Although it was quite warm last Sunday afternoon a large company of people gathered at the cemetery to witness the unveiling of the monument erected at the grave of S. J. Everest by the Woodmen. After the usual ceremonies had been completed Rev. G. H. Bennett delivered an address which was listened to with close attention. The graves of other deceased members of the order were decorated with flowers, the ladies of the Circle assisting.

Bad management keeps more people in poor circumstances than any other one cause. To be successful one must look ahead and plan ahead so that when a favorable opportunity presents itself he is ready to take advantage of it. A little forethought will also save much expense and valuable time. A prudent and careful man will always keep a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the house, the shiftless fellow will wait until necessity compels it and then ruin his best horse going for a doctor and have a big doctor bill to pay, besides; one pays 25 cents, the other is out a hundred dollars and then wonders why his neighbors is getting richer while he is getting poorer. For sale by C. F. Moore & Co. druggists.

Lin Parker never prided himself on being a very brave bee man but he concluded to try his hand at hiving a swarm of bees one day last week when a swarm came out and settled on a limb in the yard. He gave his face and hands good protection and bravely waded in and was getting on nicely, after shaking the little hummers down in front of the hive, when he discovered that his ankles had been forgotten and that a hundred or more busy bees were looking up his pant legs for the queen bee. It was a very public place he was in but Lin says he parted with his garments at a rate that would do credit to a trained stage performer who changes his apparel between acts and his lower extremities were soon all the same as undressed kid. He got the bees hived though.

AT THE NEWBERG CHURCHES.

What the Pastors said—Announcements for Next Sunday.

CHURCH ANNOUNCEMENTS.

Next Sabbath will be college day at the Friends church. In the morning at 11 o'clock the baccalaureate address will be given by the pastor, Rev. Chas. E. Lewis. Subject, "Our Opportunity." In the evening at 8 o'clock the address to the Christian Association of the college will be given by Rev. G. H. Bennett. Subject, "The Twentieth Century Youth." All cordially invited to these services.

METHODIST EPISCOPAL CHURCH.

"And we know that to them that love God all things shall work together for good," was the text of the morning sermon.

God certainly assures all who love him the highest good in spite of the present besetting evil. He actually places a premium upon Godliness, for it will secure to us the higher spiritual welfare and the lower temporal well being. This text is not a mere promise but is a broad general law affecting the temporal and spiritual life of the individual and the church. According to this law Godliness reduces the ills of life to a minimum. There is no clash between this law and the decrees of God which entail labor, pain, and death upon humanity, nor must we suppose these rewards of Godliness are bestowed by miraculous intervention of God. They result from the operation of God's law. Godliness promotes our temporal good because it promotes man's faith in man, it promotes those sciences and arts which lighten human burdens and lessen threatening dangers Godliness promotes peace and safety and these promote knowledge and prosperity. In heathendom the woes of life are at their maximum while in christendom they are nearing their minimum. The average Christian is better fed, better clothed, better housed and better able to make a living than the average heathen. He is better educated, has a wider range of thought, is freer from predjudice, fanaticism and superstition, is better protected against famine and pestilence, is actuated by loftier sentiments and purer motives, and leads a more peaceful, hopeful, and joyful life than the heathen. The most intelligent, powerful, happy, and progressive nations are those most thoroughly Christian. The superiority of christendom over heathendom nicely illustrates the effectiveness of this law of Godliness.

The contrast between the average Christian and sinner in a Christian land where both reap the material benefits of Godliness, naturally is much less marked. The spiritual blessings accruing from Godliness are of greater value for they are of eternal value Even in Christian lands the godly have a great advantage over the ungodly, not that their woes are any less or their business success any greater, but because in harmony with the laws of God their burdens and misfortunes turn to their spiritual good.

In Honor of the President!

President McKinley is given the unique distinction of having a number of a woman's magazine named for him and prepared in his honor. The July issue of the Ladies Home Journal is to be called "The President's Number." It will show the President on horseback on the cover, with the President's new "fighting flag" flying over him; a new march by Victor Herbert is called the "The President's March"; the state department has allowed the magazine to make a direct photograph of the original parchment of the Declaration of Independence, while the President's own friends and intimates have combined to tell some twenty new and unpublished stories and anecdotes about him which will show him in a manner not before done. The cover will be printed in the National colors.

The successful contestants in the athletic field meet at Salem last Saturday will go to Portland on Saturday and will contest for honors with a track team made up from the various colleges in the state of Washington. The Southern Pacific will make a rate of $1.35 for the round trip from Newberg provided twenty tickets are sold and the evening train will be held an hour at Portland in order to give time for those who attend the meet to reach the train. Redmond, Kenworthy, Hobson and Heater will represent Pacific College in the contest and it ought to be easy to get twenty-five to go from Newberg.

George Hardwick has sold his second hand furniture stock to Peter Bashaw and Albert Lapine who came from Wisconsin a short time ago. Mr. Hardwick says he thinks he will take a look at the country in Eastern Oregon and Washington.

The attention of men and boys who are prone to want to kill the feathered songsters is called to an article in this issue, taken from the Evening Telegram. There are parties in Newberg who are ready to prosecute those who kill our birds. Let all take warning.

Children's day exercises were held in Friends church last Sunday evening. A good program, consisting of music and recitations was rendered, much to the edification of a large crowd in attendance.

Mrs. Wm. Cattanach, of Snow, Wisconsin, arrived here last Saturday evening unannounced and took her sister, Mrs. J. W. Barrie, completely by surprise. She will probably remain during the summer.

Attention is called to an article in the Graphic this week from the pen of C. E. Lewis on gambling. It is commended to all for careful reading.

The proposition of an excurson up the Columbia on the 4th of July has assumed such definite proportions that it can be promised as a certainty.

Several of the boys went up to McMinnville last Tuesday to witness the final round up of the election.

It has been splendid ice cream weather this week but it is quite depressing on defeated candidates.

L. M. Parker was in McMinnville last Tuesday on business before the county court.

Athletic Meet at Salem.

The college athletic field meet at Salem on last Saturday which was participated in by the University of Oregon, Willamette University, the Oregon Agricultural College, the State Normal School of Monmouth, and Pacific College of Newberg, was well attended.

From the Statesman the following notes were gleaned.

The day had its distinct victories, and their achievement was the universal signal for an outburst of genuine college enthusiasm by the groups with the deepest interest. Some records were broken, the new ones being welcomed by perfect spasms of delight by the entire assembly, without reference to the school that broke the old.

The intercollegiate records were smashed in the following events: Half-mile run, 440-yard run, 220-yard dash, broad jump, pole vault, and hammer throw, and Northwest standards were set aside for new ones in the 440-yard run and the 220-yard dash.

The men that did the overthrow of old scores were: Kenworthy, P C, who cut the half-mile run time (state) 0:1-5;

Redmond, P C, who took two seconds from the 440-yard time, breaking both records;

Kuykendall, U O, who lowered both fixed scores in the mile run, besides adding one half-inch to the intercollegiate broad jump distance.

Heater, P C, who tacked a couple of inches on the pole vault score made last year for the state.

Smith, U O, who piled up seven feet and ten inches on the hammer throw distance made for Oregon last year.

Following are the score summaries in track and field events as they came off:

Half-mile run—Kenworthy, P C 1st; Wilkins, W U 2nd; Kuney, U O 3rd. Time 2:05.

100-yard dash—Crawford, O A C 1st; Kuykendall, U O 2nd; Guiss, W U 3rd. Time 0.10 2-5.

Mile walk—Huffman, O A C 1st; Stavall, O A C 2nd; Hemenway, U O 3rd. Time 8:32.

220-yard hurdle—Kuykendall, U O 1st; White U O 2nd: McBride, O A C 3rd. Time 0.27

440-yard run—Redmond, P C 1st; Williams, W U 2nd; Stiles, O A C 3rd. Time 0.51.

Mile run—Read, U O 1st; Colt, O A C 2nd; Wilkins, W U 3rd. Time 4:59 2-5.

220-yard dash—Kuykendall, U O 1st; Crawford, O A C 2nd; Redmond P C 3rd. Time 0.22 2-5.

Two mile bicycle—Scott, U O 1st; Beatty, W U 2nd; Bradley, U O 3rd. 5.32.

120-yord hurdle—White U O 1st; Kuykendall, U O 2nd; Heater, P C 3rd. Time 0.18 1-5.

Broad jump—Kuykendall, U O 1st; Guiss, W U 2nd; Buckingham, W U 3rd. Distance 20 ft 6½ inches.

Shot put—Sanders, W U 1st; Smith, U O 2nd; Wagner, U O 3rd. Distance 39 feet.

Pole vault—Heater, P C 1st; Hobson, P C 2nd; Senders, U O 3rd. Distance 10 feet.

Hammer throw—Smith, U O 1st; Elgin, O A C 2nd; Bodine, O A C 3rd. Distance 111.01.

High jump—Buckingham, W U 1st; Sanders, W U 2nd; Heater P C, and Knox U O, tied on 3rd, (to draw for medal). Distance 5 ft 4 in.

The summaries of the winnings by colleges, shows the folllowing points scored by each:

University of Oregon—The championship silver cup (a second victory) and the following medal trophies: Seven firsts, four seconds and flive and one-half thirds, or forty-eight and one-half points in all.

Willamette University—Two firsts, five seconds and three thirds, or twenty three points in all.

Oregon Agricultural College—Two firsts, four seconds and three-thirds, or twenty-one points for a total.

Pacific College—Three firsts, one second and two and one-half thirds, or nineteen and one-half points altogether.

The aggregate of points in the big display was 112. The Oregon state Normal team of Monmouth did not get a marker of any sort, and the boys did some hard work, too. It wasn't their year apparently. It was the "U of O" year and by "hook or crook" and the good second of "old Willamette" was only achieved by the boldest scrutiny of her men and officers.

The result financially of the field meet was very successful. The amount accruing to each college after paying the expenses of the meet was nearly sufficient to pay the traveling expenses of the visiting teams.

At the meeting of the executive committee in the parlors of the Y. M. C. A. all bills were ordered paid and the business affairs closed for the year.
