EVACUATION OF CUBA.

Will Not Be Completed in Less Than Five Months.

Havana, Sept. 20 .- Rumors that have been put in circulation to the effect that General Wade, president of the evacuation commission, is ill with vellow fever, may be denied absolutely. General Wade is looking the picture of health. The general health on board the steamer Resolute is good.

An official meeting of the Spanish commission was held last night to consider the form of evacuation by the Spanish troops and with the object of acquainting the Americans with the positions and numbers of the Spanish soldiers, and the best method of embarking them.

This afternoon there were sent on board the Resolute sealed documents supposed to contain the statement of the results of last night's conference. It is understood that it is proposed to start the evacuation from east to west, embarking the troops at the points of max to the negotiations with Argen- At the coming meeting of rebel lead- Gibara, Nuevitas, Cienfuegos and Ha-

The official statement of the number of Spanish soldiers in the island is said to place the aggregate at 100,000, and it is understood that it is proposed that the men carry with them their arms, ammunition, material and equip-

It is estimated that the end of February will have come before the evacuation of the island is completed. The soldiers must embark in Spanish vessels. It is suggested that this will be an advantage to both countries, the United States having an opportunity to acclimate its men during the winter months, and it is proposed that the American government shall land troops to occupy each port simultaneously with its evacuation, not leaving any

post unguarded at any time. A difference of opinion between Cuban and a Spanish officer in a prominent cafe here this morning resulted in an exchange of abusive language and a free fight followed. The disturbance was promptly quelled by the police, and the ringleaders were arrested. The disorder is said to have

been provoked by the Cuban. A secret meeting of the officers of the Spanish warships now in port was held at the governor's palace. The object of the meeting is supposed to Spanish peace commissioners. have been consideration of the question of returning to Spain, which vessels and a portion of the armament should be taken and which left.

Eruption of Vesuvius.

Naples, Sept. 20.-A state of gloomy apprehension prevails among the population regarding the eruption of Vesuvius, which is hourly becoming more changed their plans, and instead of active and menacing. Streams of lava svacuating all the suburbs of Manila, are spreading in every direction. The most threatening of these flows through the Vedrino valley, which is almost filled. The observatory, which originally stood at a height of 610 meters, is are now so strong that such a course now only 27 meters above the sea level. owing to the sinking of the ground. Seven new craters have formed around the central one, and this has not tended to diminish the fears formerly felt, which were based upon the eruption of

navy in the matter of coaling and naval the period of time required by regulamand. Secretary Long has decided to assign Captain Evans to duty as a member of the naval inspection board.

The next commander of the Iowa are withheld until the queen regent will be Captain Silas Terry, of the rehas given her approval. Duke Almo- ceiving ship at the Norfolk navy-yard. He will take the ship around South America and over to Honolulu in company of the Oregon and some colliers. It is said at the navy department today that the orders to the battle-ships have not yet been issued, and that when they are, they will ultimately proceed to join Dewey's fleet at Manila, if it should be deemed expedient to reinforce him. But as the journey around South America will occupy nearly four months and many changes in the situation as to the Philippines may be expected to occur before the expiration of that period of time, it can-not be certainly foretold whether or not the Orergon and the Iowa will ever

reach Manila. When attention was called to the possibility of the dispatch of reinforcement to Dewey being regarded as a technical violation of the truce now pending, it was said at the navy department that that matter would probably be adjusted before the ships reached Honolulu by the action of the peace commission at Paris. Should this not be the case, however, it will be easy to intercept the ships at Honolulu by a run from San Francisco in a week.

American and German Forces. New York, Sept. 17 .- A special to Leon XIII.
