In decourse of the file of the file of the file of the plaintiff, and ascertained for him that he had expended the following sums of money upon his "property:" License, 75 cents; justice's marriage fee, \$2.50; one new dress, 87½ cents; one new bonnet, 37½ cents. They furthermore decided that the woman was "perishable property," and her value was only to be estimated the order items, making \$8.50.

In due course of time the trial came off and the plaintiff duly and satisfactorily proved his ownership by producing

rily proved his ownership by producing his marriage certificate. The defendant could not upset this evidence, and the plaintiff got judgment of restitution and 25 cents damages. His property was then restored to him in due and regular form, and the defendant was solemnly notified that a repetition of his offense would be regarded as petty larceny and punished accordingly. The man and his wife are still living happily and contentally together.

time. It must not only relieve quick but bring them around quick, as children chafe and fret and spoil their constitutions under long confinement. It must do its work in mederate deeps. A large quantity.

With this intent, he went before a justice of the door and refused to give it up. A secured the services of the celebrated Shep Tinker as his legel adviser. Shep knew that his client could not give the necessary bail in an action by replevin, so he decided to bring a different sort of an action.

With this intent he went before a jus-tice of the peace in old Straitsville, and took out a writ of habeas corpus and literally brought the horse into court.

means down in the books. The writ of habeas

Mr. Saunders saw his mistake and a door opener which relieves the dis-upologized to the court for having doubtapologized to the court for having doubt-ed its ability to do anything it chose. It is needless to say that the horse was re-

WHAT HIS BUSINESS WAS. As funny a thing as ever occurred in court happened at Napoleon, O., in case was on trial, and an outsider seated himself on one of the puncheons at the DOCTOR TOEL

Makes a specialty of Diseases of the Nose, Throat and Neck, Skin, Urinary Organs, Female Diseases and all Surgical or Fistula, Piles, Strict-rous and all other Tu-Operations performed directed to the furthest man from him,

"Gentlemen of the jury, I want to know what this man (referring to the plaintiff in the case) has come into court for? What is his business? What right has he here? What is he seeking for? Again I repeat, gentlemen of the jury,

why is he here?"

The countryman imagined that the question had direct reference to himself, and when the lawyer paused to give due weight and emphasis to the question, he jumped to his feet and howled:

"What am I here for, you cross eyed cock of the walk? What am I seeking for in this here court? I'll tell you in short order, you weazen faced old son of a gun. I've been here three days a-waitin' for my fees, and nary a red kin left. Pay me my witness foce six and git. Pay me my witness fees, sir, and il git out of here immegiately." This unexpected oration brought down

jury of witnesses, the ignorance of the jury and the connivance of the court, I expect to lose this case." What is that you say, Mr. Morrison?" "That is all I have to say on that point, and the court will feel happier if I do not repeat what I have already said. From the looks of the jury I infer that they would rather not have heard it

Buenos Ayres, in the Argentine Repub-He, is now the largest city in South Amerca, the census of 1887 giving it a population of 434,000.

An Albany reporter writes of "a quiet

A BOOTBLACK'S CRITICISM.

Pointing Out a Defect in a Picture Which

Escaped Public Attention. Tom Nicholl, the artist, tells the following story on himself, which is a pretty good one. It illustrates the well known fact that the best of us can learn

The average New Yorker is likely to think of his friends in smaller cities as hardly equal to himself in keen business hardly equal to himself in keen ousiness sagacity, but now and then somebody from a small town or even from the country shows himself in this quality poits worthy of the metropolis. A New quite worthy of the metropolis. A New Englander, who may be called Mr. Hig-gins, a man who stands six feet two in his stockings and is well proportioned, landed from a Sound steamer the other morning and was greeted with the familiar "Good morning. Mr. Higgins! So glad to see you here! But I'm afraid you don't remember me." The usual intro-duction and explanations followed, and then Mr. Higgins started with the stranger to "call on some friends." well as young folks, and make Boschee's German Syrup the favorite family medicine.

their young, and on the verge of the abyss and amid the full echoes of the re-sounding roar of the falls. Surely the eagle is a fitting symbol of perfect fear-lessness and of that exultation which

comes with battle clamors.

But these first falls are but a beginning. The greater splendor succeeds. With swifter flow the startled waters dash on and within a few feet take their second plunge in a solid crescent, over a sheer precipice, 210 feet to the abyss be-low. On the brink there is a rolling crest of white, dotted here and there in sharp contrast, with shining eddies of green, as might a necklace of emerald shimmer on a throat of snow, and then

the leap and fall.
Here more than foam is made. Here rises—the incense of the waters to the waters' God. Finally, through the waters' God. Finally, through the long unclouded days, the sun sends down his beams and, to give the startling scene its crowning splen-dor, wreaths the terror and the glory in a rainbow halo. On either sul-len bank the extremities of its arc are anchored, and there in its many colored robes of light it lies outstretched above the abyss like wreaths of flowers above a sepulcher. Up through the glory and the terror an everlasting roar ascends, deep toned as the voice of fate, a diapason like that the rolling ocean chants when his eager surges come rushing in to greet and fiercely woo an irresponsive
