

MY BEAUTIFUL BABY BOY

Weak Women Made Happy by Lydia E. Pinkham's Vegetable Compound—Letters from Two Who Now Have Children.

"DEAR MRS. PINKHAM:—It was my ardent desire to have a child. I had been married three years and was childless, so wrote to you to find out the reason. After following your kind advice and taking Lydia E. Pinkham's Vegetable Compound, I became the mother of a beautiful baby boy, the joy of our home. He is a fat, healthy baby, thanks to your medicine."—MRS. MINDA FINKLE, Roscoe, N. Y.

From Grateful Mrs. Lane
"DEAR MRS. PINKHAM:—I wrote you a letter some time ago, stating my case to you. I had pains through my bowels, headache, and backache, felt tired and sleepy all the time, was troubled with the whites. I followed your advice, took your Vegetable Compound, and it did me lots of good. I now have a baby girl. I certainly believe I would have miscarried had it not been for Lydia E. Pinkham's Vegetable Compound. I had a very easy time, was sick only a short time. I think your medicine is a godsend to women in the condition in which I was. I recommend it to all as the best medicine for women."—MRS. MARY LANE, Coyote, Tenn.

Connecticut figures from its recent state census shows that it has 20 per cent more inhabitants than it had in 1890. The population of the country on this basis is 75,150,000.

THREE DAILY TRAINS BETWEEN OGDEN AND DENVER.

The increase in transcontinental travel by way of Salt Lake City in consequence of the scenic and other attractions of the route, has recently justified the Rio Grande Western Railway—in connection with the Denver & Rio Grande and Colorado Midland Railroads—says the Salt Lake Tribune, in establishing a triple daily fast passenger service between Ogden and Denver. All of these trains are equipped with the latest appliances, improvements and cars. This road now operates through sleepers between Chicago, Ogden and San Francisco, also a perfect dining car service. Send 2c postage for literature, rates or other information to J. D. Mansfield, 253 Washington street, Portland; or Geo. W. Heintz, general passenger agent, Salt Lake City.

SITUATION IS FAVORABLE.

There Are Bad Features, But they Are in the Minority.

Bradstreet's says: "Evidences of the fact that there are now two sides of the general trade situation, where for a year past there was but one, come to sight this week. Different sections of the country and lines of business return different reports, but that the situation as a whole is a favorable one and suffers merely by commiseration with the enormous and almost feverish activity of some time ago, is also evident. Excluding the great speculative centers, aggregate of business is undoubtedly larger than a year ago, and the business done in several industries reporting reduced activity would seem very large even to those hearily inclined had it not been for the enormous aggregate done some short time ago."

In the abrupt readjustment of steel and wire prices, the iron and steel industries received a notable shock, but have stood the ordeal very well.

In agricultural products the situation is generally one of sustained strength. Some slight shading in wheat prices is largely the result of flattering winter wheat crop prospects in the sections west of the Mississippi.

Wheat, including flour shipments, for the week aggregate 3,583,683 bushels, against 3,598,451 last week.

Failures for the week in the United States are well down to the minimum, numbering only 182, an increase of 21 over last week.

Canadian failures for the week number 18, as compared with 19 last week.

New Train Service on the O. R. & N.

The double train service just established between Portland and Chicago, in which the O. R. & N., the Union Pacific and the Oregon Short Line are interested, shortens the through time 11 hours. Train No. 2, leaving Portland at 9:15 A. M. daily, is known as the Chicago-Portland special. Its equipment is new, making it fully the equal of any train now in service from the Pacific coast to the East. It consists of a mail car, baggage car, a library-composite car, a first-class Pullman sleeper, a dining car, two chair cars and a tourist sleeper. There is but one change of cars to all Eastern points. The full time is three days, through to Chicago, or four days and two hours to New York.

The second train, known as No. 6, leaves Portland daily at 6:30 P. M., connecting at East Portland with the Southern Pacific's overland train from San Francisco, and carries through equipment to Chicago via the Union Pacific and Chicago & North-western, and also the equipment for the Washington division of the O. R. & N., in connection with the Great Northern for St. Paul. This train reaches Spokane at 10 A. M. A dining car serves breakfast into Spokane, and dinner is served on corresponding train leaving Spokane at 3:45 P. M. The new schedule as arranged, supplies the most complete service ever furnished on the O. R. & N., also provides increased service in Eastern Oregon, where it is greatly needed, and gives immediate connection with the Washington division at Pendleton. At this point there is a large interchange of traffic, on account of the various mining districts of Baker county, the Coeur d'Alene, the Republic and Kootenai mining camps. Portland is greatly benefited by this change, in as much as increased service is given from Eastern Oregon and Idaho.

No. 2 arrives in Chicago at 9:30 A. M., No. 6 at 7:45 A. M., as at present. The Westbound train out of Chicago, corresponding with No. 2, is No. 1. This arrives in Portland at 4 P. M. The train corresponding with the East-bound No. 6, is No. 3, out of Chicago. This reaches Portland at 7:30 A. M. Westbound train No. 1 leaves Chicago at 6:30 P. M., and Omaha at 8:20 A. M. The following day. The time is reduced two hours and 45 minutes. No. 3, Westbound train, leaves Chicago at 10:30 P. M., and Omaha at 4:25 P. M. the next day.

The service on the Union Pacific on all these trains includes buffet-smoking-library cars and dining cars. No. 6 carries a daily ordinary sleeper to Kansas City, with change en route to ordinary cars to Chicago.

A deacon in a Baptist church in Trenton is a stickler for decorum. He saw a young lady whisper to another during prayer at a church service, and he loudly rebuked her. In indignation she was passing out of the edifice, when he said the church was no place for her. Aroused by this taunt, she proceeded to return to her pew, but he clutched her back hair and thus drew her out of the church.

A Blood Trouble
Is that tired feeling—blood lacks vitality and richness, and hence you feel like a laggard all day and can't get rested at night. Hood's Sarsaparilla will cure you because it will restore to the blood the qualities it needs to nourish, strengthen and sustain the muscles, nerves and organs of the body. It gives sweet, refreshing sleep and imparts new life and vigor to every function.

Felt Tired—"In the spring I would have had no more of it, but I had it all winter and without abatement. Took Hood's Sarsaparilla in small doses, increasing as I grew stronger. That tired feeling left me and I felt better in every way."—W. E. BAKER, Box 96, Milford, Ohio.

ALABASTINE is a durable and natural cement base wall coating. In 5 lb. paper packages, made ready for use in white and fourteen beautiful tints by mixing with cold water. The coating goes through a process of setting, hardens with age, and can be coated and recoated without washing off its old coats before renewing.

ALABASTINE is entirely different from all the various kalamines on the market, being durable and not stuck on the wall with glue. Alabastine customers should insist on having the goods in packages properly labeled. They should reject all imitations. There is nothing "just as good."

ALABASTINE prevents much sickness, particularly throat and lung difficulties, attributable to unsanitary coatings on walls. It has been recommended in a paper published by the Michigan State Board of Health on account of its sanitary features; which paper strongly condemned kalamines. Alabastine can be used on either plastered walls, or on a cement base, and any one can brush it on. It admits of radical changes from wall paper decorations, thus securing at once a clean, white, latest and best effect. Alabastine is manufactured by the ALABASTINE COMPANY of Grand Rapids, Michigan.

A Well-Kept Life.

It requires a well-kept life to do the will of God, and even a better kept life will do it. He will be willing to do the will of God. For he who is willing may sometimes have nothing to do and may be willing to wait; and it is easier for him to be doing God's will than it is to be willing to cease. No, there is nothing rarer in the world today than the truly willing soul, and there is nothing more worth coveting than the will to will God's will. There is no grander possession for any Christian life than the transparently simple mechanism of a sincerely obeying heart.—Henry Drummond.

Strength in stillness.
Those who make the most noise in the world are not those who have the most power in the world. Quiet influences are the potent forces in God's esteem, and even in man's sight. As Aubrey Moore says: "Great men think, while ordinary men talk. Great saints pray, ordinary men preach. High-sounding words and showy acts may impose upon the few, but it is silent effort which moves the world." This truth is not held popularly; yet Elijah learned when he was divinely shown that God was not to be recognized in the whirlwind, the earthquake, or the fire, as he could be in "the still small voice." Even this world's wisdom testifies to the truth in the adage: "Deep waters run still."

It is God's voice which says: "Be still, and know that I am God."—S. S. Times

Christ for All.
It must never be supposed that the beautiful words and condescending acts of Christ were just for Peter, James and John and their companions. John is not the only beloved disciple who is encouraged to lean on the bosom of his Lord. His love for the family in Bethany is not a singular love with which other families have nothing to do. It is a specimen of his love, rather, intended to make glad ten thousand other families.—George Bowen.

Piety in the Home.
Parents must show piety at home; that is, they must give good example and reverent deportment in the face of their children. * * * All significations of love and tenderness, care and watchfulness must be expressed toward children that they may look upon their parents as their friends and patrons, their defense and sanctuary, their treasure and their guide.—Jeremy Taylor.

Reform at St. Louis.
The saloon keepers of St. Louis, Mo., have been notified that they shall not maintain in connection with their saloons wine rooms or private stalls or rooms not at all times open to public gaze. They were also notified to discontinue and prohibit music and to prevent disolute women and criminals from frequenting their saloons, under penalty of forfeiture of their licenses and having their places closed as disorderly houses.—Union Signal.

Few College Students Die.
The death rate in colleges is extremely low. The strict attention to the physique is given as the cause. People outside of colleges, as well, may have health and strength. Hostetter's Stomach Bitters is recommended most highly for preventing as well as curing bodily weakness. It is for the blood, the nerves and all stomach disorders, and its cures of constipation, indigestion, dyspepsia, sluggish liver or weak kidneys, are most remarkable.

\$100 REWARD \$100.
The readers of this paper will be pleased to learn that there is at least one dreaded disease that has been cured in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and restoring nature in doing its work. The proprietors have so much faith in its curative powers that they offer \$100.00 for any case that it fails to cure. Send for list of testimonials to F. A. CHENEY & CO., Toledo, O. BILE BLOAT

Puffs under the eyes; red nose; pimply blotched, greasy face don't mean hard drinking always as much as it shows that there is **BILE IN THE BLOOD**. It is true, drinking and over-eating overloads the stomach, but failure to assist nature in regularly disposing of the partially digested lumps of food that are dumped into the bowels and allowed to rot there, is what causes all the trouble. **CASCARETS** will help nature help you, and will keep the system from filling with poisons, will clean out the sores that tell of the system's rottenness. Bloating by bile the figure becomes unshapely, the breath foul, eyes and skin yellow; in fact the whole body kind of fills up with filth. Every time you neglect to help nature you lay the foundation for just such troubles. **CASCARETS** will carry the poisons out of the system and will regulate you naturally and easily and without gripe or pain. Start to-night—one tablet—keep it up for a week and help the liver clean up the bowels, and you will feel right, your blood will be rich, face look clean, eyes bright. Get a 10c box of **CASCARETS**, take as directed. If you are not cured or satisfied you get your money back. Bile bloat is quickly and permanently

DAN GROSVENOR SAYS:

"Peruna is an Excellent Spring Cathartic Remedy—I am as Well as Ever."

Hon. Dan. A. Grosvenor, of the Famous Ohio Family.

Hon. Dan. A. Grosvenor, deputy auditor for the war department, in a letter written from Washington, D. C., says:

"Allow me to express my gratitude to you for the benefit derived from one bottle of Peruna. One week has brought wonderful changes and I am now as well as ever. Besides being one of the very best spring tonics it is an excellent cathartic remedy."

Very respectfully,
Dan. A. Grosvenor.

Hal P. Denton, chief national export exposition, Philadelphia, Pa., writes: "I was completely run down from overwork and the responsibility naturally connected with the exploitation of a great international exposition. My physician recommended an extended vacation. When life seemed almost a burden I began taking Peruna, and with the use of the fifth bottle I found myself in a normal condition. I have since enjoyed the best of health."

Almost everybody needs a tonic in the spring. Something to brace the nerves, invigorate the brain, and cleanse the blood. That Peruna will do this is beyond all question. Every one who has tried it has had the same experience as Mrs. D. W. Timberlake, of Lynchburg, Va., who, in a recent letter, made use of the following words: "I always take a dose of Peruna after business hours, as it is a great thing for the nerves. There is no better spring tonic, and I have used all of them."
