J. A. Buchanan, of Amity, a prominent candidate for the office of school superintendent was in town last Saturday. Mr. Buchanan has taught school for a number of years in this county and the fact that he remains in one school for a number of terms is evidence of his being a school man.

A traveling man who chanced to be in the store of E. V. Wood, at McKees Rock, Pa, says while he was waiting to see Mr. Wood, a little girl came in with an empty bottle labeled Chamberlain's Pain Balm and said: "Mamma wants another bottle of that medicine; she says it is the best medicine for rheumatism she ever used." 50 cent bottles for sale by C. F. Moore & Co.

Harlon Ong had his electric motor on exhibition at Morris, Miles & Co's store last Friday. Many called during the day to see the new invention and ask numberless questions regarding it. The young ladies who called, divided their sweetest smiles about equally between the motor and the inventor of it. Their smiles will broaden when they are informed that Mr. Ong attached the motor to the churn the other day and after touching the button the motor did the rest, while he had a rest, reading the newspaper.

Mr. J. P. Blaize, an extensive real estate dealer in Des Moines, Iowa, narrowly escaped one of the severest attacks of pneumonia while in the northern part of that state during a recent blizzard, says the Saturday Review. Mr. Blaize had occasion to drive several miles during the storm and was so thoroughly chilled that he was unable to get warm, and inside of an hour after his return he was threatened with a severe case of pneumonia or lung fever. Mr. Blaize sent to the nearest drug store and got a bottle of Chamberlain's Cough Remedy, of which he had often heard, and took a number of large doses. He says the effect was wonderful and that in a short time he was breathing quite easily. He kept on taking the medicine and the next day was able to come to Des Moines. Mr. Blaize regards his cure as simply wonderful. 50 cent bottles for sale by C. F. Moore & Co.

The older children by accident knocked the little thing over and it fell with its face in the fire, burning one side of the face and head, in a horrible manner. Dr. McConnell was called, but could do nothing to save the life of the little sufferer. This is a sad blow to the parents.

Elmira Saffarans, formerly Dale, was born at Fort Edward, N. Y., in 1826, and died at Astoria, Oregon, at 2:45 p. m. Wednesday, March 30th, 1892. She crossed the plains for Oregon in a wagon train in 1845, was the wife of one Mr. Ward at that time, who lived but a few years, when he was taken suddenly from her by accident, which left her a widow with an infant two weeks old to battle with the difficulties of a new country life alone, which she met with courage and fortitude, being a woman of strong will and brave heart. One year later she was married to Dr. Saffarans, of whom this people need not be told. They lived happily together until about 29 years ago, he too was taken away from her and she again left a lonely widow, but she struggled bravely with all the difficulties of life, being a strong character, an amiable disposition, a loving faithful mother, strictly upright in all her intercourse with the world, she won her way to the hearts of the people with whom she mingled. Has been a confirmed invalid for about four years, suffering intensely at times, but through it all she was patient, cheerful and hopeful, never a word of complaint but would arouse from paroxysm of intense suffering with a smile. Her last illness was near a month's duration, when she fell asleep to wake no more on earth. Was the mother of five children, one son and four daughters, all of whom survive her. The final summons came very suddenly yet those who knew her best assured it was not wholly unlooked for by her. So ends a long life of usefulness, like the close of a mild summer day, like one weary with toil lays him down to pleasant dreams.

The annual meeting of the Woman's Christian Temperance Union was held Thursday, March 31st, in the Y. M. C. A. rooms. Devotional exercises were conducted by Mrs. Lucy Haworth. Business meeting opened at 2:45, with Mrs. M. J. Townsend, president, in the chair. After roll call and reading of minutes of previous meeting, the reports of Superintendents of Departments were read, only six of the twenty-three superintendents failing to report. Several of those not heard from are absent from home. Following is the number of papers of Sabbath Observance Literature distributed, 1642; temperance and labor 1834; social purity 3272; foreign 443; Union Signal 225 copies, 4644 pages; miscellaneous 23379; total number of pages 35734. Mrs. Kirk superintendent. The report of social purity superintendent, shows that mother's meetings have been held once every month for the past year, are well attended and interesting, but we believe if a "certain few" who are so "disgusted" with the mother's meetings as to think of not attending again, would really make up their minds to favor us with their absence, better work could be accomplished in this line. The results cannot be satisfactory so long as the topics discussed by the mothers, instead of being "pondered by the heart," are made cause for common talk—we had the day when father's meetings may be held. Scientific temperance is thoroughly taught in our public schools. Bible readings for young women have been held. Flowers have been sent to cheer the afflicted, the labor question has been discussed, medal contests have been held and in various other lines the W. C. T. U. has shown itself to be aggressive in the past year. We are unable to give the number of new members in the past year, but seven were added to the list at the annual meeting. The Union pledged 10 cents per month to the George Home in Portland and 25 to the county work.

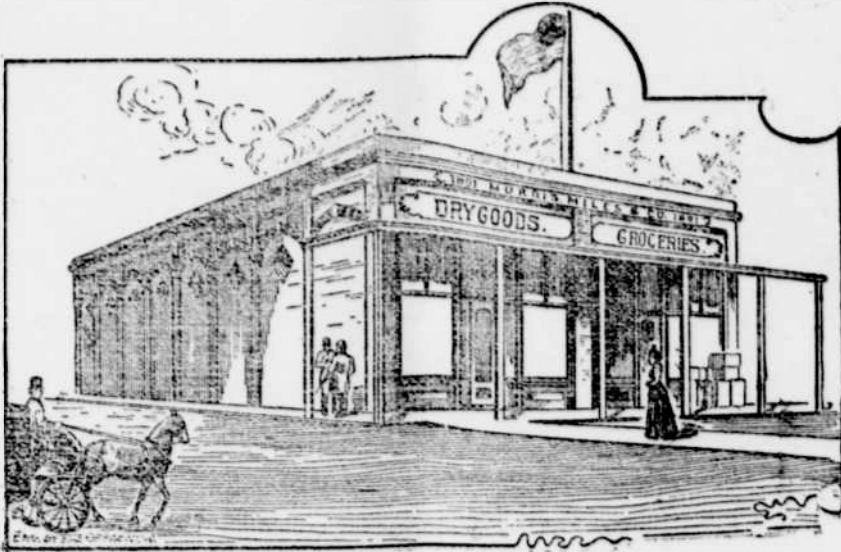

The following ladies were appointed delegates to the county convention to be held in Carlton next week, viz: Mrs. Harford, Mrs. Allen, Mrs. Volaw, Mrs. Cooper, Mrs. Christenson, Mrs. Blair and Miss Inglis. A committee was appointed to revise the constitution. On motion this committee shall consist of the general officers, Mrs. Harford and Mrs. Woodward. A letter was read from our former secretary, Mrs. Emma Moore, requesting that her membership be transferred to the Portland Union. Adjourned to meet Thursday, April 14th. A. M. M.

LAFAYETTE ITEMS. The LaFayette choral union gave one of their popular concerts in Littlefield's hall Tuesday night. Judge Boise was a visitor in our town over Sunday. The judge will, in all probability, be renominated and elected again. Noy Unger, who shot Van Parker here last fall, was sentenced by Judge Boise, to one year in the penitentiary. The lumber is being hauled for a number of new residences in town, already this spring. Gov. Condit held communion services last Sunday in the Presbyterian church here, and received four members into the church. Mr. Fisk has traded all of his land around here to Judge Denney, for land east of the mountains, and will move his stock, and part of his family up there at once. Grandma Bird has been very sick, but is improving now. Mrs. Olds, who was so badly injured in the electric car accident in Portland, is getting along nicely now, since she got home. Miss Rose Vickrey is quite sick at James McCain's in McMinnville, but is improving. Some new comers from Kansas have moved into Mr. Burlingame's house on the corner. The base ball club has secured a piece of ground of Mr. Ferguson near the depot, and are making a new ball ground. The Old Fellows will hold their seventy-third anniversary, at this place on April 20th, and if the weather is favorable, a large crowd and a nice time is anticipated. D. V. Olds of this place, will be a candidate before the Republican Convention for County Clerk. Mrs. E. Hawkins is very low with consumption, and is not expected to live long. Posy. Don't be a sheep and wear hot clothing in these torrid days and blood thinning evenings. Get some of Kay & Todd's Light Weight and very stylish clothing that they are selling so cheap.

NATIONAL REMEDY CO. David W. Martin, general agent for the National Remedy Co. wishes to announce that he now has two agents in Newberg for the sale of his medicines. Mrs. Mary Robinson, on south Meridian street, near the fair grounds, and Mrs. Cox, on First street, one door west of Presbyterian church, are his only authorized agents, who have and will hereafter keep on hand a full supply of the above-named remedies. sept20ptm1
