Edgar and Harley Dalrymple were drowned in the Bear river, four miles south of Montpelier, Idaho. The young men were bathing, when Harley, aged 17, got into deep water. His brother went to his assistance, and in the struggle that followed both lost their lives.

A long-standing rivalry between Edward Koners and Harry Davis for the favor of a 17-year-old Mexican girl resulted in a shooting affair at Daggett, San Bernardino county, Cal., in which Davis was seriously injured and is not expected to recover.

"I am indebted to One Minute Cough Cure for my present good health and my life. I was treated in vain by doctors for lungtrouble following la grippe. I took One Minute Cough Cure and recovered my health," Mr. E. H. Wise, Madison, Ga.—McNAIR BROS.

At the office of the Robert Garrett Lumber company in Leavenworth, Kan., Michael Kelly, an insane man, shot six people, killing one and more or less seriously wounding four others. He was himself finally killed by officers who tried to overpower him.

BAD BLOOD, BAD COMPLEXION.

The skin is the seat of an almost endless variety of diseases. They are known by various names, but are all due to the same cause, acid and other poisons in the blood that irritate and interfere with the proper action of the skin.

To have a smooth, soft skin, free from all eruptions, the blood must be kept pure and healthy. The many preparations of arsenic and potash and the large number of face powders and lotions generally used in this class of diseases cover up for a short time, but cannot remove permanently the ugly blotches and the red, disfiguring pimples.

Eternal vigilance is the price of a beautiful complexion when such remedies are relied on.

Mr. H. T. Shobe, 2704 Lucas Avenue, St. Louis, Mo., says: "My daughter was afflicted for years with a disfiguring eruption on her face, which resisted all treatment. She was taken to two celebrated health springs, but received no benefit. Many medicines were prescribed, but without result, until we decided to try S. S. S., and by the time the first bottle was finished the eruption began to disappear. A dozen bottles cured her completely and left her skin perfectly smooth. She is now seventeen years old, and not a sign of the embarrassing disease has ever returned."

S. S. S. is a positive, unfailing cure for the worst forms of skin troubles. It is the greatest of all blood purifiers, and the only one guaranteed purely vegetable.

Bad blood makes bad complexions.

SSS purifies and invigorates the old and makes new, rich blood that nourishes the body and keeps the skin active and healthy and in proper condition to perform its part towards carrying off the impurities from the body.

If you have Eczema, Tetter, Acne, Salt Rheum, Psoriasis, or your skin is rough and pimply, send for our book on Blood and Skin Diseases and write our physicians about your case. No charge whatever for this service.

"Nerve Waste"

One of the most helpful books on nerve weakness ever issued is that entitled "Nerve Waste," by Dr. Sawyer of San Francisco, now in its fifth thousand. This work of an experienced and reputable physician is in agreeable contrast to the vast sum of false teaching which prevails on this interesting subject. It abounds in carefully considered and practical advice, and has the two great merits of wisdom and sincerity.

It is indorsed by both the religious and secular press. The *Chicago Advance* says: "A perusal of the book and the application of its principles will put health, hope and heart into thousands of lives that are now suffering through nervous impairment."

The book is $1.00, by mail, postpaid.

One of the most interesting chapters—chapter XX, on Nervines and Nerve Tonics—has been printed separately as a sample chapter, and will be sent to any address for stamp by the publishers, THE PACIFIC PUB. CO., Box 2658, San Francisco, in plain sealed envelope.

FOREIGN ITEMS.

A severe thunderstorm raged in London, turning the streets into rivers The underground railway was flooded and trains were stopped. The storm flooded Mrs. Langtry's new theater, the Imperial. Several public buildings were damaged.

An Englishman and two ladies, together with their guide, plunged over a precipice while ascending the Matterhorn, in Switzerland. One lady escaped without serious injury. A dispatch from Aosta, Italy, says that three Englishmen and three guides, while climbing Mount Cervino, fell down a chasm and all were killed.

A high Russian police official called upon George Kennan, the American author and lecturer, at his hotel in St. Petersburg, and informed him that he must leave the country by 10 o'clock the following evening. Mr. Kennan was not allowed to leave his room, but he was courteously treated. This action by the Russian authorities is taken under the law giving the minister of the interior authority to expel undesirable foreigners.

"Why not spend the vacation at Yaquina Bay, where can be had excellent fare, good fishing, good boating, safe bathing, alluring rides and rambles.

The courses and exercises at the Summer School, of 1901, at Newport, will afford great variety of instructions, diversion and entertainment.

A YOUNG LADY'S LIFE SAVED.

At Panama, Columbia, by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Dr. Chas. H. Utter, a prominent physician, of Panama, Columbia, in a recent letter states: "Last March I had as a patient a young lady sixteen years of age, who had a very bad attack of dysentery. Everything I prescribed for her proved ineffectual and she was growing worse every hour. Her parents were sure she would die. She had become so weak that she could not turn over in bed. What to do at this critical moment was a study for me, but I thought of Chamberlain's Colic, Cholera and Diarrhoea Remedy and as a last resort prescribed it. The most wonderful result was effected. Within eight hours she was feeling much better; inside of three days she was upon her feet and at the end of one week was entirely well." For sale by all druggists

At the Holy Name cathedral, Chicago, the Rev. J. Muldoon was consecrated as titular bishop of Tamassenis and auxiliary to the Most Rev. P. A. Feehan, archbishop of Chicago. Bishop Muldoon's vestments, including the gold-plated and jewel-decked crozier, were presented to him by organizations of priests of which he was a amember, and cost $10,000. They were of the finest silk and linen, edged with pearls and bedecked with amethysts and diamonds. A small company of artisans worked for months in Lyons, France, preparing them.

The laws of health requires that the bowels move once each day and one of the penalties for violating this law is piles. Keep your bowels regular by taking a dose of Chamberlain's Stomach and Liver Tablets when necessary and you will never have that severe punishment inflicted upon you. Price, 25 cents. Jacob Greenawald of Philadelphia gave a dinner to a party of friends at a restaurant in New York, covers being laid for 12. A $20 gold piece was placed in each wine-glass, the gold to be retained as a souvenir of the dinner. Greenawald, who is a millionaire, before sailing for Europe took this means of providing a surprise for a few friends. The dinner, including the gold coins, cost $50 a plate.

Miss Annie Rippey and Henry C. Best of San Francisco were married where the waters crash on the rocks beneath the towering cliffs of the Bridal Veil waterfall in the Yosemite valley. The Bohemian String Orchestra was in attendance and rendered exquisite melody from a natural choir loft on a gigantic rock. The ceremony was performed, before a large company, by the Rev. Luther Freeman of Portland, Me., who is a guest at the hotel in the valley. Henry C. Best is a well-known artist, and was formerly employed on newspapers in San Francisco.

Eczema

How it reddens the skin, itches, oozes, dries and scales!

Some people call it tetter, milk crust or salt rheum.

The suffering from it is sometimes intense; local applications are resorted to—they mitigate, but cannot cure.

It proceeds from humors inherited or acquired and persists until these have been removed.

Hood's Sarsaparilla positively removes them, has radically and permanently cured the worst cases, and is without an equal for all cutaneous eruptions.

Francisco Norano, a Mexican who had been to San Jose, Cal., to collect $80, was riding along a narrow trail on his way to his cabin in the mountains, when a shot was fired from behind a tree, and Norano fell, his head being nearly blown off with a load of shot. Alberto Cornado was arrested by Sheriff Langford and charged with the crime, and he is now in the county jail at San Jose.

A Japanese fisherman, who had been marooned on a small uninhabited island between Vancouver, B. C., and Nanaimo, was brought to Vancouver by an Indian fisherman. The Japanese was insane when found, bruised by a beating and emaciated from absolute starvation for five days. White fishermen who were out on strike had sunk his boat and his net and oars had been cut up and thrown overboard. He was then put on the island where he was found.

Peter Tillbury, an ironworker, called on Mrs. Mary Torrey at Muncie, Ind., and threw the contents of a small bottle of carbolic acid into her face. The acid burned out the woman's eyes and burned her neck, breast and arms frightfully. Tillbury had voinly pleaded with the woman to marry him.

A. H. Davis, Mt. Sterling, Ia., writes: "I was troubled with kidney complaint for about two years, but two one dollar bottles of Foley's Kidney Cure effected a permanent cure. T. K. BOLTON.

At a largely attended meeting at Vienna of Viennese shoemakers a protest was lodged against the proposed establishing of American shoe houses in Vienna, and the meeting resolved to send a deputation to the minister of commerce and to the provincial governor, begging them to interdict American houses from embarking in the shoe business in Austria.

A Cure for Cholera Infantum.

"Last May," says Mrs. Curtis Baker, of Bookwalter, Ohio, "an infant child of our neighbor's was suffering from cholera infantum. The doctor had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days' time the child had fully recovered, and is now (nearly a year since) a vigorous, healthy girl. I have recommended this Remedy frequently and have never known it to fail in any single instance." For sale by all druggists.

The first fatal accident ever known on Spanaway lake, 11 miles south of Tacoma, occurred Sunday afternoon, when Susan Evans, aged 14; Jennie Cole, aged 14, and Carl Jenkins, aged 16, were drowned. The two girls lived at Puyallup and Jenkins in Seattle.

Cyril Jeffcoat, a civil and mechanical engineer, in the employ of the Joshua Hendy Machine works of San Francisco, while out hunting with a companion a Lake Tahoe, was killed by the accidental discharge of his gun. He was 25 years of age, and was a graduate of Rugby and Cambridge, England.

According to a bulletin issued by the census bureau there are 5,809 farms in Arizona, with a total acreage of 1,935,327 acres, of which 254,521 are improved. Of these farms 1,769 are owned by Indians. In 1890 there were only 104,129 acres of improved land in the territory. In 1890 the average size of farms was 910 acres, and in 1900 469 acres. The total value of the farm land, with improvements, implements and live stock, is placed at $29,960,875. The increase in farm wealth for the decade amounted to 162 per cent.

An unusual thing happened in the town of Goshen, Tulare county, Cal., at a school bond election. Only five votes were polled. The judges of the election declared the proposition carried. The bond issue is for $450. There are about 350 votes in the district.

The original bank-note plates used by the State Bank of New Brunswick, N. J., which went out of existence some time in the '50's, were supposed to have been destroyed, but it appears that these plates have fallen into the hands of parties who have printed from them large quantities of notes, which have been put into circulation from New York to San Francisco. The notes readily pass along the Canadian frontier, as the takers think they are the notes of the Canadian province of New Brunswick, "New Jersey" being printed in small letters. Possibly $2,000,000 of these notes are in circulation.

Dr. David Starr Jordan has returned from his trip to the Hawaiian islands. Fifty species of fish new to science have been collected and classified by him during his trip.

P. T. Thomas, Ala., "I was suffering from dyspepsia when I commenced taking Kodol Dyspepsia cure. I took several bottles and can digest anything." Kodol Dyspepsia cure is the only preparation containing all the natural digestive fluids. It gives weak stomachs entire rest, restoring their natural condition.—McNAIR BROS.

San Francisco Typographical Union No. 21, at its last meeting, passed a series of resolutions condemning the "arrogant and vicious attitude" of the Employers' association in declaring itself inimical to all labor organizations, thereby seriously complicating the endeavors to settle the existing disputes. A protest is made against any recognition whatsoever by the mayor or municipal authorities of the Employers' association in pending or future labor difficulties.

Judge E. C. Hart of Sacramento sentenced Frank Enright and Ray Fahey to San Quentin for life for robbery. Ever since Judge Hart took office in 1898 he has been carrying out the idea he then expressed, to deal out severe punishment to criminals of the footpad class. The Sacramento police say that Judge Hart is worth a score of police in the town.

Wm. Finn of Lima, O., obtained excellent result from the use of Foley's Kidney Cure. It relieved my backache and severe pain over the hips. It toned my system and gave me new vim and energy. It is an honest and reliable remedy, a sure cure for all kidney diseases." T. K. BOLTON.

Professor Koch of Berlin read a paper before the British Congress of Tuberculosis in London, in which he said that his experiments had satisfied him that human tuberculosis and bovine tuberculosis are radically different diseases, and cattle, he said, could not be infected with human tuberculosis. He also said he was personally satisfied that human beings are not liable to infection from bovine tuberculosis. He therefore does not believe that human beings can be infected through dairy products, and that heredity is also an unimportant factor in the transmission of tuberculosis. The chief danger of contagion, said Dr. Koch, lies in the sputum of consumptive patients. He said the ultimate stamping out of tuberculosis is possible. Dr. Koch's theory created great surprise among medical men.

PERSONALLY CONDUCTED.

Tourist and Family Excursions to the East.

On six days of every week the Rio Grande Western Railway, in connection with the Denver & Rio Grande or Colorado Midland, operates a personally conducted excursion to Denver, Omaha, Chicago, St. Louis and Boston. The route includes a glimpse of quaint and picturesque Salt Lake City—the city of the Saints—Glenwood Springs, Leadville, Colorado Springs and Denver and carries the passenger through the most magnificent scenery in the Rocky Mountains. Cool and interesting ride. Each excursion is in charge of a competent, uniformed guide whose business it is to look after the comfort of his guests. No more pleasant and inexpensive means of crossing the continent can be found than is provided by these excursions. For additional details, bookings, etc., inquire of J. D. Mansfield, General Agent, 122 A. Third St., Portland, or Geo. W. Heintz, General Passenger Agent, Salt Lake City.

CRIMES AND ACCIDENTS.

John L. Collins, son of the late Rear-Admiral Napoleon Collins of the United States navy, accidentally fell from the fourteenth floor of the Masonic Temple at Chicago to the bottom of the elevator shaft and was instantly killed. He was 52 years old, and employed as cashier by a firm in the Masonic Temple.

Fire laid waste an area of sawmill and residence property at Davenport, Ia., equal to 20 ordinary city blocks and caused a loss of $700,000. Fifty homes were burned, some of them tenements, and 100 families were rendered homeless.

What Not to Say.

Do not say, "I can't eat." Take Hood's Sarsaparilla and say, "I am hungry all the time and food never hurts me."

Never say to your friends that you are as tired in the morning as at night. If they happen to be sharp they will tell you Hood's Sarsaparilla cures that tired feeling.

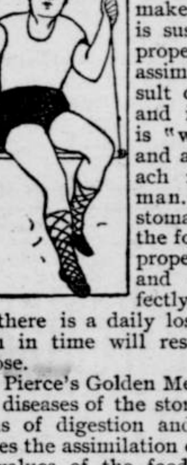
Do not say, "My face is full of pimples." You are quite likely to be told by someone, "There's no need of that, for Hood's Sarsaparilla cures pimples."

It is improper and unnecessary to say, "My health is poor and my blood is bad." Hood's Sarsaparilla will give you good blood, and good health will follow as a natural consequence.

Stella Emslie of Bowling Green, O., wants $5,000 from a young farmer of the same place. Miss Emslie avers that the young man promised to wed her eight years ago; has backed out of his promise, and should be assessed heavy damages. In his answer to the bill the young man says he courted Stella when she was a cute armful, weighing 125 pounds. She now tips the scale at 319 pounds.

Risking Life

To make a living! And we stand and stare up at the man in the clouds, wondering that any man can be so foolhardy. But what of the business man, who has barely time to snatch a hasty meal, and gulps down a lunch of pie and milk in a few minutes? He too, is risking his life to make a living. Life is sustained by food properly digested and assimilated. The result of hasty eating and irregular meals is "weak" stomach, and a "weak" stomach means a weak man. When the stomach is "weak" the food eaten is not properly digested and cannot be perfectly assimilated, so that there is a daily loss of nutrition, which in time will result in physical collapse.



Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It enables the assimilation of all the nutritive values of the food eaten, and so builds up the body into sound health and strength.

Mr. Ned Nelson, the celebrated Irish Comedian and Mimic, of 577 Royden Street, Camden, N. J., writes: "We fulfilled an engagement of twelve weeks and the constant traveling gave me a bad touch of that dreaded disease called dyspepsia. I had tried everything possible to cure it till last week, while playing at B. F. Keith's Bijou Theater, Philadelphia, in the Nelson Trio, a professional friend of mine advised me to try Dr. Pierce's Golden Medical Discovery. I tried it, and, thank God, with good results."

Dr. Pierce's Common Sense Medical Adviser, in paper covers, is sent *free* on receipt of 21 one-cent stamps to pay expense of mailing *only*. Address Dr. R. V. Pierce, Buffalo, N. Y.
