\$30 per acre will buy 4 acres in one mile of the town limits of Newberg, soil good, one half sloping hill side and one half level valley land. A good mountain stream runs across the place, also a fine spring on hillside from which water can be piped to barn and house. Two fair box houses on the place, mill frame 30 x 80 ft. will make a good barn. Besides the buildings on the property there is near ten m. ft. of good timber. About 6 acres clear. The timber is mostly a light growth of fir, except about 8 acres of excellent timber. This property with a comparatively small outlay can be made one of the most desirable fruit farms and convenient homes in the valley.

To any of my friends, or persons who wish to make investments in city property, either in Portland, Astoria, or Port Townsend, I will be pleased to assist you in making your investments in such property as will bring you the quickest returns.

—A. T. Haworth, who has been running an engine at Sellwood, came home on a visit to his family this week.

—G. W. Mitchell says they will be ready to furnish Newberg with lumber very soon. This will certainly be a relief.

—GLASS ROLLING PINS—20 cents CASH.

MORRIS, MILES & CO.

—Mr. Gardner, who has been working at the iron works at Oswego, has accepted the position of engineer at Sampson & Perkins saw mill over in the Coast mountains.

—Newt Bolton has the largest pile of stove wood of anybody in town, but the boys say Newt had no hand in the cutting of it.

—H. S. Maloney, county surveyor was down this week doing some surveying in

the valley. Ellsworth Branson of Sheridan was assisting him.

—Rev. W. A. Willison will preach in the Evangelical church, Sunday morning, at 10 a. m. The Presbyterian Sunday school will convene at 2 p. m. All are invited.

—Peach trees are now adorned with beautiful bloom and how a fellows mouth waters in hopeful expectation for the future. Strawberries, peaches and watermelons—yum yum.

—See the newest styles in fancy shirts, scarfs, ties, spring underwear, hose &c, just now coming in and to be sold at cash prices.

MORRIS, MILES & CO.

—Our stock of Hats and Caps was never so complete as now. We have many new styles for this season at lowest cash prices.

MORRIS, MILES & CO.

—Look out for a wedding in town. Our young men should look a little out. This thing of allowing fellows from neigh- bouring towns to capture prizes with- in our borders is hardly constitution- al.

—Prof. Hartley preached a very able sermon last Sunday at Friends church on the subject of "Sabbath Observance." The large room was full and although services held an hour and twenty minutes, none appeared weary of listening.

—Mr. C. E. Armstrong, who lives on Dr. Moore's place and recently from the east, believes in being posted as to home news and events and consequently joins the army of Graphic readers. He is wise in his determination and many others should be.

—Levi Gilbert, brother of Dan, arrived from Kansas last Saturday and has been greeting old friends. He will remain among us a short time, when he will leave for Klamath in southern Oregon, where he will engage in missionary work among the Indians.

—R. Anderson of the Newberg Blacksmith shop says he is getting lazy this fine weather, and wants the people of this vicinity to hurry up and bring him lots of work, so as to keep him busy, as he thinks that will be the best panacea he can take for the disease.

—LOOK HERE. You will find a full line of Harness Goods, second door north of the post office. You will also find a good article of Harness Oil. We are prepared to compete with any other firm in the country in prices.

C. MARIS.

—We call especial attention to the full stock now in our store of goods for men. Wear such as "Engineers Overalls," Waists, Jumpers, Sear Sucker Coats and Vests, Alpaca and Linen Coats, Etc, at CASH prices lower than any one.

MORRIS, MILES & CO.

—D. P. Stratton has lately sold two of his road graders, one of which goes to Salem and the other to Independence. Mr. Stratton also has a prospect of selling another at Eugene City. The time will come when the road machine will be used all over the country and the sooner the better for the good of the roads.

—The Republican primary was held at the school house last Saturday afternoon. The delegates chosen to attend the county convention were, Frank P. Baum, N. E. Britt, Wm. Everest, J. M. Wright, Noah Heater, E. H. Woodward and Jesse Edwards. Noah Heater was chosen as a member of the county central committee for Newberg precinct.

—Headquarters, Newberg Oregon, to Kilpatrick Post G. A. R. Don't forget our nights of meeting, they are the first and third Thursday in each month. You are all required to be present at our next meeting for the purpose of making preparations for Memorial day.

C. MARIS, N. O. KIRK, Commander, Adjutant.

—We have open now the best stock of Boots and shoes and slippers in many styles that we have ever bought. We paid the cash for them and got the discount and are now ready to name prices that will compete with Portland or any nearer place. CASH WINS EVERY TIME.

MORRIS, MILES & CO.

—Some of the farmers out around town complain of sneak thieves robbing their hens nests. To say nothing of the loss, it is very annoying to feel that it is unsafe to leave home for fear your property will be molested. One of these days somebody will carry home a load of shot in the posterior extremity that will have a tendency to cause them to reflect on the error of their way.

—A great deal of improvement is going on in the country around town. Parties who have bought small tracts of land are cleaning the land up and setting in fruit trees, berries, &c. The next few years will show much greater advancement in this valley than we have seen in the past. Small farms well tilled is what we want for there is nothing that makes a country show up to better advantage than moderate sized well kept homes.

—Spring house cleaning is now the order of the day. Now above all other times the busy housewife is monarch of

all she surveys, or in modern parlance "boss of the ranch," and the industrious husband finds it very convenient to spend his time at his shop or at the back side of the farm as the case may be, until the clouds roll by. Very few men like to be utilized as a carpet stretcher or floor mop. It is pleasant to take a vacation until peace is declared and the tempest is still- ed.

—The Union party, heretofore known as the Prohibition party met at S. Hobson's photo gallery Monday night. We understand the Secretary was instructed to furnish the Graphic with a report of the proceedings, but he has not yet shown up. We understand however that the delegates chosen to attend the state convention at Oregon City were, Dan Gilbert, Milton Gunn, Moses Votaw, J. H. Bowman, Sam. Hobson, Aaron Bray, Rev. Beaumont, Nate Wiley, and Chas. Mitchell.
