Arlington, Or., July 20. — Word was received here today that the town of Lone Rock was almost wiped out yesterday by fire. The whole business portion of the town went up in smoke, and nothing remains but a few dwellings in the outskirts of the town. Lone Rock is on Long Creek, in Gilliam county. It is twenty-six miles southeast of Condon, the county seat; sixty miles from Arlington, which is

its shipping and express station, and thirty-five miles from Heppner, its banking point. There is a stage to Arlington and a daily mail. The town was started in 1870.

Cleveland, O., July 20.-Several lives were lost in an accident which occurred about 7:30 tonight on an old river-bed near the ore docks of the Cleveland & Pittsburg Railroad Company. The ore handlers had just quit work for the day, and were waiting their turn to cross the branch of the river on the flat-bottom ferry-boat which they had provided for this purpose. When it was about half way over, the frail craft was swamped by the wash from a passing steamer, and it began to sink. The first report of the accident placed the number of dead at twenty-two, but that proved to have been an exaggeration. Fourteen bodies have been taken from the water.
