Tucson's schools have 900 pupils. Burglars have been reaping a harvest

The American ship Roma has been seized at Victoria, B. C., for not entering and clearing under the revenue laws.

A syndicate of Chicago business men is reported to be negot ating for the purchase of the cable system at Los Angeles. The new mode of logging with a wire cable, thereby dispensing with the use of oxen, is being tried by Captain Parker in his logging camp on the Coquille

A ledge of tin ore, four feet in width, has been discovered in Cassia county, Idaho. The ore also contains both gold and silver, but in what quantities is not

The herds of Eastern Oregon, particularly in Wasco, Sherman and Grant counties, are fast diminishing. The increase by no means equals the number driven out of the State or slaughtered. Miss Lena Litchburn, an elocutionist formerly of Kansas City, now of Long Beach, Los Angeles county, lost her

speech, and it is claimed that she has regained it after nine months through To All Points East

The citizens of Pioche, Nev., believing the Shoshone Indian predictions of a hard winter, are procuring large supplies of wood for domestic uses, and are other-

wise preparing for an extra cold and snowy season. The Supreme Court of Utah has ruled that property of the Mormon Church which had been declared as escheated to the government must go to the public nounced the schools and to the repairs of Mormon places of worship. The amount in dis pute is about \$750,000.

The preliminary surveys for the large storage reservoirs and irrigation canals to be constructed on Indian creek, about twenty miles from Boise, are now being made. The three reservoirs to be built will cover 1,200 acres of land each, and about forty miles of canal will be dug. Thomas Quiddie and George Bassett,

two young men who held up the wie and daughter of Joseph Workman on November 7 at Los Angelss and robbed them of \$700 in jewelry and money, pleaded guitly and were sentiarv. The DeLamar Nugget announces the discovery of valuable opal fields in Owy-hee county, Idaho. Some of the stones

are fiery, others are dull white, and a cut one has been pronounced by an expert as fine a specimen of its size as he M unt Pitt, an extinct volcano in the Cascades about sixty miles due east of Grant's Pass, is said to be smoking again. C. A. Wolfolk, who has been in sight of it recently, says the black smoke shoots

straight up in a large volume from the snow capped peak, and the sight is a grand one from the summits at the head of Bloody run. Wilson Garber, who for four or five years has been suspected of being a moonshiner, and whom the Federal officers of Idaho have long suspected of supplying the scattered Indians of the Big Creek country with illicit whisky, met a violent death about a week ago while fleeing from a party of men whom he thought were officers of the law. He

with a couple of Ind ans while in a boat were carried over a forty-foot waterfall. Allene Case, Assistant World's Fair Commissioner for Idaho, has returned to Boise from Chicago. He reports that the department of construction has finthe department of construction has in-ally decided to give Idaho a space for its building, with a frontage of 110 feet. One-half of the lot formerly set aside for New Mexico is included, and the other half of the building will be devoted to a joint Territorial building. Work will be commenced on the Idaho building just as soon as possible. as soon as possible.

Evans and Sontag are reported at Fresno to have left the United States and been traced to London, England. An officer engaged in their pursuit is re ported as saying that Sontag took the train at Truckee in disguise as a preacher and Evans at Mojave as a miner. The two met at Baltimore, and took the steamer for Europe. Parties from the mountains state that the robbers are thought to have left there early in Octo-ber. No one substantiates the report to

The Marshfield Sun reports work progressing rapidly along the line of the Coos Bay and Roseburg railroad. The com-pany's force of men is being enlarged at every opportunity. The big bridge, 2,000 feet long, at China Camp creek has been completed and the track laid one mile beyond that point to McAdam's place. Superintendent Fred McLain started a force of men at work last week in the construction of the bridge at McAdam's and it will take three weeks to complete it. This is the last bridge that has to be \$30,000 constructed this side of the Coquille.
The work of surfacing and straightening the track is fast nearing completion.

Over eighteen miles of the road is completed and the track laid.

Work on the new armored cruiser Olympia at fan Francisco has been expedited to the utmost since she was launched. Only the detention of plates by the Homestead strike can prevent her being towed over to the government week the ponderous boilers will be placed in the hull. The Olympia looms up in magnificent shape, and looks larger in water than she appeared on land. The gun carriages in the forward turrets are nearly in. The guns are being prepared for their positions in the turret, and will be aboard in a few days.

A Farmer Donates a Large Sum of Money to Help in the S'udy of Scientific Farming.

Kentucky has a State colored teachers

In Japan they teach children to write with either hand. There are 465,000 school children in England's metropolis.

The enrollment of girl students in the Harvard annex this year is over 300. Egypt has an elaborate school system. the annual reports of which are full of interest.

France has 26,000 school buildings and one of the best systems of normal schools in the world. In the twenty universities of the Ger

man Empire the medical students for

last summer numbered 8,833. A practical Indiana farmer the other day gave \$35,000 to help the pursuit of the study of scientific farming at Purdue University.

The oldest college in Chili is the "Instituto Nacional," which received its charter from the King of Spain more than 100 years ago. Tufts College, Massachusetts, now ad-

mits women on an equal footing with men in the divinity school as well as in the academic department. The United States now spends over \$170,000,000 a year on its schools, not in-

luding over \$10,000,000 annually spent in its colleges and universities. One of the features of instruction in the Laselle Seminary, Massachusetts, is a three years' course in cooking. It is free of extra cost to the pupils.

The Sheffield Scientific School is the

beneficiary in Connecticut of the Con-gressional appropriation for the support of agricultural schools and colleges. George E. Vincent, Vice Princ'pal of the Chautauqua system, has just re-turned from England, where he has been securing attractions for the next season

of Chautauqua. The average expenses of the students of Yale were: Freshman, \$786.96; sophomores, \$831.34; juniors, \$883.11; seniors, \$919.79. The largest expense reported was \$2,908. Without including the recently estab-

lished training colleges there are now in England and Wales forty-one institu-tions at which candidates for the elementary school profession are trained A London superintendent lately pro-nounced the schools of New Zealand among the best in the world, and the

reports from the schools of that till

lately barbarous country show phenom-

en I changes. Athens has lately completed a magnificent academy building of Pentelican marble, costing \$1,000,000 given by a wealthy Greek merchant, Sina by name, and has a well-equipped university with a complete school system beside.

made provision for a course of free lect-ures. There will be ten places in which camber 5. lectures will be delivered on each Mon-day and Thursday evening during the the most favorable conditions in its his Fair visitors. Within two years this memorable and successful institution has received over \$650,000 in gifts. A new art buildhave been exhibited in DeLamar. Some

> are being drawn for a scientific building. The new freshman class is the largest ever received. There are 800 primary schools in Chili with an average attendance of 170,000 children. About ten years ago Congress appropriated \$150,000 to introduce the best method of teaching, and to that end sent a learned professor to the United States and various parts of Europe to study the systems of those countries and

lecide upon the most successful. Mrs. F. M. Atkinson of the Woman's Journal says: "The year of 1892 marks an epoch in the history of the higher education of women. Six noble institutions this year open their doors to women. Four of these—hoary St. Andrews, Brown, Tufts and young Chicago—admit women to all their courses and honors; two-Yale and the University of Penn-

sylvania—open the postgraduate courses. Alas, 'Fair Harvard!'" PERSONAL MENTION.

Two Stained Glass Windows Put in Church at Richmond in Memory of the Immortal Lee.

Prince Bismarck says the American army lacks officers. Mrs. Cleveland has an uncle, David Folsom, living in Montana. Uncle Dave is a wealthy ranchman in the State.

Rev. R. Heber Newton, rector of All Souls Episcopal Church, New York, will because of ill health take a year's rest.

Archbishop Redwood of New Zealand is an accomplished violinist, and recent-ly purchased a guaranteed Stradivarius for \$5,000. When any foreign visitor is given audience by the Japanese Mikado the latter

which he speaks well. General Samuel Wylie Crawford of Pennsylvania, whose death was reported last week, commanded the reserve guard of the Keystone State at the time of the engagement at Gettysburg.

Mr. Gladstone varied his ordinary ath-letic programme of tree-chopping the other day by lifting the first shovelful of earth on the occasion of the commencement of work on a horse railroad at Wirral. Prof. Angelo Heilprin, who conducted

the North Pole will be discovered within a few years. The city of Salzburg, capital of the Duchy of that name, publicly celebrated the eighteenth anniversary of the birth of Count Maximilian O'Donnell, a descendant of the Irish Earls of Tyrcon-

two stained glass windows made in Mu- plete in the country. nich have been put into St. Paul's Episcopal Church in Richmond. Between them on the wall a brass tablet is to be placed in the form of a shield, having on it a crusader's cross, the Confederate flag, the Lee coat-of-arms and an inscription.
