Friends' Pacific Academy is located at Newberg, Yambill county, Oregon, on the Portland and Willamette Valley railroad, twenty-two miles from Portland, and one mile from Rogers' Landing on Willamette river.

It was opened for pupils September 28th, 1885, and had enrolled during the first week nineteen pupils. The second school year began September 13th, 1886, with an enrollment of twenty-six, and the present school year opened September 12th, 1887, with an enrollment of fifty-one, and the winter term, December 3d, with an enrollment of 110.

At the time of the opening of the school only the Academy building was erected, and only the lower story of it was completed. During the summer of 1886 the boarding hall and three cottages for pupils boarding themselves were constructed, and during the summer of 1887 the hall for gymnasium and boys' dormitories was commenced and the Academy building was completed. The trustees hope to be able to add other buildings as they are

needed. For Catalogue or information address
