Rec Hall Ramblings

By Pvt. Elihu "Bud" Hurwitz
The 56th Battalion left the Post basketball league last week to start on their three week problem, after compiling the best record for a single battalion since the league's formation. A(9-1), B(6-1), C(4-5) — for a grand total of 19 wins against but seven losses. Of course the crowning glory was A's triumph over Service which perched Lt. Tony Fredrico's orange and black at the top of the league.

THEY LEAD THE LOOP

Company A, 56th Bn. led the post basketball league with nine wins and one loss before the team dropped out of the running in order to go out on a scheduled training maneuver. The crack cagers are—standing, left to right, Cpl. R. J. Herbst, Pvt. Gregory Jensen, Lt. Tony Fredrico, Pvt. E. B. Bileyeu, and Cpl. E. F. Harder. Kneeling are Sgt. Aldon White, Pvt. Joseph Saruk, and Alfred Casciato.

Co. B was beaten only by A while C, although not having such an impressive win-loss record, had one of the loop's outstanding individual performers in Pvt. Jerry Walter. The welcome mat will be out 2 weeks hence, 56th Battalion.

Who's the hottest team in the league right now? Well, it could be the Civilian Personnel firemen who have copped eight in a row after defaulting their opener, and then again—what about the MP's? The boys from barbed wire row are still in the ruck because of dropping five straight at the onset of the race but are now rejuvenated and have taken four out of five, the lone defeat being in overtime.

It would be hard to find a man on the Post who has taken more avid interest in the boxing program than Major Merle L. Gilbreath, 58th Battalion Commander. Major Gilbreath, whose interest dates back to college days, started the ball rolling by being the first to organize a battalion program. Since, he has taken an avid personal interest.

To wind up the current basketball season, Sgt. Leo Frizzo is planning a gala tournament. All teams presently engaged in league competition as well as any other organizations interested, will be eligible to field quintets.

Lipe Holds Lead In Cage Scoring

Five hoopsters have gone over the century mark in the Post Basketball League scoring race. The league leader from the onset, T/5 Bob Lipe of Supply, currently holds a six point lead over Sgt. Tognette of A-58, 163-158. Bob Douglas of Civilian Personnel, participating in two less games than the top duo, has 130.

The scoring leaders include:

Casual Co. Pulls To Fore in Post Basketball Race

Casual Company once again moved to the front of the Post Basketball League, by squeezing out a narrow 40-38 decision over Co. C 58 Bn. this week. Casual thus became co-leader with idle A-56 with nine wins and one defeat and set the stage for the crucial Casual-Service battle Monday. Service likewise has suffered a lone setback.

Last week's sextet of one-blemish-apiece teams was cut to five as Civilian Personnel upset Supply Co. 46-24. Supply's usually dependable offense had a dismal time of it, going sixteen full minutes in the second canto without scoring, after trailing at half 20-16. League's No. 1 scorer, Bob Lipe, felt the effect; the 8 points Lipe managed was his low mark for the campaign.

Other scores last week included B-58, 31 vs. C-51, 23; B-58, 32, vs. A-58, 31; Gp. Of., 38 vs. A-51, 27; Service Co., 2 vs. C-57, 0; MP, 49 vs. A-51, 19.

Outgoing Troops To Receive Medal

Enlisted men who are being released for overseas shipment and who are eligible for and recommended to receive the award will be presented the Good Conduct Medal (ribbon until the end of the war) Post Headquarters announced this week.

The men concerned are those available for shipment in the March 20, April 20 and May 20 groups under the overseas replacement plan, comprising cadre and overhead personnel. An effort will be made to present the ribbon before the men leave this post.

It's your life, soldier—INSURE IT!
