IMPORTANT DISCOVERY.

1 50 An Ancient Manuscript of the New Testament Found at Damascus. 4 50@4 75 We have reason to believe that a discovery of equal impertance to New Tes-

tament scholars with that which gave

Codex Aleph to the world has just been

made. The rumor current in well-in-

formed quarters credits the new find to

Nicomedia. The completion of the

Epistle of Clement of Rome, and the

the Apostles have made him famous for

discoveries even in this age of discovery.

But if the rumor that has come to us be

It is said that in some Turk-

ish library at Damascus he has

found a manuscript of the New Testa-
