The school entertainment at Ruoh, June 7th, was well attended and the program presented a very interesting and profitable talk upon the occasion, but it is now over and the school is closed.

6 MILES FROM ASHLAND.

A Case Pronounced Smallpox Breaks Out—Frank Elliott is the Victim.

Frank Elliott while visiting the home of his half-sister, Mrs. L. Schneider, on Anderson creek, nine miles west of Ashland, became ill and Mrs. Schneider pronounced it smallpox. Dr. K. Reader was called Sunday and pronounced it smallpox. Elliott broke out from head to heel. Several people in the neighborhood had been called even after the lady had told them her opinion of the case.

Mr. Elliott is employed in the round house in Ashland and is an old soldier. He took a vacation from his work over three weeks ago on account of ill health and has been absent with his Anderson creek relatives fishing and hunting on Rogue river and over toward Applegate.

SUNDAY BASEBALL.

Bro. Strange Exhorts Against the Practice in Ashland.

Mr. Editor:—You say that the Ashland ministers have the impression that Sunday belongs to them. Not at all. They have no more claim upon Sunday than others. But they do believe the teaching of the Good Book that Sunday belongs to the Lord of all. It is the Lord's day and He says: "Remember the Sabbath day to keep it holy." It is to be kept as a holy day as a holiday. Hence the immorality and lawlessness of baseball playing. On other days the game is not base but on Sunday it is both base and deadly. It is a violation of both divine and civil law. It leads to other diseases. It disturbs the quietude of the town and sends some of our people into the street. It keeps many away from church. Some professing Christians are attracted by the game and use the finger of scorn at them. Even a few of our country officers, men sworn to enforce the laws, come and look on and encourage wrong doing. Conscientious people who would like to witness the game, cannot do so on the Lord's day. We believe in many sports but not in demoralizing sports. We want our youth and our young men to play on Sunday. This thing continues young men who have conscientious scruples on the subject, and every one should have will be ruled out of the land and the Sabbath broken. Why rule out those who believe in the Christian Sabbath and wish to properly observe it? Why not practice on the Lord's day? Let us not give God? Why take from the community its quiet, law-abiding Sunday? Let us stand up for it. F. G. STRANGE, and do right.

The Normal Musicale.

The entertainment at Chautauque tabernacle Tuesday evening by the musical department of the Southern Oregon state normal school was well attended and proved to be the best entertainment yet given by this department of the normal school, which is now in charge of Miss Esther Sibley, vocalist, and Miss Mary Durham, instrumental teacher. The Only Big show coming.

In Ashland, Thursday, June 20.

Frank E. Griswold's mammoth production, "The Grand Canyon," a water-proof pavilion with a complete stage and carload of special scenery. Few companies carry the amount of scenery this show has. It is a real attraction. The price of admission to Uncle Tom's Cabin has been placed at 25 cents for adults, children 15. All children under 6 years, when accompanied by their parents, will be admitted free.

We can afford this scale of prices as we show in a tent and can accommodate 2000 people. So fathers can come and bring in a whole family.

One of the biggest amusement enterprises ever attempted in late years is the production of Uncle Tom's Cabin on an elaborate scale with special scenery, their own special stage, and all produced and managed by the same party. It is full, without being out short on account of small hall and no scenery. Don't miss seeing it in Ashland.
