An average income last year of \$20 per acre was earned by all lands irrigated under the Klamath government reclamation project. Such is the estimate made by conservative experts. This includes all of the 27,000 acres that have received water, a part of the land being new. Also a great many of the more than 300 new families that have settled on the project since it was opened knew nothing about irrigation before coming, hence the first two years must be considered as largely experimental.

Owing to the fact that it has been repeatedly said that the average voter is uninformed on initiative petitions in general, and in order to get before the peop'e the merits of their meas ure, H. O. CONGRESSMAN LONGWORTH.

Son-in-law of Ex-President Roosevelt, who announces that he will not vote for "Uncle Joe" Cannon for speaker.

Although John D. Works, of Los Angeles, has received 2000 votes more than A. G. Spalding, of San Diego, for United States senator, Spalding has the indorsement of the assembly and senatorial districts. The result is a problem which will probably be passed up for solution to the next legislature.

Representative W. E. Humphrey, of Washington, one of the closest supporters of Speaker Cannon, in the house, states that he would not vote to re-elect the speaker. Mr. Humphrey is being opposed for renomination by the insurgents of his district because of his relations with Cannon. The entire Castro family, apparently, has been ousted from Venezuela. A dispatch to the state department from the American legation at Caracas stated that 6 relatives of ex-President Castro had been expelled from Venezuela.
