Grain out through the valley is growing nicely and bids fair for a good crop. Spring grain seems to be looking unusually fine as it covers the ground well in many fields and is of a deep, rich, green color. On the whole, grain farmers have little grounds for complaint at the present outlook for good crops.

George Christenson was in town Wednesday morning taking a little lay off from work on his farm up the valley, all of which he is giving a summer fallowing this season. It would save the traveling public a great deal of trouble if the city authorities would erect a friendly guideboard at the intersection of First street and the Dayton road, indicating the direction and the distance to Middleton, Sherwood and Portland to the north-west and the various towns up the valley to the southwest. Strangers are often at a loss to know "where they are at" when they reach this point.

It is a discovery surpassing anything yet known to the medical profession. C. F. Moore & Co.

The new law taxing sheep two cents a head and all real and personal property a quarter cent to provide a fund for scalp bounty will raise over \$200 in Yamhill county. The county doesn't pay out for scalps each year to exceed \$15 or \$20, consequently it would appear like an unjust tax on valley counties. If the law contained a provision whereby the excess tax would revert to the county treasury, it would certainly be a more equitable law.—Reporter.

4 Discovered by a Woman.

Another great discovery has been made, and that too, by a lady in this county. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking the first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz. Thus writes W. C. Harnack & Co., of Shelby M. C. Trial bottle free at C. E. Smith's drug store. Regular size 50c. and \$1.00. Every bottle guaranteed.
