem, Oct. 16.—Early yesterday morning John F. Adams, aged 51 years, a patient from Jackson county, was found dead in his room at the State Hespital or the Insane, having banged bimself to

for the Insane, having banged bimself to one of the steam pines by a strip torm from his blanket. He must have been firmly set in his determination to die, as his first attempt was apparently a failure. He had made a noose and adjusted it, but in jumping from the radiator upon which he stood, the rope broke without doing him any injury. He then fixed it up again, making it aborter than before and giving it less of a swing, so that he succeeded in strangling himself. When found at five o'clock in the morning the body was still warm, and William Eng-
