The two teams will clash again Sunday at 1330 on the post diamond, with a featured softball contest also on docket.

Holding the "Pill-rollers" scoreless in their half of the first innin, the Abbotmen went to work on the opposing hurler and scored a brace of runs after two were out. Nokes, and a ringing double by Ward that pushed the runs across the platter.

The Abbot fans were confident of seeing an easy victory at this stage of the game, but the visitors were far from discouraged. Taking advantage of a streak of wildness on the part of Kern, Beaver hurler, they scored a duo of runs in the fourth, added a single tally in the sixth, and two more in the seventh to even the count. In the home half of the seventh, Abbot forged ahead when Herb Seid walked, advanced to second on Royer's boot, and scored on Maslan's third safety, a single.

The beginning of the ninth proved to be disastrous for the homesters, as the medics teed off with four hits, among them a double and a triple, to put the game in the bag. Ackerman, the visitor's hurler settled down after a shaky start, and finished strong, having 11 strikeouts to his credit.

## Camp Abbot Bowling League Formed for Action in Bend

Organized through the efforts of the ENGINEER and popular, ten-pin-minded T/5 Carl L. Gosselin, Service Co. SCU 1973, personnel for seven of an eight team Camp Abbot bowling league have been secured and GI maple-lane enthusiasts anticipate a bang-up time during the autumn months on Bend's newly-resurfaced bowling alleys.

"Bowling without a doubt is the most popular indoor diversion of soldiers in every camp where facilities are available," the short, bespectacled Gosselin avers. "The game has a host of followers here at Abbot."

Indeed, it has. Of the 35 names, a dozen are officers and the rest rank from master sergeants to lowly-buck privates. Bowling is truly the universal game of equality and skill.

A meeting of all bowling devotees will be called in the near future to effect organization and outline plans for league play, averages and social affairs.

Bowlers will roll for three weeks to determine individual averages, Gosselin said. Mr. Bob Dowsett, operator of the Bend

Recreation Alleys at 744 Bond St., is cooperating whole-heartedly in getting the league underway, reserving all eight alleys during the night of action.

Bowlers ready to "strike" include these men from Service Co: M/Sgt. "Bub" Shaffer, Gosselin, Cpl. C. Malone, Cpl. Ray Grosser, Cpl. Al Capone, Pvt. D. Montgomery, S/Sgt. J. Earle Peterson, Cpl. Leonard Bean, and Pvt. Ed Peck. Officers are Lt. J. R. Rodgers, B-57; Lt. D. A. Clobridge, A-57; Lt. R. W. Liske, B-56; Lt. M. Burke, Hq-54; Lt. Shaak, B-54; Lt. Carter, A-54; Lt. Skelton, A-54; Lt. Butz, B-54; Lt. Louis M. Tierney, A-54; Lt. Volz, C-57; Lt. Bacigalupi, C-57; Lt. Kulbes, B-57.

## ERTC Rookies Untie Many Knotty Problems at Ease

Gas rationing has nothing to do with the camp-wide construction of hitching posts in rear of training battalions.

They're used for practice in tying various knots combat engineers are supposed to know how to tie. Judging from the feverish "jawbone" splicing, the trainees catch on very quickly.

## JUST TWO FRIENDS

A man was sitting beside the deathbed of his partner. The partner knew he was doomed and said with a sigh of repentance:

"I've a confession to make, partner. I robbed the firm of \$50,000, and sold the blueprints of the secret formula for \$250,000. I stole the letters from your desk that got your wife a divorce, and um—"

Partner: "Oh, don't worry, old chap. I poisoned you."
