A PISCATORIAL DUDE.

After Every Catch He Washed His Delicate

The Entire Ceremony Took Less Than Half
Hands.

The Entire Ceremony Took Less Than Half I saw in some newspaper recently : description of a dude sportsman, gunner of witnessing a Friends wedding in the for comment. The improving weather is or fisherman, I forget which, and "that old meeting house at the corner of Fif-

in the Seine. To prelude, the laws are very strict novelty. Upon entering the meeting over there in regard to fishing and shoot house the extreme plainness and siming. The seasons open and shut like a plicity of the surroundings attract the jack knife with a snap, and woe to eye of the stranger. Directly in front, the transgressor. On a certain day in and facing the entrance, are three rows July, I think, the season opens, and of unupholstered benches. There is a long before daylight of the day the gallery extending around three sides of banks of the river all along the Bois de the building and containing several rows Boulogne are lined with fishermen sit- of benches, each one being much higher ting side by side and almost elbow to than the preceding one. The massive elbow. I strolled down to the river one pulpit, the customary church organ, the day and witnessed the sport. Taking handsome windows of cathedral glass, out a cigar I paid a woman two sous all these are absent, and their absence for a chair and sat down to get a wrinkle tends to give the place a tone foreign to in French fishing. For half an hour all that of the majority of religious edifices sat in silence, with not a movement. of to-day. After taking our seats, and Presently one fellow had a nibble. Im- before the wedding party arrive, we mediately every eye was turned on the have an opportunity to observe our surlittle red float on his line. The float roundings and the guests who have asmoved perceptibly. The man, with sembled to witness the ceremony.
