"The Merchant of Venice" given by Mr. Wells at the college on last Monday evening under the auspices of the Y. M. C. A. was the best thing for the money ever given in Newberg. There was a very good audience out on Monday night and his reading was well received. Many who had little interest in reading Shakespeare before will now get a copy and read "The Merchant of Venice" with renewed interest.

MARIS AT YAKIMA FAIR.

Morrow County's Short Horns Make a Clean Sweep at North Yakima.

Mr. N. C. Maris our enterprising Shorthorn cattle raiser and champion, returned from Washington state fair Wednesday morning bedecked with blue ribbons, his champion herd of Short-horns having swept the honors from all competitors, among which were the famous Ladd herds from Portland. In consequence Mr. Maris is highly elated, and has proceeded to 'the Dalles agricultural fair with his prize winners. Following are a list of his honors:

First prize on bull, 3 years and over. First prize on cow, 3 years and over. Second prize on 2 year-old heifer. First and second prizes on heifers under 2 years-old. First and second prizes of sweepstake prizes on best female of any age. Three herd prizes.

In all his prizes outnumbered those received by the Ladd herd two to one.

Mr. Maris' intelligent efforts and success brings Morrow county prominently to the front, and it should be the disposition of our local stockraisers to lend him all the encouragement possible.

Beyond a doubt there is a dawn of prosperity awakening for our county, and through the efforts of enterprising stock raisers and agriculturists can our population be increased thereby enhancing land, stock and business interests. Let us all stir our energies in this direction.—Heppner Gazette.

An Editor's Daughter's Dolls.

The editor of Harper's Magazine, Mr. Henry M. Alden, has a daughter who has made a collection of over 100 dolls, each doll representing a different nation and being made in that country. The collection is considered to be the most unique and finest of its kind in existence. Miss Alden is now to show the world her dolls, and explain them, and in the next issue of The Ladies' Home Journal she will show pictures of the first twenty. In following issues she will show the others.

Three Doctors in Consultation.

From Benjamin Franklin.

"When you are sick, what you like best is to be chosen for a medicine in the first place; what experience tells you is best; to be chosen in the second place; what reason (i. e., Theory) says is best to be chosen in the last place. But if you can get Dr. Inclination, Dr. Experience and Dr. Reason to hold a consultation together, they will give you the best advice that can be taken."

When you have a bad cold Dr. Inclination would recommend Chamberlain's Cough Remedy because it is pleasant and safe to take. Dr. Experience would recommend it because it never fails to effect a speedy and permanent cure. Dr. Reason would recommend it because it is prepared on scientific principles, and acts on nature's plan in relieving the lungs, opening the secretions and restoring the system to a natural and healthy condition.
