VALLEY RECORD.
The People's Paper.

ASHLAND, Ore., Thursday, June 13, 1901

Mark Train read from his writings
to the professors and students of
Princeton the other evening. The read-
ing was not advertised, yet Alexander
hall was unconfrontedly crowded with
an appreciative audience. In closing
Mr. Clemens said: "It is not my pur-
pose to lecture any more as long as I
live. I never intend to stand on a plat-
form any more until by request of the
sheriff or something like that." What-
ever differences of opinion there may
be regarding Mr. Clemens' notions as
to missionaries, he is recognized as the
premier humorist, and the American
people will regret his decision to retire
permanently from the lecture platform.
Perhaps, however, like some distin-
guished operatic and dramatic artists,
he may be constrained to make a few
annual "farewell tours."

Call at the drug store and get a free
sample of Chamberlain's Stomach and
Liver Tablets. They are an elegant phy-
sic. They also improve the appetite,
strengthen the digestion and regulate the
liver and bowels. They are easy to take
and pleasant in effect.

Organists, choirs and congregations
to whom John Stainer's cantatas and
other sacred music have for years been
a feature of the Lenten and Easter sea-
son will hear of the death of the emi-
nent composer with genuine regret.
There are few musical productions so
engaging and inspiring as his "St. Mary
Magdalene" and "The Daughter of
Jarius."

No External Symptoms.

The blood may be in bad condition,
yet with no external signs, no skin
eruption or sores to indicate it. The
symptoms in such cases being a variable
appetite, poor digestion, an indigestible
stomach and nervousness. Loss of flesh
and a general run-down condition of the
system—clearly showing the blood has
lost its nutritive qualities, has become thin
and watery. It is in just such cases that
S. S. S. has done some of its quickest and
most effective work by building up the
blood and supplying the elements lacking
to make it strong and vigorous.

"My wife used
several bottles of S. S. S.
as a blood purifier and
to improve a weak and
emasculated system, with
very marked effect by
way of improvement."
"We regard it a
great tonic and blood
purifier."—J. F. DUFFY,
Princeton, Mo.

SSS is the greatest of all
medicines, and will
find the appetite im-
proves at once, strength
returns, and nervousness vanishes as new
rich pure blood once more circulates
through all parts of the system.

S. S. S. is the only purely vegetable
blood purifier known. It contains no min-
erals whatever. Send for our free book
on blood and skin diseases and write our
physicians for any information or advice
wanted. No charge for medical advice.
