TAX LEVY EXPLAINED.

The county court explains the tax levy

evy of the county at 26 mills. The levy s only 25 mills, the extra 1 mill for scalp the result of the bidding on mail conbounty purposes not being required under the law. This seems a very large evy includes the levy for road taxes and hat no road tax will hereafter be collected by the road supervisors and that all road taxes as well as other tazes will be collected by the sheriff, and when the fact is considered that the state levy this year for Jackson county approximates about 7 mills, it will be seen that the court could do nothing but levy the tax required. The court was also required to make calculation for the rebate of 3 per cent which each taxpayer who makes payment of his taxes on or Each taxpayer's taxes will therefore amount to 97 per cent of 25 mills on the dollar, and not 25 mills if he takes ad-

antage of the law giving him the rebate PROBATE COURT. Estate of Henry Dunbar, deceased
