ITS GENERAL EXCELLENCE.

Two Boys Indicted for Murder—Fresno People Want Tramps Put to Work—Etc.

Oregon's potato crop is very large. The Pacific division of the Northern Pacific is preparing to make faster time.

German and American stockholders are looking over the Southern Pacific lines in California.

Persons seeking employment at Mare Island must register, in application not eligible for work one year after the date of his registration.

One of the Supreme Court Judges in Nevada is ill, and the other two are in a deadlock over a question as to whom a note for \$2,000,000 for payment.

The recently smuggled Chinese captives near Olympia paid \$80 apiece to be safely landed in this country.

Chris Evans has made a formal request of the District Attorney and Sheriff of Fresno to be allowed to attend the theater when the play of "Evans and Sonntag" arrives in Fresno.

Work on the San Diego and Phoenix road has been discontinued, owing to the want of the necessary funds to carry it on.

The Merrimac river is said to propel more machinery than any other American stream.

An Englishman has patented a submarine gas stove for heating the water in bath tubs.

Over 130,000 motherless chickens are daily turned out by incubators in the New England States.

The inventor of the rubber tip for lead pencils is said to have realized \$100,000 for this apparently trifling device.

The latest labor-saving machine cleans fish. Now, if there were only one to catch one, the angler's outfit would be complete.

Averaging the whole country, there are 2,000,000 chickens per square mile; in New England there are twelve cows per square mile.

Steel has been in use for ship-building only fourteen years, yet it is estimated that 90 per cent of the vessels built over 2,000,000 pounds enter into the daily bread of the people of this country, while double this amount is used in Europe.

Pens can be made out of eight metals—steel, brass, copper, gold, silver, platinum, amalgam and aluminum.

PERSONAL MENTION.

Georgia Cayvan has a fad for collecting fancy pins; she has some that were made in the time of Queen Bess.

A bauble which hangs in Miss Helen Goble's drawing-room is a Japanese crystal, and stands somewhere in the neighborhood of \$7,000.

Senator Allen of Nebraska is 6 feet 3 inches in height and of robust frame.

Lord Leicester has had two wives, and his eighteenth child was born a few days ago.

Dr. William Elliott of New Haven, Ky., is 96 years old, but on the occasion of a concert at his house a few evenings ago he took up his violin and played the music for the first quadrille.

One-fourth of the Board of Trustees of the Peabody Educational Board (sixteen members) has died this year—Senator Gibbs, Louisiana; ex-President Hayes, Ohio; Drexel and Hamilton Fish, New York; Rev. Henry Vrooman, who assumed charge of a Swedish church in Baltimore, is one of five brothers, all of whom are clergymen. Three of them are Congregationalists and the other a Baptist.

Captain Marshall Russell, one of the oldest pioneers of the Pacific Coast, who crossed the plains with one of the first exploring expeditions and was a Mexican war veteran, died at the Bay View Hotel in Gold Beach.

Sir Arthur Sullivan during his summer residence at Welbridge has progressed so satisfactorily with the comic opera, which he is composing for the Savoy, that "Polyotte" has already put the work into choral rehearsal.

Dr. Ella Z. Chandler of St. Paul was unanimously elected a member of the Minnesota State Dental Association at its late meeting in that city.

Dr. J. Irving Manatt, who was elected professor of Greek literature at Brown University last year, returns this autumn from his four years' residence in Athens to begin his duties.

Dr. J. Irving Manatt, who was elected professor of Greek literature at Brown University last year, returns this autumn from his four years' residence in Athens to begin his duties.

INDUSTRIAL ITEMS.

In Paraguay all the field work is done by hand.

As a rule European railroads have no grade crossings.

Eight thousand banks still do business in this country.

Americans smoke more than 2,000,000,000 cigars annually.

Over 2,000 cars are used on the street railroads of New York.

Nearly 1,800 men are employed by the New York custom-house.

Funerals in the United States cost upward of \$25,000,000 a year.

Sheep and deer will be raised on a 1,000-acre farm at Halifax, Vt.

One hundred thousand seals represent the catch for the season of 1893.

About \$50,000,000 of American capital finds employment in Mexico.

The estimated cotton crop for 1893 is 6,717,124 bales, the smallest since 1868-70.

Silver agitation in the United States has not affected the Mexican silver market.

Land is tilled with the same kind of a plow in Egypt that was used 5,000 years ago.

It takes 5,000 of the kind of chickens that are raised in Kansas to make a car-load.

The property valuation of New York city has increased \$600,000,000 in twelve years.

Over 80,000,000 eggs are estimated to be used every year by wine clarifiers in France.

Figuring corn at 40 cents a bushel, the American crop was worth in 1892 \$52,000,000.

The wine crop of this country, it is estimated, will exceed 20,000,000 gallons this year.

The world's supply of diamonds is twice as great as it was thirty years ago.

Lloyd's reports 1,008 vessels lost in 1892, of which 249 were British and 120 American.

The Merrimac river is said to propel more machinery than any other American stream.

An Englishman has patented a submarine gas stove for heating the water in bath tubs.

Over 130,000 motherless chickens are daily turned out by incubators in the New England States.

EASTERN NEWS.

Hop Crop of Central New York Excellent.

COLUMBIAN SOUVENIR COINS.

Liberia to be Aided by the United States Against French Aggression—Bicycles.

Cow cholera is raging near Corunna, Mich.

Kansas' corn crop this year will be 130,000,000 bushels.

New York is now sending out more foreigners than she receives.

Wholesale removal of pension agents is expected in the near future.

The bees around Waterford, Mich., are dying of an unknown disease.

Texas reports that the pecan crop this season will be the finest in many years.

The German Catholic Central Society of North America is in session at St. Louis.

Governor Waite will call an extra session of the Legislature of Colorado in a short time.

Attorney-General Olney has decided that bicycles are entitled to free entry as personal effects.

French Canadians are returning to Canada in large numbers from the New England States.

The World's Fair has nearly paid off its floating debt and largely reduced its other liabilities.

The New York Central is going to withdraw the "exposition floor" at the close of the fair.

A cucumber weighing fifty-two pounds, raised by a Houston-county farmer, has been sent to St. Louis.

Treasurer Barrett Scott, who stole \$104,000 from Holt county, Va., has been arrested at Juarez, Mexico.

Wisconsin's World's Fair Commissioners have spent \$143,000, and the people are asking: "Where is it at?"

Saloonkeepers are not allowed to do business in the Cherokee Strip until they have formally taken out licenses.

It is estimated that the Georgia melon crop this year amounts to \$550,000.

About 8,000 carloads have been shipped.

It is proposed to have a national dedication of the Chickamauga and Chattanooga National Park October 17 and 18, 1894.

Reports of murders in the new Cherokee Strip are frequent. The causes are attributed to the final settlement of claims to land.

Boston has issued \$1,000,000 6 per cent bonds for improvement purposes.

There has been a remarkable revival of interest in the "abandoned farms" of New England since so many mills closed their doors.

The financial situation at Vicksburg, Miss., has improved that the banks have ceased to issue certified checks to be used as currency.

Congress will possibly ask Secretary Gresham for the correspondence with the Chinese government on the extradition and registration laws.

The Columbian souvenir coins, which it was anticipated would be hoarded by people of a patriotic turn, are rapidly drifting back to the Treasury.

Emma Goldman, the anarchist in jail in New York city for inciting riot, is prepared to plead her own case. She says she needs no help from anybody.

South Carolina's liquor laws seem to be financially a failure. Instead of turning \$500,000 into the State Treasury it is not likely to yield more than \$25,000.

Work on the great bridge over the Mississippi river at New Orleans will commence at an early date, the engineers having finally decided on the exact location for it.

The city of St. Louis has sent a representative to Europe to float \$1,250,000 of her municipal bonds. She did a similar thing in 1890, and got out with 4 per cent interest.

A representative from Liberia complains at Washington that France has absorbed some of its territory, and goes back with assurances that the United States will render aid.

The hop crop of Central New York, now largely harvested, is unusually excellent in quantity and quality, the yield being estimated at 140,000 bales, against 125,000 bales last year.

The employees of the textile mills in Philadelphia and vicinity have prepared a petition to Congress to refrain from making any alterations in the tariff so far as it affects the textile industry.

Warden Chase of the Kansas penitentiary says that the number of prisoners is rapidly decreasing. The number is 100 less than it was last spring, and is falling off at the rate of forty a month.

Miss Minnie C. Rankin is joining James R. Keene at New York for \$20,000, half of which she says he received to invest for her and made no accounting, and the other half is for her services from 1883 to 1889.

A pensioner of Clearfield, Pa., who signed a patent medicine testimonial certifying that he had recovered his health through a use of the preparation, finds his pension stopped on the strength of the certificate.

Cornelius Ryan of Waltham, Mass., found in a railroad station four years ago a wallet, which he returned to the owner, whose name and address were among the papers it contained, and recently found himself named for \$2,000 in the man's will.

Charles T. O'Ferrall, whom the Democrats have nominated for Governor of Virginia, is a native of Frederick county, and is 52 years of age. He enlisted before he was 21 in the Confederate cavalry, and in the surrender of General Lee was in command of his cavalry detachments, being at that time a Colonel.

The House Committee on Territories has considered the bill providing for the admission of Utah as a State, and it will be reported to the House in the near future with the recommendation that it pass. A provision is inserted in the bill requiring that the constitution adopted by the State prohibit polygamy.
