Facts for Women

Any article, whatever its merit, must be made known to the public by means of advertising. Advertising, however, though it can do much for a thing, cannot do everything. It may create a sale for a time, but in order to insure a lasting demand the thing advertised must have solid worth.

This is the case with Lydia E. Pinkham's Vegetable Compound. It has solid worth.

Women everywhere have learned this fact, and the result is that there is a lasting and absolutely unequaled demand for it. It has the largest sale of any remedy for female ills in the world, and this has been the case for years.

The reason for this is that Mrs. Pinkham claims nothing that she is not entitled to claim. She can do all that she says she can do, and her twenty years of experience make her advice invaluable. Her experience has been not only long but world-wide, and she has helped more women back to health than any one else in the world. These facts should, and do, have immense weight with all sensible women. Remember these are not wild statements but solid facts.

Facts About the Good Being Done by Lydia E. Pinkham's Vegetable Compound in Cases of Change of Life, Bearing-Down Pains, Etc.

"I had falling, inflammation and ulceration of the womb; backache, bearing-down pains; was so weak and nervous that I could not do my own work; had sick headache, no appetite, numb spells, hands and feet cold all the time. I had good doctors, but none of them did me any good. Through the advice of a lady friend I began the use of Lydia E. Pinkham's Vegetable Compound, and after taking one bottle I felt greatly relieved, and by the time I had used several bottles was completely cured, so that I could do my work again. I am now passing through the change of life and using your Compound. It helps me wonderfully. I want every suffering woman to know what your medicine has done for me."—Mrs. W. M. Bull, New Palestine, Mo.

"Lydia E. Pinkham's Vegetable Compound saved my life and gave back a loving mother to eleven children, which was more than any doctor could have done or any other medicine in the wide world. My trouble was childbed fever. The third day after my babe was born I took a chill, which was followed by a high fever. I would perspire until my clothes were as wet as though dipped in a tub of water. The chills and fever kept up for three days. My daughter got me a bottle of your Compound. The fourth dose stopped the chills, and the fever also disappeared. My life was saved. My age at this critical time was forty-nine."—Lydia E. Bougher, Etna, Pa.

Facts About Two Cases of Falling of the Uterus Recovered by Lydia E. Pinkham's Vegetable Compound.

"I suffered for fifteen years without finding any relief. I tried doctors, but nothing seemed to do me any good. I had falling of the womb, leucorrhœa, pain in the back and head, and those bearing-down pains. One bottle of Lydia E. Pinkham's Vegetable Compound did me so much good that I sent for four more, also two boxes of Liver Pills and one package of Sanative Wash. After using these I felt like a new woman."—Mrs. G. A. Winter, Glidden, Ia., Box 220.

"I was suffering with falling of the womb, painful menstruation, headache, backache, pain in groins, extending into the limbs; also a terrible pain at left of womb. The pain in my back was dreadful during menstruation, and my head would ache until I would be nearly crazy. Lydia E. Pinkham's Vegetable Compound has given me great relief. I suffer no pain now, and I give your medicine all the praise."—Mrs. J. P. McSpadden, Rosenberg, Tex.

A Grateful Woman Recommends Lydia E. Pinkham's Vegetable Compound to Every Wife and Mother.

"I have taken eight bottles of Lydia E. Pinkham's Vegetable Compound with most gratifying results. I had been married four years and had two children. I was all run down, had falling of womb with all its distressing symptoms. I had doctored with a good physician, but I derived very little good from his treatment. After taking a few bottles of your medicine, I was able to do my work and nurse my seven-months'-old babe. I recommend your medicine to every wife and mother. Had I time, I could write much more in its praise. I bid you Godspeed in your good work."—Mrs. L. A. Morris, Welaka, Putnam Co., Fla.

"Dear Mrs. Pinkham—When I commenced the use of your remedies I was very badly off. Every two weeks I was troubled with flowing spells which made me very weak. I had two of the best doctors, but they did not seem to help me. They said my trouble was caused from weakness and was nothing to worry about. I felt tired all the time; had no ambition. I was growing worse all the time until I began the use of Lydia E. Pinkham's Vegetable Compound. I am now able to help about the house, and am much improved in health."—Mrs. A. Walker, Callicoon Depot, N. Y.

America sells nearly three times as much as she buys; Germany buys over £50,000,000 worth more every year than she sells; while Great Britain last year actually bought twice as much as she sold.

Commercial and Financial Happenings of Interest in the Growing Western States.

Letter From Nome.

E. W. Beachwood, of Tacoma, Wash., received a letter from R. J. Becker, at Nome, Alaska, in which he says:

"At present all lines of supplies, except dogs, are sufficiently plentiful. Lumber is $250 per 1,000 feet, and hard to get. Milk and cream low, and rice and ham 50 cents per pound. Fuel will be short. Dog teams have cleaned the river and beach already. One hundred pounds, or a single sack, of coal, when you can get it, costs $50.

"For profit, canned meats is a good staple, but not flour or sugar. Never in history has there been such stampeding. Bonanza district has been lit on as by grasshoppers, and now there is a grand rush for Koksadapagra.

"The big excitement is at Milk creek, 15 miles above Prince of Wales. York is attracting a big lot of attention, and good results are shown. Above Cape Rodney is the latest, called New Eldorado district, and it is surely good, along with a three mile free gold bearing ledge of quartz. The trail is hot with people for this district. There will no doubt be a big stampede for Norton creek, as $14 a pan is secured. Other creeks yield 10 and 15 cents at the surface.

"The beach is being worked with good results, and coarse gold at times shows up. Several $5 and $15 nuggets, and one worth $37, were found about one and a half miles up, and on top of the ground."

Bonded for $200,000.

What promises to be one of the richest mines in the whole Eastern Oregon district, and which heretofore has been practically unknown, was bonded today to Captain J. W. Heisner, of Baker City, for $200,000. The property is situated on Dixie mountain, near Quartzburg, at the head of John Day valley. It is named the Yankee Boy, and consists of a group of six claims. Several veins run through the property of high grade ore. The formation of the ledges is porphyry, slate, syenite, granite and phonolite. The property is well developed by tunnels and shafts, and the ore is found in hematite and quartz. There is plenty of water and timber, water right and mill site.

To Use Street Car Track.

The Lebanon, Or., paper mill company has purchased a mile of street car rails, that were obtained years ago for extensions of the street car system in Eugene. The extensions were never made. The rails will now be put to use in the yards of the paper mill at Lebanon. In addition to this, negotiations are pending between the same parties for the purchase of the street car system now in operation at Eugene.

Trout From Lake Michigan.

Tom Brown, superintendent of the Salmon river steelhead hatchery, and E. R. Greenman, deputy fish commissioner, left today for the hatchery site to begin work on the spring run. Mr. Greenman will remain there only a short time. Superintendent S. W. Downing, of the Clackamas hatchery, has received 100,000 trout from Lake Michigan, which he is feeding. These trout will be transplanted in Washington and Oregon waters. When full grown these trout weigh as much as 85 pounds.

The $15,000 necessary to establish a fruit cannery in Walla Walla has been subscribed.

A Umatilla county, Or., breeder has a Poland China sow whose offspring last year brought him $100. Her latest effort was a litter of 14 pigs.

The most unique wedding ever solemnized in Spokane occurred when Justice Leonard performed the ceremony uniting Tom Wing, a native of China, and Wennie, a native of Japan.

It is the opinion of many of our ranchers with whom we have spoken on the subject, says the Vale, Malheur county, Gazette, there will be considerable water during the coming season, in spite of the lack of snow in the mountains. They say that as the ground has not been frozen the rain and snow water has sunk, and this will feed the springs until late in the season.

L. Patnaud, who arrived the other day from Alaska, it is said, made a stake large enough to pay dividends to the several Everett citizens who joined in advancing him $50 each as a grub stake, at the rate of $1,350 for every $50.

While excavating at Fort Setvens recently for the new barracks, an old burying ground was discovered and several coffins unearthed. No one seems to now anything about this ancient burial place, and no mention can be found of it in the records at the fort.

W. W. Fish, a millionaire of Elmira, N. Y., and Professor B. F. Barge have leased 1,200 acres of choice lands on the Yakima Indian reservation at Simco station, and have a large force of men engaged in plowing and seeding. They propose making a great stock farm, in which alfalfa will form the basis of feeding several thousand cattle, sheep and hogs every winter for the early spring market.

A hole 600 feet deep has been drilled on the ranch of Alex Still, near Weston, Or. Some water has been obtained and it is expected that a good supply of water will be found at a little greater depth.

The sheepmen who have been using the mountains included in the Ranier forest reserve have been notified of the decision of the secretary of the interior that sheep and cattle will not be permitted to graze on the reserve this season.

The Southern Pacific Company has distributed 23 carloads of ties between Aumsville and North Santiam, and is putting its road-bed in first-class shape.

The Pacific Sheet Metal Works, the Puget Sound Mill Company and the Fairhaven Canning Company are suing County Treasurer Roeder, of Whatcom county, Wash., to have set aside taxes assessed against their properties as Fairhaven city taxes, alleging that they are located on the tide lands in front of, but wholly outside of the city limits of Fairhaven. The total amount involved is $1,266.82

ADVICES ARE CHEERFUL.

Trade Review Makes a Favorable Showing.

Bradstreet's says: Trade advices are, as a whole, cheerful, and the stretch of values is apparently unabated, though some soft spots still present themselves. A permanent feature this week has been the increase in strength of values of farm products, nearly all the cereals, pork products and cotton advancing, while materials for manufacture, and the products thereof, have generally remained steady or unchanged.

Manufacturers of shoes are busy and weather conditions have rather favored the retailer by enabling him to dispose of some carried-over stock.

Wool is fairly steady, but manufacturers are out of the market and concessions can be obtained, though London advices are better.

Southern iron advices are of steady prices, and of rather more inqury on export account. Except immediately in Chicago, where idleness of many thousands of men has cause dullness in the machinery and kindred trades, the Western iron situation seems a strong one.

Structural material is in better request and some very large contracts will shortly be placed.

Wheat, including flour, shipments of the week aggregate 2,277,450 bushels, against 2,280,578 bushels last week, 4,114,046 bushels in the corresponding week of 1899.

Business failures in the United States for the week number 190, as compared with 189 last week, 205 in this week a year ago, 233 in 1898, 233 in 1897, and 300 in 1896.

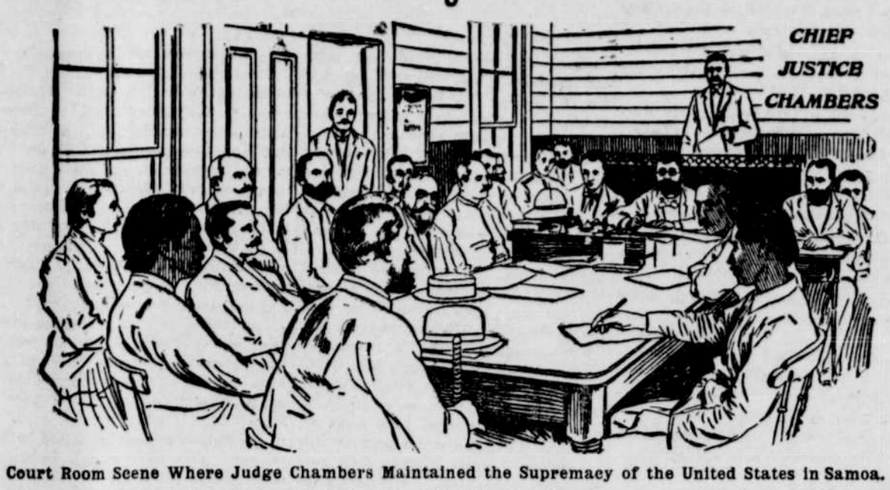
The Chief Justice of Samoa Says Peruna is The Very Best Catarrh Cure.



Court Room Scene Where Judge Chambers Maintained the Supremacy of the United States in Samoa.

In a recent letter to The Peruna Medicine Co., Chief Justice Chambers says the following of Peruna:

"I have tried one bottle of Peruna, and I can truthfully say it is one of the best tonics I ever used, and I take pleasure in recommending it to all sufferers who are in need of a good medicine. I can recommend it as one of the very best remedies for catarrh. W. L. Chambers."

A Significant Fact.

It is a significant fact that one of the first steps taken by General Wood on his return to Santiago, toward stamping out yellow fever, was to order the closing of all American bars and saloons in the city, and prohibiting the sale of strong drink to Americans.

Teeth Made From Paper

Are the latest in dentistry. By a peculiar process they are rendered better than any other material. ANOTHER FAST TRAIN.

The Rio Grande Western Railway' "The Great Salt Lake Route," has resumed its fast train services to the East, making the run from Portland to Chicago in three days and a half. No layover is necessary, and only one change of cars is made. Those who desire it have the privilege, however, of a daylight stopover either at Salt Lake City or Denver. Three daily express trains are run, leaving Ogden, Utah, at 7:15 a. m., and 1:15 and 7 p. m. The morning train carries a through standard sleeper to Chicago, via the Burlington Route, and the night train one via the Chicago, Rock Island & Pacific Railway. The tourist sleepers and chair cars run daily as formerly through from Portland to Denver. Twice a week tourist excursion cars are run through from Portland to Boston. All trains carry dining cars, making the trip across the continent, via "The Great Salt Lake Route," most desirable. The Rio Grande Western Railway is the only road running through Salt Lake City, and with its connections—the Denver & Rio Grande and the Colorado Midland—takes the passenger through the famous Rocky mountain scenery of Colorado.

DOCTORS INSIST that their patients use "5 DROPS" for **RHEUMATISM, KIDNEY DISEASE** etc. Read the following letters:

Swanson Rheumatic Cure Co.: When I wrote you for a sample bottle of "5 DROPS" my wife was suffering terribly from Rheumatism and was very discouraged, as I had tried everything the doctors prescribed, even sending her to Richfield Springs, etc. My doctor is very much surprised at the progress my wife is making, and she is so well that she refused to keep her seamstress and is now doing her own sewing. The doctors insist on her taking "5 Drops" and assure her that it is now only a matter of a few days and she will be entirely cured, and as we are very well known here, the "5 DROPS" is receiving considerable attention and praise. F. E. PRICE, Jersey City, N. J. Oct. 13, 1899.

Swanson Rheumatic Cure Co.: I suffered terribly with Kidney Trouble for years, and after using less than two bottles of "5 DROPS" I am now entirely well and I give "5 DROPS" the praise for my cure. I could not find anything that would give me the slightest relief until I tried this remedy, and I recommend it to everybody as a permanent cure for Kidney Disease. MARY A. CARBAUGH, Black Gap, Pa. ALABASTINE Is a durable and natural coating for walls and ceilings, made ready for use by mixing with cold water. It is a cement that goes through a process of setting, hardens with age, and can be coated and recoated without washing off its old coats before renewing. Alabastine is made in white and fourteen beautiful tints. It is put up in five-pound packages in dry form, with complete directions on every package.

ALABASTINE Should not be confounded with kalsomines, as it is entirely different from all the various kalsomines on the market, being durable and not stuck on the wall with glue. Alabastine customers should avoid getting cheap kalsomines under different names, by insisting on having the goods in packages properly labeled. They should reject all imitations. There is nothing "just as good."

ALABASTINE

Prevents much sickness, particularly throat and lung difficulties, attributable to unsanitary coatings on walls. It has been recommended in a paper published by the Michigan State Board of Health on account of its sanitary features; which paper strongly condemned kalsomines. Alabastine can be used on either plastered walls, wood ceilings, brick or canvas, and any one can brush it on. It admits of radical changes from wall paper decorations, thus securing at reasonable expense the latest and best effects. Alabastine is manufactured by the

A Beautiful Creed.

"The most beautiful creed of the heart is love of home." "In the purity of the home is the hope of the nation." So says the Champion of Fair Play, "a journal devoted to the interests of the retail liquor trade." It was this same beautiful creed which drove the early crusaders out into the streets and into the saloons to do battle against home's greatest foe. It is this same creed which urges the housekeepers of the W. C. T. U. to "do everything" that organized motherlove can do to aid in destroying the destroyer. Does the retail liquor trade conduce to the purity of the home? With a saloon on every corner and the liquor power controling our laws, where is safety for our homes, what the hope of the nation?—Union Signal.
