OPERATION SUCCESSFUL

Post Signal Photo Lab.

Sgt. William Frost of the Cooks and Bakers School casts a critical eye toward Sgt. Peggy Smith of the Wac Company as she cuts the mammoth cake he prepared for the March of Dimes dance at the Service Club last week. Sergeant Smith, elected by a drawing to perform the delicate operation, carried things off without a hitch, while Col. Frank S. Besson, ERTC commander, watched interestedly. In his usual place at the "mike" is Sgt. Buddy Hyde of the Special Service Office.

Rec Hall Ramblings

By Pvt. Elihu "Bud" Hurwitz

Win the race and see the show. That's the slogan these days on ye olde obstacle course. The training division is awarding Annie Oakleys to each member of the fastest squad in the company over the commando barriers. Free ducats also go to the top men on the chinning bar.

Although idle since scoring figures were last compiled T/5 Bob Lipe of the Supply Co. remains league high point man with 73 in three games. Sgt. Tognetti, A59, is second with 65, garnered in four contests. Third place goes to a trainee, Pvt. Jerry Walters, C 56, who has pushed in 5. Others in the big ten include Larson, C55, 48 points; McGowan, Casual, 43; Mechan, Casual, 42; Bilyeau, A 56, 40; Whittacker, Supply, 38; and Higgenbotham, Service, 37.

The fast, clean play of the league is substantiated by the fact that only one player so far has been given the old heave-ho for committing four personal fouls.

It's dollars to doughnuts that Co. C, 58th Bn., will walk with at least one and probably several post boxing crowns. The C-58'ers make up the largest number of entries so far, nine men strong. The battlers include Salac, 183 pounds, Taylor, 148 pounds, Hagas, 152 pounds, Holguin, 139 pounds, Cortez, 155 pounds, Ball, 148 pounds, Schilling, 128 pounds, Green, 152 pounds, and Herring, 190 pounds.

What causes the referee to toot his whistle most at the basketball games? Number one rule infraction is traveling, followed by the violation of the much

misunderstood three-second in the keyhole rule.

Fish Game Rules For Post Outlined

The policies Camp Abbot personnel will adhere to in connection with fishing and hunting were outlined by Post Headquarters this week as follows:

Fishing will be permitted in the Deschutes River within the boundaries of the reservation without an Oregon State permit, but personnel must comply with state laws as to season and size and number of catch.

Hunting and trapping on the Post are strictly forbidden. Rulings for hunting and trapping off the Post may be obtained from the State Police Office in Bend.

Yank Tells of Ball Game of U. S. Prisoners, Japanese

A former prisoner of the Japs at Manila who recently returned to this country on the Gripsholm has revealed one of the most amazing stories in sports history by describing for YANK a softball game between American prisoners and Japanese soldiers. The incident occurred over a year ago when the Japs challenged Americans at Santo Tomas University in the Philippines.

The story is told in the Feb. 11 issue of YANK. Despite the fact that the game was completely one-sided, with the Americans trying vainly to let the Japs score, it was probably one of the most thrilling athletic contests in this war because of its dangerous implications.

Classical Music Concert Sunday

An hour of classical music will be presented tomorrow evening at 5:30 in the Guest House. The program, a weekly feature, is in charge of Cpl. Morris Cohen, Co. A, 53rd Bn.

FOUND—Two attractive framed photographs of an equally attractive T/5 Engineer, together with a packet of smaller photos. Discovered at The Dalles railroad depot several weeks ago. Anyone may claim the property at Special Service Office by presenting features matching those in portrait.

Abbot Assists in School Bond Drive

Camp Abbot gave another boost to Deschutes county's war bond program Monday when Post personnel appeared on an assembly program held at the Bend High School in connection with the school's program to raise \$6,000 during the Fourth War Loan drive.

Featured on the program were the Camp Abbot dance band, directed by S/Sgt. Jack Hayes; a talk by Lt. M. Gillis of the Army Nurse Corps, and a demonstration of tommy guns, rifles, automatic pistols, hand grenades and the "bazooka" or rocket gun by Lt. Raymond Sammarco, weapons specialist. In displaying the weapons, Lieutenant Sammarco told the amount of war bonds needed to purchase each piece of equipment.

New Record Set For Bridge Games

A new record for attendance at the bi-monthly Officers' Wives Bridge and Tea was established at a meeting of the group at the Pilot Butte Inn Wednesday, Mrs. Lilburn P. Staman, secretary, reported. Hostesses for the program were Mrs. Merrill A. Pimental, Mrs. Dale M. Smith, Mrs. F. B. Vanderwall and Mrs. Walter Zwick.

Hostesses for the Feb. 16 meeting will be Mrs. Ferris L. Arnold, Mrs. Arnold G. Bode, Mrs. Robert H. LaBree and Mrs. Darwin E. Smith. Bridge sessions begin at 1:30 p. m., following which tea is served.

Wac Recruiting Chief Visits Post

Camp Abbot radio programs devoted to Wac recruitment have proved to be of inestimable value in increasing enlistments in Portland and Central Oregon areas, Capt. Beatrice Ringgold, in charge of Wac recruiting in Oregon, said during a visit to the Post Thursday.

The Wac recruiting chief visited the camp with Lt. Betty Herring, Wac recruiter who has been in Bend for the past two weeks interviewing applicants for that branch of the army's service.

MAKE A RECORD!

Servicemen will now be able to make free recordings of their voice to send home, Mrs. Helen Smith, Service Club hostess announced.

Recordings will be made each Friday evening in the club. GIs are asked to write out their letter before cutting a disk. Musical selections also may be recorded.

3 Teams Retain Lead in Abbot's Cage Tournament

Three Service Command Units, Casual, Service, and Supply Companies, remained undefeated atop the league standings this week.

In the most spectacular game of the season Casual Co. handed Co. A, 56 Bn. its first setback Wednesday, 34 to 29. After trailing throughout most of the seasaw tilt, the hard-driving training company grabbed a one-point 29-28 lead with less than two minutes to go. However, two quick baskets by Casual Center Mechan decided the issue. Mechan and the opposing center, Bilyeau shared scoring honors with ten each.

Service Company hung up its fourth straight win at the expense of A-58. The well-organized Service five built up a commanding first half lead and coasted home, with the second stringers playing the last half.

Post Quintet to Sport New Jackets

All season the Engineers have been something to watch when in action. Now, with the arrival of their new warm-up jackets, the Post fivers will be a spectacle even when still.

Red coats, matching the sunset shades of a pre-war fire truck, decorated with a white castle and the words Camp Abbot, will gaudily bedeck the basketballers.
