Fatal Encounter with Jail Birds.

Adin, Cal., May 11.—Sheriff Behrens, of Redding, Shasta county, arrived at Adin this morning on the track of Dorland and Illingsworth, two prisoners who escaped from the Shasta county jail April 9. The constable of Alturas, H. S. Walker, met Sheriff Behrens here and they located the prisoners about three miles north of town. A hand-to-hand combat ensued. Dorland was killed, probably by a bullet from his companion, as he was between the Sheriff and Illingsworth. Dorland did not shoot, as the Sheriff had him covered, but Illingsworth shot 15 or 20 times, three bullets piercing the Sheriff's clothing. Constable Walker was shot through the top of the left hip, probably fatally. Illingsworth escaped. Dorland's remains were brought here. Walker, besides being Constable at Alturas, is the operator of the California & Oregon Railroad Company's office at that place.

MAYOR SWEET'S SENSATION.

The Former Principal of the Ashland Public School and the Normal Gives the Saloons and Gamblers of Santa Rosa a Surprise.

Santa Rosa, May 8.—Mayor Sweet created a sensation to-day by issuing orders to Chief of Police Holmes to close all gambling dens in the town. The order is a most sweeping one and has caused consternation among the gamblers, who have had things pretty much their own way for a long time.

The proprietors of cigar stands, drug stores and saloons where nickel-in-the-slot machines have been operated for many months have also been notified that they must dispose of the devices by May 15th or suffer the consequences. The police have also been instructed to procure evidence against certain persons accused of selling liquor without a license.

During three years of Mayor Sweet's reign the dives have been allowed to run unmolested. For that reason the "wide open" element, which helped to elect the present administration, cannot account for this sudden change of front.

MINING NEWS.

Gold Hill News,]

We learn that Messrs. Houck & Haff have taken a lease and bond on the Bowden ledge and contemplate immediatly putting up a hoist and sinking the main shaft to a greater depth. This mine has produced considerable good milling ore in the past and under the new management will undoubtedly prove a success, as there is a good sized streak of 12 to 15 dollar ore to commence on. This property is in the vicinity of the Tolo mine.

Messrs. Smith & Childers are operating a quartz claim on Foots creek. They have been erecting buildings and have put in large quantities of supplies.

Purkeypile Brothers have had a run of five tons of ore milled this week which netted them $465, or $93 per ton. The owners of this mine keep two men constantly at development work, only taking what ore they are compelled in driving their tunnels and up-raises. Geo. Short and Fred Bolt, two very competent miners, are doing the development work.

Mr. Sanborne and partners, the lessees of this property, had on exhibition in Mr. Caine's Drug store Saturday last, a gold brick containing $3260. This is the result of two weeks work for three men. They had a few tons of second class ore milled at Houck's mill which gave very good returns, and they report plenty more of the same kind in sight.

J. T. Hagin of the Tolo mine was in Gold Hill Sunday. He states that they are making good progress in a drift that they are driving east from the bottom of the shaft on the Fort Lane lode, and was showing up some very handsome specimens of free gold taken from their ore dump, of which will be milled at Humason & Co's mill some time during the week. Ore such as Mr. Hagin was showing will mill several hundred dollars per ton.

The Yreka Journal says of the Dewey mine near Gazelle which was discovered by Allen Davis, now a resident of Ashland:

The original locators of the now famous mine were Davis & Co., who bonded it to W. T. Shurtliff in July, 1899, for $53,000. Shurtliff sunk a hole twelve feet deep, and rebonded the mine for $45,000 to Dr. G. W. Dwinnell, of Montague, who worked it four months and sold it to Charles H. Souther, of Boston, for $125,000. Seven months later Mr. Souther re-sold it to the Squaw Creek Mining Company, on the basis of $600,000. The fortunes already made out of this valuable property are nothing compared to what will be made in the next few years. The Dewey is located in an ideal spot for a mine, there being an abundance of timber and water, with near by facilities for developing electric power. A good wagon road connects the mine with Gazelle, the nearest railroad point. Where the ledge crops out it is ninety feet wide and it has been traced for a distance of 28,000 feet. In tunnel No. 2, a cross-cut shows a solid fissure vein of ore seventy feet wide, fifty feet of which has been sampled and proved to be exceedingly rich. The greater the depth the richer the values of the ore. Tunnel No. 3 is now in 322 feet, with 26 feet further to go to tap the ledge, 109 feet lower than the first tunnel. The work thus far done has only been in the way of development, and fully one million dollars' worth of ore has already been blocked out. Between June 1st and November 1st of last year $30,000 worth of ore was shipped to San Francisco, and it averaged $30 to the ton.

The company has erected a fine 10-stamp mill for sampling purposes, which puts through 25 tons of ore a day. It has been fully demonstrated that the ore values can be saved by concentration and amalgamation, so it will be seen that the company has not only a surprisingly extensive mine, but one that can be easily and cheaply worked. What is now needed is thirty or forty stamps additional to startle the mining world with the outpnt of the Dewey. This, it is said, the company contemplates doing, and there is also some talk of their putting in a cyanjding plant. At present thirty miners and mill men are employed, and notwithstanding the limited facilities for crushing the ore, the mine is yielding a handsome profit every day, although the efforts of the company are directed simply toward development.

No Loss of Time.

I have sold Chamberlain's Colic, Cholera and Diarrhoea Remedy for years, and would rather be out of coffee and sugar than it. I sold five bottles of it yesterday to threshers that could go no farther, and they are at work again this morning.—H. R. PHELPS, Plymouth, Oklahoma. As will be seen by the above the threshers were able to keep on with their work without losing a single days' time. You should keep a bottle of this Remedy in your home. For sale by all druggists.

A new postoffice ruling is in effect imposing a fine of $200 or one year's imprisonment on anyone who carelessly or otherwise takes mail not belonging to them from the office and fails to return it immediately. This applies to newspapers as well as letters and other valuable mail. People when taking mail from the office should examine it before they leave the building. It will only take a moment and save a great deal of trouble.

In all stages of Nasal Catarrh there should be cleanliness. As experience proves, Ely's Cream Balm is a cleanser, soother and healer of the diseased membrane. It is not drying nor irritating, and does not produce sneezing. Price 50 cents at druggists or it will be mailed by Ely Brothers, 56 Warren Street, New York. Upon being placed into the nostrils it spreads over the membrane and relief is immediate. It is an agreeable cure.

WONDERFUL CURES MULTIPLY

Sufferers Gathering at Ashland From All Points to Be Treated by Dr. Darrin—Going to Medford May 26.

Dr. Darrin is certainly a fortunate professional man. To be a successful practitioner is in itself a creditable achievement, but to become possessed of a skill that enables one to be the means of curing countless thousands is an honor that falls to the lot of few men in the ordinary walks of life.

Dr. Darrin has certainly won that distinction. All that is necessary for doubters to be convinced is to visit the doctor's office at any time of the day and interrogate those who have been under his treatment. Not a day passes now but that Dr. Darrin is called upon by one or more patients to express gratitude for complete restoration of health, and absolute freedom from diseases.

Voluntary testimonials of this kind constitute a proof that would make the most skeptical man weaken could he hear them and observe the sincerity of manner in which such experiences are related. Note the following references:

C. C. Presley, Grants Pass, Or., deafness, cured.

Wm. Sensor, Medford Or., deafness 23 years, cured.

Chas. Carney, Jacksonville, Or., catarrh for years, cured.

John Martin, Cove, Union County, Or., hydrocele, cured.

Burt Kirby, Adams, Or., discharging ears for years, cured.

O. F. McCrary, Jacksonville, Or., deafness 7 years, cured.

Mrs. Martha Woodruff, Cleveland, Or., partial paralysis, cured.

Ex-Judge G. Crockett, Merlin, Or., deafness 10 years, restored.

Wm. Hunter, Eugene City, Or., catarrh twenty years, restored.

Miss Birdie Schmidt, Jacksonville, Or., discharging ear and deafness, cured.

Christ. Miller's daughter, North Yakima, Wash., fistula of the jaw, cured.

A. Jackson, Seatco, Wash., pains in the back so he could not move, cured.

H. A. Tucker, president of the bank at Genesee, Idaho, now residing near Ashland, catarrh 15 years, cured.

S. P. Gorsline, Lookinglass, Or., deafness and ringing in ears, cured seven years ago.

G. B. Matthews, Eagle Point, Or., consumption and large tumor, cured ten years ago.

A Happy Man.

The following is an extract of a card from Mr. Austin of Portland, Or., telling how his wife was cured of total blindness:

"I wish to make known what Dr. Darrin has done for my family. Eight years ago my wife was totally blind, from what doctors called 'nerv us abhorrence of light." In that condition she visited him and was cured, so she could see as well as ever in her life. I know of hundreds who have been as miraculously cured. I am employed on the O. R. & N. railroad and can be referred to at any time. I most earnestly recommend the afflicted from whatever cause to consult Dr. Darrin.

"W. H. 'STUB' AUSTIN."

Once Deaf, Now Can Hear.

The following testimonial is from a direct descendent of the boy who is famed in song and story as the one from whose head William Tell shot the apple, over 400 years ago:

To the Editor:—I wish to express my gratitude for the great cure Dr. Darrin has performed on me. For the past 36 years I have been totally deaf in my right ear, and nearly so in the left. It came about by heavy firing of cannon in the army in 1864. I had despaired of ever hearing again, until reading of Dr. Darrin. He gave me encouragement and finally cured me so I can hear perfectly in one ear and nearly as well as ever in the other.

I reside in Medford, Or., on G street and will gladly tell how Dr. Darrin cured me with electrical treatment with a slight operation.

HENRY VOGELI.

Another Triumph For Dr. Darrin.

To the Editor: I wish to tell what I know of Dr. Darrin now in Ashland, at Hotel Oregon. I have been ailing the past two years from heart, liver, dyspepsia, and bloating. The symptoms were of a dropsical nature. I was induced to try Dr. Darrin and his electrical method of treatment by the wonderful cure the Doctor made some twelve years ago on my neighbors, Mr. A. Pool and Green Matthews of Eagle Point, Or., where I have resided for 17 years. Mr. Pool was considered incurable from the effects of heart and stomach troubles. Mr. Matthews had consumption and a large tumor. Both the above named men were cured by Dr. Darrin and remain so to this day. I am rapidly recovering from all my ailments and can be referred to in Ashland, where I am living at present, with Mr. William Wiley. JAMES W. PEW.

Dr. Darrin's Place of Business.

Hundreds of other cases might be mentioned, were it not for the fact that many dislike to see their names in print. Patients desiring to see the doctor should not delay. He will furnish batteries and electric belts for any patient requiring them, and will give full directions for their use. Eyes treated and glasses fitted free.

Dr. Darrin makes a specialty of all diseases of the ear, eye, nose and throat, catarrh and bronchitis, la grippe, consumption, dyspepsia, constipation, heart, liver and kidney diseases, varicocele and hydrocele.

He permanently cures diseases of the genito-urinary organs, in either sex, such as blood taints, scrofula, stricture, seminal weakness, spermatorrhoea, loss of manhood

All peculiar female troubles, irregular menstruation, displacement, etc., are confidentially treated, as well as acute, chronic, private and nervous diseases, of whatever nature, if curable. No cases taken if not.

According to his custom, Dr. Darrin will give treatment to the worthy poor free, except medicines, from 10 to 11 daily. Regular office hours, 10 a. m to 5 p. m. Evenings, 7 to 8. Sundays, 10 a. m. to 8 p. m. The afflicted should not lose the opportunity to consult this eminent physician while here. All business relations strictly confidential. Dr. Darrin can be seen at Hotel Oregon, Ashland, until May 26, and in Medford at Hotel Nash, May 26 to July 1.

The Kidneys and the Skin.

In the spring, the kidneys have much to do. If they are weak or torpid, they will not do it well, and the skin will be pimply or blotchy. That is telling the story in a few words.

Hood's Sarsaparilla strengthens and stimulates the kidneys, cures and prevents pimples, blotches and all cutaneous eruptions.

From a Pastor

"I am the pastor of the Baptist Church at Port Jervis, N. Y., and sometimes am called upon to take part in evangelistic work away from home. Not long ago I went to Sandy Creek, N. Y., which is swept by the damp winds from Lake Ontario. Here I contracted a bad cough, and became so hoarse that I could hardly preach to my congregation. It was not only distressing in a bodily sense, but extremely embarrassing to enter the pulpit in this condition. I had heard of Acker's English Remedy and, after service, I bought a bottle and began taking it. The next night my throat was nearly well, and I delivered my sermon without difficulty. In a few days I was thoroughly cured. I conceive it to be my duty to benefit mankind physically as well as spiritually whenever I can, and am glad to write these words in praise of this grand old medicine. Those with sensitive throats and those who catch cold easily should certainly take Acker's English Remedy."

The S. P. night operator and agent at Montague will undoubtedly be called upon, and unjustly, to pungle $50 for the loss of a satchel belonging to a resident of this county, whose name was not obtained. The satchel was checked Tuesday night for Ashland, and placed on the truck for the midnight train. Mr. Brownlee, the operator, stepped into the depot to get the mail sacks and when he returned the satchel had vanished. It was found near the mill on Wednesday morning by George Deter. It had been cut open and the contents removed, evidently by one of the fraternity of Weary Willies. The rules of the railroad company demand that all baggage should be checked and placed on the truck five minutes before the arrival of the train, and it seems unfair that an agent should be held responsible for baggage stolen while he had left it for a moment to attend to other duties required of him by the company.—Yreka Journal.

Mr. F. D. Arnold, Arnold, Ia., writes: He was troubled with kidney disease about three years. Had to get up several times during the night but three bottles of Foley's Kidney Cure effected a complete cure, he feels better than he ever did and recommends it to his friends. T. K. BOLTON.

By the mill is an inexhaustable quantity of pine wood and also a stout, healthy, active Negro wench. Any person inclined to purchase may know the particulars by applying to John Schoonmaker's jin at Rochester. November 13. 1799.

Geo. C. Hickox, Juruss, Wis., says: "Foley's Kidney Cure has been tested and found to be all you claim for it. I have given it to my father and it is the only thing that ever helped him." T. K. BOLTON.

A new booklet, just issued for the Pan-American exposition, tells a very charming story of its history and creation and describes the beautiful city in which the festival has been developed and brought to completion. The booklet is embellished with many illustrations, including twelve colored plates of exposition buildings and views. These will be sent free to applicants by the Bureau of Publicity so long as the edition lasts.

MANHOOD RESTORED "CUPIDENE" This great Vegetable Vitalizer, the prescription of a famous French physician, will quickly cure you of all nervous or diseases of the generative organs, such as Lost Manhood, Insomnia, Pains in the Back, Seminal Emissions, Nervous Debility, Pimples, Unfitness to Marry, Exhausting Drains, Varicocele and Constipation. It stops all losses by day or night. Prevents quickness of discharge, which if not checked leads to Spermatorrhœa and all the horrors of Impotency. CUPIDENE vitalizes the liver, the kidneys and the urinary organs of all impurities.

BEFORE and AFTER

CUPIDENE strengthens and restores small weak organs. The reason sufferers are not cured by Doctors is because ninety per cent are troubled with Prostatitis. CUPIDENE is the only known remedy to cure without an operation. 5000 testimonials. A written guarantee given and money returned if six boxes does not effect a permanent cure. $1.00 a box, six for $5.00, by mail. Send for FREE circular and testimonials.
