Women, Remember This Fact

That in addressing Mrs. Pinkham you are communicating with a woman—a woman whose experience in treating woman's ills is greater than that of any living person—male or female.

A woman can talk freely to a woman when it is revolting to relate her private troubles to a man.

Many women suffer in silence and drift along from bad to worse, knowing full well that they should have immediate assistance, but a natural modesty impels them to shrink from exposing themselves to the questions and probable examination of even their family physician. It is unnecessary. Without money or price you can consult a woman, whose knowledge from actual experience is unequaled.

Women suffering from any form of female weakness are invited to freely communicate with Mrs. Pinkham at Lynn, Mass.

All letters are received, opened, *read and answered by women only.*

This is a positive fact—not a mere statement. It is certified to by the mayor and postmaster of Lynn and others whose letters, all in a little book, Mrs. Pinkham has just published. Write for a copy, it is free. Thus has been established the eternal confidence between Mrs. Pinkham and the women of America which has never been broken and has induced more than 100,000 sufferers to write her for advice during the last few months.

Out of the vast volume of experience which she has to draw from, it is more than possible that she has gained the very knowledge that will help your case. She asks nothing in return except your good-will, and her advice has relieved thousands. Here are some of the cases we refer to:

Mrs. Pinkham Helps Two Women Through Ohange of Life and Cures Another of Sterility. Read Their Letters.

"DEAR MRS. PINKHAM—I feel that it is owing to Lydia E. Pinkham's Vegetable Compound that I am alive today. It has taken me out of a sick bed where I had lain for six weeks with a good doctor to tend me twice a day. My trouble was change of life, had frequent hemorrhages. Your medicine checked the flow right away. I am now able to do all my work, and backache is unknown. I am forty-three years of age and enjoying good health."—MRS. ANNIE FOSTER, Cascade Locks, Oregon.

"DEAR MRS. PINKHAM—When I first wrote to you, I was in a very bad condition. I was passing through the change of life, and the doctors said I had bladder and liver trouble. I had suffered for nine years. Doctors failed to do me any good. Since I have taken Lydia E. Pinkham's Vegetable Compound my health has improved very much. I will gladly recommend your medicine to others and am sure that it will prove as great a blessing to them as it has to me."—MRS. GEO. H. JUNE, 901 De Kalb Ave., Brooklyn, N. Y.

"DEAR MRS. PINKHAM—It was my ardent desire to have a child. I had been married three years and could not become a mother, so wrote to you to find out the reason. After following your kind advice and taking Lydia E. Pinkham's Vegetable Compound, I became the mother of a beautiful baby boy, the joy of our home. He is a fat, healthy baby, thanks to your medicine."—MRS. MINDA FINKLE, Roscoe, N. Y.

Two More Women Who Acknowledge the Help they Have Received from Mrs. Pinkham.

"DEAR MRS. PINKHAM—The doctor says I have congestion of the womb, and cannot help me. There is aching in the right side of abdomen, hip, leg, and back. If you can do me any good please write."—MRS. NINA CHASE, Fulton, N. Y., December 20, 1897.

"DEAR MRS. PINKHAM—I followed your instructions, and now I want every woman suffering from female trouble to know how good your advice and medicine is. The doctor advised an operation. I could not bear to think of that, so followed your advice. I got better right off. I took six bottles of Lydia E. Pinkham's Vegetable Compound and used three packages of Sanative Wash; also took your Liver Pills, and am cured."—MRS. NINA CHASE, Fulton, N. Y., December 12, 1898.

"DEAR MRS. PINKHAM—Have been suffering for over a year and had three doctors. At time of menstruation I suffer terrible pains in back and ovaries. I have headache nearly every day, and feel tired all the time. The doctor said my womb was out of place. Would be so glad if you could help me."—MRS. CARL VOSS, Sac City, Iowa, August 1, 1898.

"Please accept my sincere thanks for the good your advice and Lydia E. Pinkham's Vegetable Compound has done me. I did everything you told me to do, and used only three bottles, and feel better in every respect."—MRS. CARL VOSS, Sac City, Iowa, March 23, 1899.

Mrs. Pinkham has Fifty Thousand Such Letters as Above on File at Her Office. She Makes no Statements She Cannot Prove.

Influence.

We cannot go through the world without impressing others. We cast deep shadows or bright sunbeams into their lives, for influence is the law of life from which there is no escape. Influence is the dogma of life as penetrating as the atmosphere, and your consciousness of it has nothing to do with the case.—Rev. Dr. Adam.

England's Armored Trains.

The magnificent armored trains used by England in her war with the Boers will transport her troops, protect bridges and telegraphic communications in about the same way that Hostetter's Stomach Bitters drives dyspepsia from the human stomach and then mounts guard that it does not return. The bitters has won in every case of indigestion, biliousness, liver and kidney trouble for the past fifty years. It is invaluable at all times.

What Was Done.

During Stonewall Jackson's campaign in the Shenandoah valley it became necessary that a bridge over a small creek should be built in great haste. One evening Jackson sent for his old pioneer captain, Meyers by name, and pointed out to him the urgency of the occasion, saying that he would send him the plan of his colonel of engineers as soon as it was done. Next morning Jackson rode down to Myers' quarters, and, saluting the veteran, said: "Captain, did you get the plan of the bridge from Col. ——?" "Well," said the captain, "the bridge, general, is built, but I don't know whether the picture is done or not."—Golden Days.

BRADSTREET'S REVIEW.

Quiet Week in the Dry-Goods Distributive Trade.

Bradstreet's says: It has been a quiet week in distributive trade, except at some few Western centers, this being especially true of the dry-goods business. Wholesale trade in this line has been generally completed, and, pending the effect of the spring demand upon the retail trade, the markets are in a waiting stage. As regards prices, the feature of the week has been the strength manifested in agricultural products and provisions. The advances in the latter, in fact, are regarded as foreshadowing an upward movement in hog products, long predicted, but only partially realized.

Winter wheat crop advices have been, on the whole, good, and have acted as a balance to the stories of French damage.

Wool has been more active, but considerable business has been done at concessions.

The demoralization in the sugar market is clearly confined to the refining branch.

Manufacturers and jobbers in carpets and upholstery report a heavy season's business booked.

Wheat, including flour, shipments for the week aggregate 2,962,349 bushels, against 2,903,495 last week.

Business failures in the United States for the week number 178, as compared with 192 last week.

Business failures in the Dominion of Canada for the week number 25, as against 23 last week.

Oriental advices state that permission to do general business in Japan has been refused 60 foreign insurance companies, most of them American.

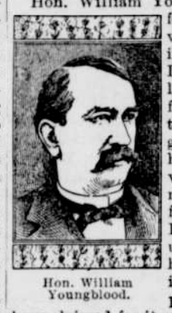
PERUNA PROTECTS OUR HOMES

The Roberts Family, of Falls City, Neb., Are Healthy and Happy—A Rare Sight in These Days. They Say, "We Think Peruna Is The Greatest Medicine On Earth."

No man is better known in the State of Nebraska than Mr. Carl T. Roberts, contractor and mason. A typical American—active, shrewd, and full of business sagacity. He is not only a provider for his family, but a protector. In a recent letter to Dr. Hartman he writes, among other things, as follows:

"Our boy James, had the membranous croup, and repeated attacks of lung fever. Our boy, Charlie, was also subject to attacks of pnuemonia and pleurisy. Our third boy, John, was subject to fever and ague (malarial) and liver trouble. Your remedy, Peruna, cured my boys entirely, and now I have three of the healthiest boys in the State of Nebraska, which I attribute to your medicine. My wife had a stomach trouble which Peruna also cured. Altogether for my whole family we have used nineteen bottles of Peruna, and have thus saved $500 in doctors' bills. I am a contractor and mason by trade, and am known all over Nebraska. I have had a stomach trouble which has been greatly relieved by your remedy, Peruna, for which I am still taking it. We think it is the greatest medicine on earth."—C. T. Roberts, Falls City, Nebraska.

Hon. William Youngblood, Auditor for the Interior, writes from Washington, D. C., to Dr. Hartman, Columbus, Ohio, as follows: "I've often heard of your great medicine and have persuaded my wife, who has been much of a sufferer from catarrh, to try Peruna, and after using one bottle she has wonderfully improved. It has proved all you have claimed for it, and I take pleasure in recommending it to anyone who is afflicted with catarrh." Peruna has become, in a multitude of households, absolutely indispensable.



Hon. William Youngblood.

Mr. T. G. Walker, Carneiro, Kansas, writes: "It is with pleasure that I report that I am better than I have been for many years. I believe Peruna is without a doubt the best medicine that ever was used in a family. It has cured my nervousness, with which I had been afflicted for a great number of years."

It is a fact of ever increasing astonishment that so many otherwise sensible and provident people will, for the neglect of so simple a precaution as to have a bottle of Peruna at hand, bring upon themselves the needless suffering and foolish expense that a practitioner of medicine is forced to witness every day.

As soon as the value of Peruna is fully appreciated by every household, both as a preventitive and a cure of these affections, tens of thousands of lives will be saved, and hundreds of thousands of chronic, lingering cases of disease prevented. Peruna is the household safeguard.

ALABASTINE

LABASTINE is the original and only durable wall coating, entirely different from all kalsomines. Ready for use in white or fourteen beautiful tints by adding cold water.

ADIES naturally prefer ALABASTINE for walls and ceilings, because it is pure, clean, durable. Put up in dry powdered form, in five-pound packages, with full directions.

LL kalsomines are cheap, temporary preparations made from whiting, chalks, clays, etc., and stuck on walls with decaying animal glue. ALABASTINE is not a kalsomine.

EWARE of the dealer who says he can sell you the "same thing" as ALABASTINE or "something just as good." He is either not posted or is trying to deceive you.

ND IN OFFERING something he has bought cheap and tries to sell on ALABASTINE'S demands, he may not realize the damage you will suffer by a kalsomine on your walls.

ENSIBLE dealers will not buy a lawsuit. Dealers risk one by selling and consumers by using infringement. Alabastine Co. own right to make wall coating to mix with cold water.

HE INTERIOR WALLS of every church and school should be coated only with pure, durable ALABASTINE. It safeguards health. Hundreds of tons used yearly for this work.

N BUYING ALABASTINE, customers should avoid getting cheap kalsomines under different names. Insist on having our goods in packages and properly labeled.
