The DesChutes Echo

A Hellish Outrage,

One of the most cruel and hellish murders ever committed, was that perpetrated upon little 13 year old Mable Richard, at Montgomery

The girl murdered was the daughter of Sheriff Richards of Antone Wash, and he had but recently returned from California and has been in town while his family was camping in the world. family was camping in the woods near Farrish Bros.' sawmill, two miles from town. Sunday morning the children started for Sunday school to be held at Kelly's schoolhouse. At a point in the road Mabel left the party, saying she would take a short cut to the schoolhouse. She was not seen alive again.

Arriving at the schoolhouse and not finding Mable, the other children gave the alarm and a search was soon instituted.

To day the body was found in a thicket. Nearby was a club covered with matted hair and blood. Marks of a struggle were evident on all sides and the girl's clothing was badly torn. A deep wound in the back of the head showed the death blow. The girl had been outraged.

Immediately after the discovery of the body, a hunt for the murderer was began which soon resulted in the arrest of William Hamilton who confessed he was the guilty party. The sheriff immediately took the wretch and put him in jail, against the wishes of the people who wanted then and their to meet out vengance to the human monster. The Sheriff remembering his oath took every precaution to protect him who had robed him of a living child, and swore in 25 depities to guard the jail, and proteet the life of him whose life was utterly worthless.

All night long the feeling that Hamilton should be made to pay for his hellish and foul deed, gained ground and at 2·15, masked men, their faces concealed with handketcheifs marched in an or derly manner to the juil and overpawered the guard taking the keys from them, which gave the admittance to the outer room of the juil but not to the cell in which Hamilton was. Keys were however, not necessary to open to those who wanted Hamilton and soon the bars were cut and the villian was taken out, a rope placed around his neck and soon was dangling between heaven and earth. Moo law as tween heaven and earth. Moo law as tween heaven and earth. Moo law as tween haven and earth. Moo law as the following and was the sacrowing of the sacrowing of Washington territory. Mob law as a rule is to be deplored, but when a man or rather a human being having the semblance of a man, meets a little 13 year old girl, and murders her to satisfy his hellish and uncontrollable passions, ought to be dealt with immediacely, and the sooner the world is rid of his presence the better by far for all concerned.
