In an indoor athletic entertainment and tournament at the State University Saturday evening Roy Heater broke the Pacific Coast indoor record for the pole vault by going eleven feet, one and three fourth inches. This is still an inch or so under what he has done here at home in practice.

Mr. and Mrs. W. Q. Elliott, with their five children, arrived here Saturday evening from Oklahoma, and have been staying with Frank Elliotts who are relatives of theirs. They come with the purpose of making Oregon their home and will probably locate somewhere in the Willamette Valley though they have not decided on the desired locality.

Emmor Hall was made glad Saturday evening by receiving an appointment in the civil service similar to the one received by J. G. Hadley a few weeks ago—that of mail carrier in Portland. While it may be some time before he has regular work, he went down to the city Tuesday morning to begin acquainting himself with the different routes. Emmor's many friends rejoice with him in his good fortune.

The lecture given by Rev. H. W. Kellogg of Portland, in the Friends church last Friday evening was greatly appreciated by all present although the gentleman was handicapped by a severe cold, and could not do himself justice. His subject, "The Tricks of a Wizard," was a fascinating study of the source of the power of the orator, and of the fundamentals of true oratory. The lecture was enlivened throughout by illustrative incidents and sallies of wit and humor.

Sufficient amount of stock having been subscribed to insure organization, and the establishment of the new cannery, the stockholders met in the town hall on Thursday evening of last week to put the movement in definite shape. A. C. Churchill was elected chairman and W. C. Woodward secretary, when the object of the meeting was stated by Mr. Churchill. It was decided to elect a board of seven directors, with power to act for the stockholders. Grafe.

On Wednesday evening at six o'clock February 20, at the residence of the bride's parents on River street, Miss Hattie Thomas was married to Sam McVey, of Lucas, Iowa, Rev. H. Gould officiating. The ceremony was performed in the presence of about twenty-five of immediate relatives and friends after which the usual wedding supper was served. The directors of the proposed Newberg cannery met the first of the week and elected the following as officers of the company: L. M. Parker, president; A. C. Churchill, vice president; N. C. Christenson, secretary; J. C. Colecord, treasurer. They will now proceed to solicit additional stock for the enterprise and should be given every possible encouragement by loyal citizens. We have long been talking of the crying need of a cannery here, and the opportunity is now given of showing whether the talk meant anything. In this case the establishment of the enterprise doesn't depend on "Dr. Korn" or "Eastern capital." All that is needed is not the support of our own people right here at home, and a cannery will be an accomplished fact.

The college basket ball team intends driving down to Sherwood after school this evening to play a return game of ball with the Sherwood team.

From the College.

Miss Nora Harris addressed the girls of the Y.W.C.A. Tuesday evening on the subject of "The circle of God's love." Her talk was intensely interesting, and enjoyed by all.

There has been a great deal of talk about "the getting to Corvallis to the contest." The Southern Pacific company has offered us a car for sixty dollars; that is, a dollar fare for each person round trip. This car would be left at St. Joe, and taken up by the ten o'clock train for Corvallis. As yet only a little over half enough names have been given to make the required sixty. It is very desirable that the Pacific College delegation go this way. Any one wishing to join us will please give his name to Robert Jones.

Danger of Colds and La Grippe.

The greatest danger from colds and la grippe is their resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for these diseases we have yet to learn of a single case having resulted in pneumonia, which shows conclusively that it is a certain preventive of that dangerous malady. It will cure a cold or an attack of la grippe in less time than any other treatment. It is pleasant and safe to take. For sale by C. F. Moore & Co. druggists.

For You to Read

"What puzzled me in the beginning was that I kept losing flesh without any cause for it that I could see. I had a little trouble with my stomach, too, and after a while began to grow weaker and to cough. The cough, I thought, would soon go away and cure itself, but it didn't. It grew worse, and then I began to spit up a peculiar looking substance. I never thought of consumption, but one day I had a hemorrhage, and then was frightened in earnest, and did just what you would do. I rushed to the doctor. He was either too busy, or something else, for he didn't do me any good. I kept going on down hill, and the outlook was bad. Things took a different turn, however, when I heard of Acker's English Remedy for Consumption, for I took it, and it not only cured my coughing and spitting, but also built up my whole system. I took on permanent flesh, and today am just as healthy a man as you can find in a week's travel. You may be sure I always keep Acker's English Remedy in the house, and it is a good thing I do so, for one night my youngest child was seized with croup. That hoarse, wheezy cough was the first signal, and I lost no time in giving the poor little sufferer proper doses of this grand medicine. In almost no time the disease was under control, and my child was saved. I advise every parent to have a bottle handy all the time. It serves the same purpose in keeping croup out of the house that a good lock and key serve to keep burglars out. It is both an expectorant and a tonic. It cured me of consumption and my child of croup, and I know what I am talking about." (Signed) Hon. M. HOGAN, picture frame manufacturer, 242 Center Street, New York.

Acker's English Remedy is sold by all druggists under a positive guarantee that your money will be refunded in case of failure. 25c, 50c and \$1 a bottle in U. S. and Canada. In England, 1s, 2s, 3s, 4s, 6s, 10s.

We authorize the above guarantee. W. J. HOOKER & CO., Proprietors, New York.
