OLD "KNOCK-KNEE" DEAD.

Old "Knock-Knee", the big bear that has terrorized the regions of the Upper Chetco district of southwestern Joseph-ine County has been slain Old"Knock-Knee,"as he was familiarly known by the inhabitants of that section of the state, was the largest bear ever killed in the west. DEAFNESS OR HARD .. EARING ARE NOW CURABLE by our new invention. Only those born deaf are incurable.

Gentlemen : - Being entirely cured of deafness, thanks to your treatment, I will now give you Gentlemen: — Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.

About five years ago my right ear began to sing, and this kept on getting worse, until I lost my hearing in this ear entirely

I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.

I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain

Very truly yours,

F. A. WERMAN, 750 S. Broadway, Baltimore, Md.
