and grew and grew. In the dusk of evening Eve tried to reach it with a clothes prop-at least it looked like Eve. I knew it was a clothes prop. because she let it drop over my wall, and it smashed three panes of a cucumber frame. Next morning she happened to be in the garden, so 1 returned it with grave ceremony.

"I-I'm afraid it broke something," she apologized. "Not in the least," I assured her. "I'll tell Mary Jane not to stand it up against your wall again," she promised mendaciously.

After that the apple blushed more furiously than ever. It was so ripe that it was marvelous how it held on, I heard her say. She was probably unaware that I had climbed up one night and secured it with fine wire. Next she tried knocking tennis balls at it. Of course, she never went within a couple of yards. I picked up nine

balls next morning and restored them to her. "I thought they were windfalls diamonds from my apple tree," I said, and she fled indoors. "I believe he was laughing at me," stated.

I heard her tell her mother. "Now, I ushion and produced it. "No, no, dear! I forbid you to

After

Baby

Comes.

In the days following the baby's birth there is often a long up-hill struggle to recover strength, and the nurse busies herself in the preparation of jellies and broths for the invalid.

When Dr. Pierce's Favorite Prescrip-

tion is used as a preparative for mother-hood the baby's advent is practically painless, there is abundant strength to nurse and nourish the child, and a rapid recovery from the shock and strain in-separable from maternity.

pretending to cut the pages of her book. They were cut already. "She might spare a tiny piece for Adam," I suggested. She glanced at me out of the corner of her eyes.

grew in size and beauty. Eve watched "Adam was better without the apple, you know," she assured me. was so nice to watch that I did not "Adam," I declared, "needed no pity offer her the forbidden fruit. I reat all." garded it as a hostage for her regu-

She rested her chin on one hand and looked at me inquiringly with her big eyes. I would put down how she looked, if it were possible. It isn't. Mere ordinary charm of feature or coloring is common enough to have words. Real prettiness is unique, unnameable; little willful curves of the fcatures, little waves of the hair-and 'ways." She is pretty like that. "Adam," she remarked, "lost Para-

dise and the apples." "But he had Eve." She studied her shoes, and I seated

myself on top of the wall. "You have plenty of apples," she said; "and you are not shut out of Paradise.'

"Then," I replied, promptly, "I will come in." I did. "How do you know this is Para-

dise?" she asked, demurely. "Eve is here." She looked at me saucily over her

book. "Poor Eve was much to be pitied." She simulated a sigh.

"Because she lost Paradise?" "No; because she kept Adam." "Did she mind, do you think?" "Well-you see, it was just a very little bit her fault that he ate the apple."

"She would have eaten every scrap herself if she had been a modern Eve.' She looked up at the desecrated bough and laughed. A stray sunbeam lanced in her eyes, like the dazzle of
