OIL BURNERS.

Bookkeeper Clarence Haley Deserts His S. P. Lorces Putting Up Huge Oil Tanks On Route to Orcgon.

> The Oakland Tribune says the Southern Pacific Company will soon build ten or twelve of the largest oil tanks ever seen on the earth along its lines in Cali-fornia. The first big crude oil drum will be placed at Port Costa, and it will hold over two million gallons.
> Sacramento, Tracy, Fresno, Elmira,
> Stockton, Colusa, Redding and San Jose
> will soon be visited by the tank builders, saves the company thousands of dollar

The Port Costa tank will be used to upply not only the locomotives passing here almost continually, but the big ferry boat Solano, also, which alone burns 3500 gallons daily.

It is proposed to fiel the great tanks not with pumps, but with air pressure, that is to say, to literally blow the oil from the ears by heavy pressure into

Red Bluff News: Work is now in progress on the Southern Pacific Company's nonster oil tank for this place. twenty-five men are employed in its con-struction and on Saturday evening the oottom was about all completed.
