Pontius & Son, of Cameron, Ohio, say that it has gained a reputation second to none in that vicinity. Jas. M. Queen, of Johnston, W. Va., says it is the best ever used. E. F. Our representatives at the state horticultural meeting at Portland this week, were E. C. Armstrong, J. H. Bowerman, Wm. Allen, Justin Hawthorth, J. H. Rees and Zimri Mills. They report a very interesting meeting and the election of the same officers for the ensuing year.

From the present date until Feb. 1st, any of our subscribers who may desire to send the GRAPHIC away to their friends for the next year may do so for the small outlay of seventy-five cents. This is much cheaper than writing letters and the GRAPHIC will visit your friends each and every week during the year. Don't fail to avail yourself of this opportunity.

Shepard Ong and family left for Scott's Mills the first of the week. Mr. Ong is none of your kickers, but on the other hand says he never expects to find a better place to live than he has found Newberg to be. The family has a large circle of friends here who are sorry to see them go, but all have the best wishes for them in their new home. The GRAPHIC will keep them posted regarding Chehalum valley events.

There is no danger from it and relief is always sure to follow. I particularly recommend Chamberlain's because I have found it to be safe and reliable. It is intended especially for colds, croup and whooping cough." 50 cent bottles for sale by C. F. Moore & Co.

The next meeting of the Chehalum Valley Horticultural Society will be held Saturday, Jan. 28th. A full attendance is desired, as there will be important business up for discussion. Among other subjects the matter of changing the time of holding the meetings from monthly to quarterly will be considered. The following papers will be read: "Varieties of Fruits Best Adapted for this Locality," J. H. Rees; "Gardening and Small Fruit Growing," Charley Smith; "No. 6 Prune," Mr. Atkins. Miscellaneous timely topics discussed generally.

At the state horticultural meeting this week, Mr. Scheidecker, the Portland florist gave a talk on pruning. Every one who has heard him knows that his German is very hard to understand. On this occasion Mr. Bowerman who is very enthusiastic on the subject of pruning and always anxious to learn, asked many questions, as it was with great difficulty that he could understand the speaker at all. In speaking to a Newberg representative afterward about it, Mr. Scheidecker said, "it is about as hard for that 'Irishman' from your town to understand German, as it is for me to understand English."

Sam Shultz seems to be an unfortunate man lately. He cut a big fir tree a few days ago that stood near his house, and like a gun that "was not loaded," it went the wrong way when it fell and landed square across his house, almost completely demolishing it. His wife and child were away from home however and no one was hurt.

A call has been issued for a meeting of all persons interested in the organization of a county geological society, to be held Jan. 21, at 2 p. m. at the drugstore of S. Howarth, McMinnville. For pains in the chest there is nothing better than a flannel cloth saturated with Chamberlain's Pain Balm and bound over the seat of pain. It will produce a counter irritation without blistering, and is not so disagreeable as mustard; in fact is much superior to any plaster on account of its pain-relieving qualities. If used in time it will prevent pneumonia. 50 cent bottles for sale by C. F. Moore & Co.

A Whole Train Load of Garden Seeds

Posson's Seed Store

FOR

THE TRAIN AS IT APPEARED ON THE TRACK.

Nearly everyone who saw it was greatly astonished to see a whole train load of garden seeds cross the steel bridge and pull into the Union Pacific yards yesterday afternoon. Nearly everyone knew that Posson & Son were Pacific Coast agents for D. M. Perry & Co. (the largest seed house in the world) and the three years since they have been in business here.

To appreciate to some extent what a quantity of Garden Seeds this is, it may be stated that there is enough in this shipment to plant over three hundred and eighty thousand acres, and is valued at over three-fourths of a million dollars. The freight alone on this shipment amounting to nearly three thousand dollars.

As this is more than three times as much Garden Seed as has ever been shipped to this coast by any firm, it will at once be seen that they are headquarters on this coast for seeds.

In addition to their seed business Posson & Son operate a large Fertilizer Factory at Troutdale, probably the largest factory of this kind west of Omaha, where they manufacture all grades of fertilizers. This product is exported largely to the Hawaiian Islands for the Sugar Plantations, as well as all over the coast for the Hot Ticks, Orchards and Gardens.

There was also two cars of the Keepers' Supplies in this train load, from A. I. Root of Medina, Ohio, for whom Posson & Son are Northwestern agents. To know that such a quantity of the Keepers' Supplies is used here was also a surprise to most everyone.

A liberal use of painter's ink, hard rattling, honest dealing and eastern prices are to blame for all this trade which this popular firm has worked up in the short space of three years that they have been in business.—Morning Oregonian.

The college faculty gave the students a social at the college building on last Friday evening that proved to be a very pleasant affair. Beside the students in attendance this term there were a number of the old students as well as the teachers in the public school and some of the trustees present, which taken altogether made a very large crowd. Refreshments were served in one of the upper rooms. Toasts were responded to as follows: "The Faculty," Miss Hinchman; "The Board of Trustees," E. H. Woodward; "The Wives of the Board," Mrs. Edwards; "The Boarding Hall," Edgar Ballard; "The Public School," Prof. Hodson; "The Relation of the Church to the College," Rev. Thomas Brown. The company dispersed at ten o'clock with best wishes for the faculty who arranged for and met the expense of the evening's entertainment.

A New Bank.

We are informed by Moses Votaw that Newberg is to have a new bank at an early day. He has been busy during the past week soliciting stock for the corporation and thinks they will be ready for business in a week or ten days. The capital stock will be \$40,000 but what part will be paid up we have not learned. The location will most likely be at the other end of town. Two banks will draw business from a greater distance than one and the town ought to be greatly benefited thereby. Then there is always room at the top in any business. Let us have the bank by all means.

The Musicians.

Those who arrived at the college a little late last Tuesday evening were surprised to find there were so many who had arrived ahead of them. By the time the exercises began the house was not simply packed, but it was jammed. Every seat was full and standing room was at a premium. The program had been well prepared by Miss Howard and the exercises were well received. It is difficult to arrange for a first class musical treat while new students are entering the class at the beginning of each term, but

the public generally are aware of these facts and exercise judgment in their criticisms. The fact is these musicals are held very largely for the benefit students getting from appearing in public and thus getting the drill that must come sooner or later. The following was the program:

Chorus, "Let Every Heart Rejoice and Sing."

Vocal Duett, "Music and Her Sister Song." Misses Jessie Cox and Ada E. Howard.

Chorus, "Hail, Holy is the Lord!" Instrumental Duo, Mrs. Hadley and Miss Laura Brutscher.

Chorus, "God is With His People." Solo, "That Melody Divine," Miss Lillian C. Smith.

Chorus, "Shall I Receive a Welcome Home?"

Recitation, "A Child's Dream of a Star," A. A. E. Howard.

Solo, "The Old Sexton," W. T. Macy

Chorus, "Dreaming or Waking." Trio, "Virginia Rose."

Recitation, Representation Mary, Queen of Scots.

Duett, "O Yah, Don't Dot Vos Fine," Miss Hammett and Master Everett Weesner.

Chorus, "Mother's Songs," Our Boys.

Solo and Chorus, "Accept the Promise, Just as I Am."

Quartette, "Good Night, Beloved," Messrs A. E. Weesner, W. S. Kirk, E. O. Hobson, W. T. Macy.

Chorus, "God Be With You."
