Reflected impurities in your blood will sow seeds of disease of which you may never get rid. If your blood is even the least bit impure, do not delay, but take Hood's Sarsaparilla at once. In so doing there is safety; in delay there is danger. Be sure to get only Hood's, because

Portland to the East.

Effective September 1st, the Rio Grande Western Railway will put on its fourth popular tourist excursion car from Portland to the East. This car will run via the Colorado Midland, Chicago, Rock Island & Pacific and Chicago, Milwaukee & St. Paul roads, and will leave Portland every Friday, spend the second day (Sunday) at Salt Lake City, "the City of the Saints," and then go through to Chicago via Colorado Springs and Omaha, without change. The other personally conducted tourist excursions leave Portland: Monday, via Kansas City and the Missouri Pacific and Chicago & Alton roads; Tuesday, via Omaha and the Chicago, Rock Island & Pacific, and Wednesday, via Omaha and the Burlington roads. All of these cars are cut out for the day at Salt Lake City, giving all passengers a daylight stopover in the Mormon capital, thus ensuring them a ride by daylight through the heart of the Rocky Mountains. The cars leaving Portland Monday, Tuesday and Wednesday run over the Denver & Rio Grande tracks. This gives the passengers from the Pacific Northwest the chance of crossing the Rockies via Tennessee, Marshall or Hagerman Pass.

An Excellent Combination.

The pleasant method and beneficial effects of the well known remedy, **STURP OF FIGS**, manufactured by the CALIFORNIA FIG SYRUP CO., illustrate the value of obtaining the liquid laxative principles of plants known to be medicinally laxative and presenting them in the form most refreshing to the taste and acceptable to the system. It is the one perfect strengthening laxative, cleansing the system effectually, dispelling colds, headaches and fevers gently yet promptly and enabling one to overcome habitual constipation permanently. Its perfect freedom from every objectionable quality and substance, and its acting on the kidneys, liver and bowels, without weakening or irritating them, make it the ideal laxative.

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants, by a method known to the CALIFORNIA FIG SYRUP CO. only. In order to get its beneficial effects and to avoid imitations, please remember the full name of the Company printed on the front of every package.

BEST TRADE EVER KNOWN.

Astonishing Increase Over That of Last Year Is Shown.

The R. G. Dun & Co.'s weekly review of trade says: Nothing is more eloquent than the facts. Actual payments through the principal clearing-houses were 23 per cent larger than last year and 66.2 per cent larger than in the same week in 1922. For the month thus far, the daily average of payments is 28.3 per cent larger than last year and 56 per cent larger than in 1922.

Iron works which supply Pittsburgh are sold up far into 1930, and can do nothing, though prices much beyond those which they received are paid by those who must have iron this year. The enormous demand for more railroads and more rails and cars, more vessels, warehouses and buildings to handle the extraordinary business in progress cannot be met as quickly as men would like, and work of all sorts is delayed, from the biggest war vessel to the smallest factory.

Western receipts of wheat no longer keep up with the extraordinary movement a year ago, falling 1,800,000 bushels behind for the week, but for four weeks have been 15,367,414 bushels, against 14,354,621 bushels last year. Atlantic exports were slightly larger than last year, and in four weeks, 11,421,332 bushels, flour included, against 11,737,285 bushels last year, while Pacific exports have been 332,024 bushels for the week, and in four weeks, 1,683,353 bushels, against 1,531,954 bushels last year.

Failures for the week have been 163 in the United States, against 179 last year, and 16 in Canada, against 26 last year.

The Remorse of a Guilty Stomach

Henry McEllan, of Hamilton, Ill., is a veteran of the 10th Illinois Infantry. He is much reduced in flesh and strength and unable to attend to business. Finally his wife persuaded him to try Dr. Williams' Pink Pills for Pale People and to his surprise he began to get better. Three boxes effected a cure that has been permanent. When I began to take the pills I weighed 135 pounds; now I weigh 165. These pills did me more good than all the other medicines I have ever taken.

Subscribed and sworn to before me this second day of December, 1927.

String Beans Stewed in Butter.

Prepare the beans as usual, parboil them, then put them on in just enough new boiling water to cover them, and add as much butter as you would use in dressing them to serve. Let them cook in the water and butter for two hours, adding water as it boils away. Pepper and add salt to taste, add a little milk if preferred, and you will have a dish, fit not only for a king, but for the independent American citizen who pays his way as he goes.—Housewife.

Largest Bust on Record.

The bust of Sir Joseph Paxton, the architect of the famous Crystal palace in London, is now being moved from its old position on the terrace to the parade. The work of moving it is much like that of moving a house, for the bust is one of the largest ever made. It was completed in 1869, and stands over nine feet in height. Sir Joseph Paxton was born in Bedfordshire in 1803, and was knighted for his services in designing the Crystal palace. He died in Sydenham in 1865. His plan for the Crystal palace was accepted after 233 other plans had been declined. He also won fame as a landscape gardener and architect, and was elected to parliament as a liberal.—Chicago Tribune.

DEAFNESS CANNOT BE CURED

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation be taken out and this tube restored to normal condition, hearing will be destroyed forever; none case out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

PE-RU-NA

FOR WOMEN

The debilitating drains and discharges which weaken so many women are caused by Catarrh of the distinctly feminine organs. The sufferer may call her trouble Leucorrhoea, or Weakness, or Female Disease, or some other name, but the real trouble is catarrh of the female organs and nothing else.

Pe-ru-na radically and permanently cures this and all other forms of Catarrh. It is a positive specific for female troubles caused by catarrh of the delicate lining of the organs peculiar to women. It always cures if used persistently. It is prompt and certain.

The microbes that cause chills and fever and malaria enter the system through mucous membranes made porous by catarrh. Pe-ru-na heals the mucous membranes and prevents the entrance of malarial germs, thus preventing and curing these affections.
