Suicide at Redwood City. Redwood City, June 24 .- An unknown man was found today suspended from a gum tree near Burlingame. He was well dressed and apparently had seen the bright side of life. He was five feet nine inches in height and had a gray beard and hair. He was about 40 years old and apparently an American. Nothing was found on the body that would throw any light on his identity. A book was found, but name in the back scratched out, evidently to prevent dentification. My mother begged me to try Dr. Pierce's Golden Medical Discovery. With but little hope I wrote to Dr. Pierce and he said he could cure me. I began to take his 'Golden Medical Discovery' and although I had given up to die, I began to improve from the start, and by the time I had taken twenty-two bottles I was entirely cured.
