Soon after reaching the station yesterday she immediately sought her father and sister, whom she found at George and sister, whom she found at George of the Cuban reciprocity bill.

In the senate, during the discussion of the Chines exclusion bill, the speeches made were in favor of the measure, Engwicht's Then she and Clara met a

few friends and went home. Afternoon they went to Upper Soda Springs, and on returning Miss Fitzger-ald noticed the old log which had laid across the Sacramento for years and said we will walk over it. Clara begged her sister not to attempt it. However, Belle started across, and on reaching midway her foot slipped and she fell into the raging cold water, which carried her quickly down stream, over boulders and other obstructions. Mrs. Oley Trammel, Agents Albert M. Anderson who lives just below from where the unfortunate girl fell into the water noticed Clara running along the banks perfectly frantic, and soon learned the cause. She noticed three men near the water and as the body floated past, implored them-offering money if they would rescue her; but, alas! they were untouched, unmoved. As the victim was carried down by the cruel current, Mr. Laruche, who is stopping at the Mt.
