—Mr. Thompson, who came here from eastern Oregon last summer, tells us that he had been unable to get flour equal to east Oregon flour, when he first came. And that he was using east Oregon flour till after J. D. Tarrant & Son commenced making the new roller process, since which time he has been using flour from Mr. Tarrant's mill. Now he says his stove is not large enough to bake the bread on account of the raising qualities of the flour. He says it beats any eastern flour he ever saw.

—The only illustrated weekly west of Chicago is *West Shore*, which has no superior in any respect in the United States. Its large colored illustrations are works of art, and are of home scenes in which our people are all interested. Its editorials are crisp and pithy. Its humorous sketches and paragraphs rivil those of the papers that make a specialty of them. Its illustrated poems are one of its most attractive features. In every respect it is just the paper our people want for themselves, their wives and their children. $4.00 a year. L. Samuel, Portland, Ore

Public School Items.

Friday p. m. the pupils of the 1st department engaged in a debate the subject of which appeared in last weeks items. The girls discussed the affirmative and the boys the negative. The best argument was produced on the affirmative.

Mrs. Smith and Hoskins and Miss Veda Hayworth made us a delightfull call last Friday p. m. Miss Hayworth tarried to hear the contest.

The students of the 1st and 2nd departments planed an agreable surprise party for Robbie Bell last Friday night, Friday being his birthday. A jolly good time was reported.

The different departments will give an entertainment next Friday p. m. which will close our school for a definite period. Having enjoyed ourselves immensely duringholidays we will resume our studies the next day after New Years day or the second of January.

Miss Warner was enrolled as a student of the 1st department this week.

We are sorry to note that Miss Vina Boyce is on the sick list this week.

As there is to be one or two Xmas trees &c. this year we will not give one, but hope to reap great harvest from the different trees.

ZOE.

Don't be afraid to do your duty because some one ridicules or opposes you. A man who has opinions of his own and the courage to advocate them, will be sure to have opposition in this world, because he runs across or contrary to other people's opinions, but just keep straight ahead, if your cause is right and your conscience clear. Don't bother yourself about what people say; life is too short for that. Some will abuse you through envy, others for want of sense, others still for want of principle and some because they honestly differ with you; but if you keep right on openly, manfully, intelligently and with proper dignity of character, honesty of purpose and self respect, those who differ with you will respect you and your opinion.—*Lebanon Express.*

OUR CASH STORE

IS

CROWDED with CUSTOMERS

daily attracted by the GENUINE bargains we are making in our varied assortment of Staple Groceries, Dry Goods, Boots and shoes, Hats, Queensware and Fancy Notions.

We do not claim to have a corner on all the good articles that are bought and sold but there is one assertion We hold up in the face of all competition. That we sell goods CHEAPER than any house in Yamhill Co.

Our prices are cheerfully given to any one for comparrison but we do not "*blaze forth with meteor splendor*" by so-called low prices on a few "LEADERS" Why? Because to name the low priced goods that you can find with us would be

SIMPLY TO ENUMERATE EACH ARTICLE IN OUR STOCK----

——SPACE FORBIDS HERE BUT WOULD SIMPLY SAY, THAT FROM A SPOOL OF THREAD TO A BOLT OF MUSLIN——FROM A BOX OF BLACKING TO A BARREL OF SUGAR ——FROM A SINGLE NUTMEG TO A BARREL OF FLOUR——THE PRICES ARE LOW AS CASH PRICES DEMAND, THEY SHOULD BE——

The BITTER OPPOSITION shown us by our COMPETITORS on the one hand and our WELL PLEASED PATRONS on the other, is sufficient evidence that our efforts to

"CUT PRICES TO BED ROCK"

are appreciated.
