MCKINLEY RE-ELECTED

Sweeping Republican
Victory.

NEXT CONGRESS REPUBLICAN

McKinley Carries New York by 150,000
Big Landslide in Illinois-Maryland,
West Virginia and Nebraska in the
Republican Column.

New York, Nov. 7.—It became evi-
dent at a very early hour this evening
that the election of McKinley and
Roosevelt was assured. The president
carried the state of New York by 150,000
plurality.

As the night progressed, it only
served to confirm this judgment, but
the returns from Illinois revealed a
like condition. The Republican plu-
rality of 1896 was greatly reduced, but
it was still far too large to be over-
come.

On the other hand, the returns from
Indiana, Michigan, the two Dakotas,
Utah and Wyoming, as well as Nebr-
aska, seem to indicate steady Republi-
can gains over 1896. Delaware, Mary-
land and West Virginia, have given de-
cided Republican pluralities.

The count in several of the far West-
ern states was naturally so delayed as
to give little indication of the opinion
there, but they had ceased to have a
determining effect, and before 10
o'clock the Democratic leaders had
given up the contest and it was an-
nounced that Mr. Bryan had gone to
bed and was sound asleep.

The whole story was easily and
briefly told. The Republican ticket
would have a larger electoral vote than
four years ago, but in the larger states
of the East and Middle West the plu-
ralities of 1896 had been greatly re-
duced. Massachusetts had fallen from
174,000 to 50,000 New York, 268,000
to 150,000, and Illinois from 142,000
to 100,000 or less.

The 57th congress seems to be Re-
publican by a substantial working ma-
jority.

Bryan carried all the Southern
states, as usual, along with Colorado,
Idaho, Montana and one doubtful state,
Kentucky, by a small plurality.

Doubtful states which went for Mc-
Kinley are Maryland, West Virginia
and Indiana, all by small pluralities.

McKinley's plurality in Ohio is 75,000,
in Michigan 80,000.

Nebraska, Bryan's home state, went
Republican by a small plurality.

The New England states and Penn-
sylvania are, as usual, in the Republi-
can column.

McKinley's plurality in Iowa is 100,000,
Kansas 30,000, Minnesota 30,000.

THE COAST.

California, Oregon and Washington
all went for McKinley.

The contest was close in California,
but it is expected the state will give
McKinley 10,000 plurality.

Oregon gives McKinley 14,000 plu-
rality, but few counties going Demo-
cratic.

Washington goes for McKinley by a
small plurality, probably 5,000, but
the state ticket is much in doubt, with
the probability that Rogers, Democrat,
is elected governor. The legislature
will be Republican.

The electoral vote will probably be
as follows: McKinley, 292; Bryan, 155.

Distrust to Sheep and Goats.

Monroe, Or., Nov. 7.—Sheep and
goat raisers in this vicinity are greatly
alarmed over the abundant growth this
season of the poison fungus or toad-
stool. Goats and sheep seem to have
a great liking for the stuff, and its po-
isonous qualities are sufficient to kill the
animal which eats it.

Spokane, Wash., Nov. 7.—Edward
Rice, convicted of the murder of Matt

31. His wife was granted a divorce in
Sodaville today on the ground of cruelty.

Isaac Secures Flouring Mill.

lic meeting at Lone Saturday evening the

excellent farming region.

Gold Beach, Or., Nov. 7.—George
Bailey, who has been prospecting on
the headwaters of Johnson creek for
years, recently found an old bed of
porphyry that carries free gold and has
sent out to a California company for
\$40,000.

Heppner Defeated Baker.

Heppner, Or., Nov. 7.—A match
game of football here Saturday result-
ed in the Heppner team beating the
Baker City team, 15 to 0. A large
crowd witnessed the game and the
weather was perfect.

Off for New York With Mother.

Seattle, Nov. 7.—Charles E. Mather,
who was arrested in this city two
weeks ago on a charge of having pawned
\$45,000 worth of jewels, the property
of New York merchants, was to-
day taken into custody by Detective
Nugent upon a governor's warrant of
extradition. Nugent left with his pris-
oner tonight for New York.

Senor Silveira, the premier, has made
the emphatic declaration that Spain
must have a powerful navy again.

THE LANDSHIDE.

Later Returns From the Eastern States
Show no Material Change.

Alabama—The Democratic majority
will be at least 40,000.

Arkansas—Enough is known to indi-
cate a plurality of 60,000 for Bryan in
this state.

California—The majority for McKin-
ley and Roosevelt in California contin-
ues to grow and the indications are that
it will reach 40,000. Complete returns
from 1,574 precincts out of 2,190 out-
side of San Francisco give McKinley
107,992, Bryan 81,348. The same pre-
cincts in 1896 gave McKinley 96,847,
Bryan 91,801. The Republicans have
elected all seven congressmen.

Colorado—Bryan's plurality is 35,000.

Florida—This state gives Bryan a
majority of 28,000.

Georgia—This state gives Bryan a
plurality of 40,000. Every Democratic
congressman elected.

Illinois—Congressman William Lor-
imer, of the Second district, conceded
his defeat this morning. The majority
against him may reach 1,500. Addi-
tional returns received at Republican
state headquarters from all over the
state confirm Chairman Rowe in his
statement that McKinley's plurality
will run close to 100,000, and that of
Yates for governor between 70,000 and
80,000.

Indiana—The election resulted in a
plurality of anywhere from 20,000 to
32,000 to the Republican national ticket,
and nine, and perhaps 10, of the con-
gressmen, and the choice of a legis-
lature, that will have a Republican
majority of 40 on joint ballot. The 4th
congressional district is still in
doubt. Indiana elects all Republican
congressmen except in the 2d, 3d and
12th districts.

Kansas—On the basis of limited re-
turns Republicans claim Kansas by
25,000 for the national ticket and 20,000
for the state ticket and the election
of every Republican congressman with
the possible exception of the 3d
district. Republicans claim the legis-
lature by a safe majority on joint
ballot.

Louisiana—The entire six congres-
sional districts in Louisiana are strong-
ly Democratic. Bryan's majority in
the state will be in excess of 30,000.

Maine—McKinley's majority in
Maine will vary but a few hundred
from 28,500, a loss of 16 per cent since
1896 and a Bryan gain of 21 per cent.

Maryland—With scattering precincts
to hear from, Maryland's plurality for
McKinley and Roosevelt in yesterday's
election was 14,148. A solid Republi-
can delegation to the 57th congress
was elected.

Massachusetts—The complete vote of
this state is: McKinley, 239,495;
Bryan, 156,507.

Michigan—McKinley's plurality,
90,588. The entire congressional dele-
gation is Republican.

Missouri—The Democrats have elect-
ed congressmen from 12 Missouri dis-
tricts, and the Republicans in two,
with still two—the 13th and the 14th
—to be heard from. These are claimed
by the Democrats.

Montana—Bryan's plurality 18,000.

Mississippi—Bryan's plurality 40,000.

Nevada—Bryan's majority 16,250.

New Hampshire—The Republican
majority in the state on both the
sub-national and national tickets will be
18,000.

New Jersey—McKinley's plurality
52,920. Six out of eight congressmen
Republican.

New York—McKinley's plurality
145,000.

North Carolina—North Carolina
gives Bryan a majority of not less than
80,000. The next congressional dele-
gation from this state will contain
seven Democrats and two Republicans.

North Dakota—Republican plurality
10,000.

Ohio—Unofficial returns received
from 83 out of the 88 counties warrant
the claim of 70,000 for McKinley, and
we elect 17 of the 27 members of con-
gress, a gain of two Democrats.

Pennsylvania—Complete returns
give McKinley 287,733 plurality.

Rhode Island—Official returns give
McKinley, 33,821; Bryan, 19,947.
Both congressmen Republican.

South Carolina—It is not considered
probable that Bryan's majority will
fall short of 30,000 in the state. Every
Democratic congressman was elected.

Tennessee—Bryan's plurality 30,000.

Utah—McKinley's majority 4,500.

Vermont—McKinley's plurality 30,000.

Virginia—A recapitulation for Vir-
ginia indicates a Democratic plurality
on the presidential ticket of over 30,000,
and the election of the Democrats
in every congressional district.

West Virginia—In a statement is-
sued at midnight, Secretary J. K. Hall,
of the Republican state committee,
gives tabulated returns from every
county in the state, showing McKinley
has nearly 20,000 majority.

Wisconsin—The Republicans will
have a plurality of at least 112,135 in
Wisconsin. All the Republican con-
gressmen are elected. The legislature
is overwhelmingly Republican.

Wyoming—Returns from 174 pre-
cincts out of 300 in Wyoming give a
majority of 8,000 for McKinley.

Three Minors Killed.

Tacoma, Nov. 5.—A cave-in at mine
No. 7, at Carbonado, yesterday, result-
ed in the death of three mine employes.
The dead are: Karl Huhtala, Matt
Ledem, Gust Sandberg. Ledem was
a married man, the others were single.
The accident was caused by the giving
away of one of the large supporting
beams. About 50 men were working
in the mine at the time, but all except
the three killed escaped uninjured.

ONE STATE IN DOUBT

Both Sides Are Claiming
Kentucky.

ROGERS DEFEATS FRINK BY 1300

Defeats Frink for Governor of Wash-
ington—Plurality in Oregon
Is Piling Up.

Portland, Nov. 9.—Only one doubt-
ful state remains—Kentucky. The
Democrats claim the state for Bryan
by 7,800; the Republicans also claim
the state, but give no figures. It will
require the official count to determine
the result.

McKinley carried Nebraska by at
least 2,000. The legislature is in
doubt, and will not be determined un-
til the official count of Douglas county
is in. The Republicans are figuring on
a safe majority on joint ballot.

Other states are practically as first
reported. The electoral vote follows:

	1900.	1896.
McKinley.....	292	176
Bryan.....	155	176

In Washington.

Seattle, Wash., Nov. 10.—The
majority for President McKinley in the
state of Washington will be between
11,000 and 12,000, and John R. Rog-
ers, Democrat, for governor, will have
something like 1,300 over Frink, his
Republican opponent. The average
majority of the two Republican candi-
dates for congress, Jones and Cushman,
will be 9,000 or more, and the legisla-
ture will be heavily Republican. All
the state Republican ticket, except
Frink, is elected by large pluralities.

All these things were made clear by
yesterday's returns. Every county in
Western Washington has been heard
from and the only two counties in East-
ern Washington about which there is
any uncertainty are Chelan and Okan-
ogan. With these, scattering returns
show that the only question is to the
size of the Democratic pluralities.

Later returns are more likely to in-
crease than decrease Rogers' plurality.

McKinley has carried 26 counties
and Bryan 10; Frink 18 counties and
Rogers 17, with one (Mason's) tie.

Is Still Piling Up.

Portland, Or., Nov. 10.—McKinley's
plurality in Oregon is still piling up.
Owing to an error in a former foot-
ing, his lead this morning is made to ap-
pear 500 less than yesterday, whereas
it should be about 100 more. Reports
continue to pour in that former Bryan
strongholds have either gone for Mc-
Kinley or greatly decreased the Nebr-
aska's majority in 1896. For example,
five precinct
