

LOCAL NOTES.

James Tetherow left for Prineville on Tuesday.

J. A. Ryan went to Prineville Monday on business.

Theophile St. Michel left for Prineville on Wednesday.

Rev. O. W. Triplett came out from Prineville last Monday.

Joel Elliott was over from Powell Buttes early in the week.

Mrs. George Bates and children are visiting at Powell Butte.

An enjoyable dancing party was had at Low's hall last Saturday.

A pleasant dancing party was held at Sizemore's hall last night.

J. F. Taggart returned Tuesday, after spending a month in Prineville.

W. Barnes came over from Prineville and went to work for the D. I. & P. Co.

W. H. Staats started for the county seat last Wednesday on business.

F. C. Rowlee made a business trip to Prineville the early part of the week.

Miss Marshall, of Crooked river, was a visitor at Lytle the first of the week.

G. T. Sly from Rosland, passed through this place on his way to Prineville.

Oscar Hyde, formerly of Prineville, has bought a half interest in the Smeede Hotel at Eugene.

The weather was so disagreeable the first of the week as to impede progress on the D. I. & P. Co.'s work.

Mrs. Emma McGinnell came in from Portland last Tuesday. She will keep house for the Dorrance family.

Hugh O'Kane and W. J. Ratison left for Portland Monday. Both gentlemen intend to return to this place shortly.

Watt Jones and family, of Powell Buttes, were visitors at the home of George Bates the early part of this week.

The New York Cash store has received a new shipment of gentlemen's hats. All the nobby shapes at extremely low prices.

J. C. Turney, Fred Lordman and A. M. Senvig, of Livingstone, Mont., were in town Monday. These gentlemen are interested in timber and agricultural lands between here and Silver Lake. They left Tuesday for the latter place.

J. F. Taggart left on Tuesday noon's stage for a two or three days' visit in the Bend neighborhood. Mr. Taggart has developed into quite a student in the printing business since locating in Prineville, and it is said he is contemplating the establishment of another weekly at Deschutes.—Prineville Review. This is only a jolly. Taggart will gladly explain the whole matter, if you ask him.

The new postoffice of Bend, with A. H. Grant postmaster, having been authorized by the government and daily mail service arranged for it, all of which was duly announced in The Bulletin last week, C. C. Hutchinson this week circulated a petition for a daily mail service "for Bend and Deschutes." Mr. Hutchinson is well known to be an active and genial gentleman but he had not before been suspected of having such an acute sense of humor.—Bend Bulletin. The animosity of the Duke of Pilot Butte toward Mr. Hutchinson does not seem to have abated in the least, as evidenced by the Duke's official organ, The Bulletin.

Mr. and Mrs. D. A. Findley passed through town Thursday on their way to Prineville.

J. A. Rayl went to Prineville the first of the week to visit his wife who is ill at that place.

W. E. Guerin Jr., left for Portland Saturday after spending several days in inspecting the work of the D. I. & P. Co.

S. H. Dorrance returned Saturday from Portland where he went to select machinery for the construction of the Drake sawmill.

There is no use talking about keeping a country back, when such families as one that arrived in Hood River the other day persist in seeking homes in our midst. The family referred to came from Kentucky and consisted of an old gentleman and his wife and their children, and two married daughters with their progeny. In the three families there were 40 people, and they moved into one house. When Wasco county can attract such families as this it is bound to come to the front.—Times Mountaineer.

"The Register wants Newt Williamson returned for the same reason that we want L. T. Harris nominated and elected, namely, we want young men of ability in the house, who can grow into men of power and influence and be of service to the state for the next 20 years. We have Fulton in the senate, J. N. Williamson in the house, now we want Harris also; then three of Oregon's four representatives will be young, brainy, sensible men, who will accomplish much for Oregon in years of continued service. After a while it will be necessary to prepare for a successor to Senator Mitchell, who while still vigorous and forceful, can not be expected to serve us forever, as much as we might wish it were possible."—Eugene Register.

Notice to Voters.

Now is the time to register. You have only up till 5 P. M. on May 15 to register, and it is imperative that registration be accomplished as speedily as possible. Be sure and have your location—lot and block, or number of room when in hotel, or section, township and range when out of town. This is to facilitate registration and is equally a time-saver to the voter and the county clerk.

This registration is for two years and covers the coming presidential election.

Remember and bring your location, as the clerk cannot take time to look up plats or records, as there will be several hundred voters to register in the next two months.

J. J. SMITH, County Clerk.
