How to Prevent Croup.

We have two children who are subject to attacks of croup. Whenever an attack is coming on my wife gives them Chamberlain's Cough Remedy and it all ways prevents the attack. It is a household necessity in this country and no matter what else we run out of, it would not do to be without Chamberlain's Cough Remedy. More of it is sold here than of all other cough medicines combined.—J. M. Nickle, of Nickle Bros., merchants, Nickleville, Pa.—For sale by C. F. Moore & Co. druggists.

The Fair.

The weather broke the record during the fair this season as it was all that could be asked from start to finish. The attendance on Thursday was very good, but on the other days it was rather small.

Farmers were very busy seeding and as the ground had been too damp for this kind of work for some time they could not afford to stop for the fair.

The receipts were as satisfactory as could be expected, considering all the circumstances, the premiums will be paid in full, and this is without state aid. This is more than many fair associations of much greater pretensions have been able to do this year, which is cause for gratification on the part of the directors.

Three Doctors in Consultation.

From Benjamin Franklin.

"When you are sick, what you like best is to be chosen for a medicine in the first place: what experience tells you is best, to be chosen in the second place: what reason (i. e., Theory) says is best to be chosen in the last place. But if you can get Dr. Inclination, Dr. Experience and Dr. Reason to hold a consultation together, they will give you the best advice that can be taken."

When you have a bad cold Dr. Inclination would recommend Chamberlain's Cough Remedy because it is pleasant and safe to take. Dr. Experience would recommend it because it never fails to effect a speedy and permanent cure. Dr. Reason would recommend it because it is prepared on scientific principles, and acts on nature's plan in relieving the lungs, opening the secretions and restoring the system to a natural and healthy condition. For sale by C. F. Moore & Co.
