On New Years Eve a company of young folks started from town in a wagon with no spring seats but plenty of side boards. They came to a halt at the residence of Mr. and Mrs. Alf Reese, about 1 1/2 miles from town. Mr. and Mrs. Reese were not expecting company, but they soon adjusted themselves to the merriment of the visitors, and a pleasant time was the result. The time was agreeably spent in playing games, pulling taffy and making popcorn balls. They saw the old year out and the new year in. They then drove back to town and distributed themselves at the proper street corners, all feeling that they had a good time. —A Leap Year Social. A Leap Year watch meeting was given by a few of the ladies of this place, at the Hall of the ladies dormitory. The fore part of the evening was spent in playing games and devouring nuts and candy. The boys were then invited to retire from the dining room, and they promptly obeyed, but were soon recalled. Butter and taffy were served and a very interesting friendly contest ensued. As the early part of the New Year drew nigh the time was spent in a very musical way, both instrumental and vocal. The New Year arrived and the company extended a vote of thanks to the matron of the Hall, and dispersed. The meeting was a grand success if the girls did wait till the last day in the evening. —Academy Notes. School opened again last Monday, after a weeks vacation. The Board of Trustees and several patrons of the school were present. Prof. Morrison and Miss Miles attended a teachers institute at Lafayette during vacation.
