AIDING THE ENEMY

Employees of Manila Companies Under Arrest.

THE EVIDENCE IS STRONG AGAINST THEM

Belgian Consul, Who Was Also Suspected, Hastily Left for Europe—Rebel Garrison Captured on Cavite Coast.

Manila, Feb. 21.—Captain Jones, of the eighth infantry, has been arrested at a town on the bay province of Laguna, Florentina Ortuna and Miguel Ponce de Leon, agents of the Tabacalera Company, and William Webb, Pedro Lorenzo and Victoria Santa, employed by the Philippine Trading Company, on charges similar to those brought against D. M. Carman, the American contractor, namely, furnishing the insurgents with supplies. The Tabacalera Company, the richest corporation in the Philippines, is accused of aiding the insurgents often and actively. The men arrested are prominent and the evidence against them is very strong.

Mr. Bricholterman, a Belgian, connected with the Philippine Trading Company, has been arrested at Manila, and M. Edward Andre, the Belgian consul here, and manager of the Philippine Trading Company, hastily left Manila with his family, on his way to Europe on the steamer, Montevideo. Andre had previously been suspected.

Other arrests are expected.

Colonel Schuyler, with 100 men of the Forty-sixth regiment on the gunboat Bosco, landed on the Cavite coast, near Ternate, and, proceeding inland, captured a small rebel garrison. Continuing his march along a mountain trail, Colonel Schuyler was attacked by rebels of Trias' command. After a sharp fight the enemy were beaten and scattered. One American was killed and one was wounded.

The United States transport Rosecrans has returned here from Guam, after landing there the Filipino prisoners who have been deported to that place. The prisoners were landed January 12. The officials of the branch of the Hong Kong bank here, have announced that Ross, the Englishman in their employ, who wrote a letter published in an Australian paper, criticising the Philippine commission, American officers and American policy in general, has been ordered to proceed to Hong Kong. General MacArthur's reception at Malacan exceeds anything in the Spanish regime. The palace was beautifully decorated and brilliantly illuminated. Thousands of persons attended from army, navy, official, consular, clerical, business and social circles, American and foreign. The Filipino population was well represented. General Barry was master of ceremonies. General MacArthur and the ladies of the United States commission received the guests. Dancing followed the reception. The Filipinos were especially pleased at being accorded a privilege never before afforded them, and General MacArthur's tact and courtesy were greatly appreciated.

IN A VENEZUELA PRISON.

Asbury Park, N. J., Man in Jail Incommunicado for a Term of Five Months.

New York, Feb. 21.—H. C. Bullis, of Asbury Park, N. J., after having endured imprisonment for more than five months in Maracaibo, Venezuela, has returned home to press a claim for \$50,000 damages through the United States government against the South American republic.

Mr. Bullis was appointed mechanical and electrical engineer of the Maracaibo Electric Light Company two years ago. In a political uprising he was compelled to climb a telegraph pole and seek protection under an American flag, which he tied to the pole.

The police last August found a quantity of ammunition and an electric plant with which Mr. Bullis was connected, and he was arrested, charged, as he supposed, with being in league with the revolutionists. He declared his innocence, but repeated appeals to the American consul were unheeded. The authorities, believing he had no friends, caused his removal to a military prison, where he was kept five months incommunicado. Mr. Bullis smuggled a letter to the American minister and in 24 hours afterwards the Venezuelan government complied with a peremptory demand for his release.

Pittsburg, Pa., Feb. 21.—James Reese & Sons have just taken a contract to build for the Canadian Development Company a \$100,000 tow and passenger craft to ply on the Yukon river. The purchasing company is a Chicago interest, of which W. H. Lyon is one of the chief executives.

Girl's Battle With a Negro.

Kansas, City, Feb. 21.—While kneeling at her father's grave at Elmwood cemetery today, Dora Dezell, 19 years old, was assaulted by a negro. She fought her assailant desperately, the two struggling for nearly half an hour. The negro was finally frightened away by the approach of a white man. When the man reached Miss Dezell she was in a dead faint. Tonight she is in a serious condition. The negro escaped.

BENT ON LYNCHING.

Officers Successfully Foiled a Mob of Railroad Men in Topeka.

Topeka, Kan., Feb. 22.—The vigilance of the officers was all that saved "Slick" Slater from lynching by an infuriated mob tonight. He will yet be lynched if he can be found. Slater assaulted 17-year-old Lottie Gerberick Monday evening, and was captured by the Topeka officers the next day at Carbondale. This afternoon it became known that he was here, and immediately the Santa Fe shophmen, of whom the assaulted girl's father, George Gerberick is one, decided that he should be lynched. They at once sent a committee to watch the jail while they quietly arranged the details of the expected lynching.

By 6 o'clock there was an angry mob of 1,000 around the jail, demanding that the prisoner be delivered to them.

A brigade of heavily armed shophmen, stood ready to make short work of the jail in case the demands were not granted. Sheriff Cook told the crowd that the prisoner had been removed, and offered to let a committee search the jail. Ten men, headed by George Gerberick, made a thorough search, but Slater could not be found. They returned and told the mob, but that did not satisfy them, and twice they started to break in the jail doors.

Early in the afternoon, the sheriff, in anticipation of trouble, ordered a deputy to get Slater out of town. He was ordered not to leave him in Jackson county nor to take him to Leavenworth. The deputy drove to Hoyt with Slater and entered a north bound Rock Island train. It is thought that Slater is now in jail in Atchison. The Santa Fe shophmen are calmly determined to lynch Slater when he is brought back here for trial. They have appointed a large vigilance committee to be constantly on the outlook, and vow that Slater will never leave Topeka alive. The shophmen have past records in cases of this kind. They lynched John Olliphant 12 years ago for a like offense.

A FURIOUS BLIZZARD.

An Unusual Storm Raging in Northwestern Pennsylvania.

Corry, Pa., Feb. 22.—In the history of this region no storm ever reached the fury of today's blizzard. With half a dozen feet of snow on country roads and outlying districts, and Hatch 4 feet buried under 12 feet of snow, Corry fought about the worst part of the storm.

The Western New York and Pennsylvania railroad accommodation train, due here this evening, was stalled in a drift higher than the engine stack, while rushing down a huge grade south of this city. It was dug out with difficulty and again started on its precarious journey toward Buffalo. It probably will not get through tonight. This road is operating its trains with three engines, and has three plows at work on 90 miles of track. The worst drifts are at Summerville, where they reach a height of 20 feet in spots. On the Philadelphia & Erie, a snow plow jumped the track at Jackson's, while endeavoring to force its way through a big drift. Traffic was delayed several hours. For the first time in many years this road has been compelled to use snow plows. The Erie is also compelled to operate hastily improvised snow plows, something unheard of on the main line west of Salamanca. The Lake Shore & Nickel Plate are running their trains, but many hours behind time.

LYNCHING IN ARKANSAS.

Negro Fiend Hanged by a Furious Mob—Had a Bad Reputation.

St. Louis, Feb. 22.—A special from Mesa, Ark., says: A mob of eight determined men took Peter Berryman, a desperate negro, out of the city jail at 1 o'clock this morning and hanged him to a tree. The crime of which Berryman was accused was an assault on a 12-year-old girl, whose condition is critical. The masked men met Night Officer Jones and compelled him, at the point of guns to hand over the keys and his revolver to them. They were left to guard Jones, while the others went to the jail and secured the negro. About 2 o'clock they were returned to where the officer was being guarded, and gave him his keys and gun. Then the men quietly disappeared without a word.

About two months ago this negro attacked an engineer with an ax, nearly killing him, and he has been guilty of numerous other offenses. Prompt action was taken by the authorities, but no clew has been found as to who are the members of the mob.

New Minister From Colombia.

Washington, Feb. 22.—Dr. Carlos Martinez Silveira, the Colombian minister of foreign affairs, appeared at the state department today to arrange for the presentation of his credentials as minister of Colombia to Washington.

Rumor of a Chinese Loan.

New York, Feb. 22.—There has been some talk in Wall street of an attempt of the Chinese government to float a loan in this country of \$200,000,000, to meet the expenses of the Boxer uprising, and to pay indemnities, etc. It is said that Minister Wu has approached a number of bankers, and has suggested that it would be possible for the government to guarantee the loan by an increase of the customs above the point upon which England has a lien.

A \$31,000 SHORTAGE

Discovered in the Books of the Oregon Land Office.

IT COVERS THE YEARS 1894 AND 1895

Total Collections in That Period Were \$99,689.03—Only \$68,739.30 Has Been Accounted For as Yet.

Salem, Feb. 22.—The discovery of a delinquency of \$30,949.73 is the substance of the report made by the joint committee appointed to examine the books and accounts of the state land department. The alleged misappropriation occurred in 1894 and 1895, under the administration of George W. Davis, as clerk of the board. It appears that the shortage was effected in various amounts, by taking credit twice for one payment of money, or by altering the book entries so as to credit the clerk with more money than he had paid. In some cases it is barely possible that an innocent error was committed, while in others there is a plain alteration of the books by erasing one set of figures and writing in others.

The committee found no errors in the accounts of the present administration, and so reports.

The report is as follows:

"We, your committee appointed under concurrent resolution No. 5, beg leave to report as follows:

"That we have checked up the school funds up to and including 1894. That for the years 1894 and 1895 we find that the clerk of the state land board has collected money to the amount of \$30,949.73, which said sum has never been turned over to the state treasurer. We append a statement hereto annexed and marked Exhibit A, showing the amounts collected and the amounts for which the said clerk has receipts. The balance, as shown, was never turned over to the treasurer, but the books were balanced by a number of false entries. The principal entry credited the school fund with \$10,449.94 twice, when he had but one receipt covering the amount; another being a raise of \$3,000 on a receipt of the treasurer, and a number of others for which he held no receipts.

"We submit herewith a statement showing those we have found to date.

There may be others that we have not found, owing to limited time at our disposal, having used the greater part of our time before we came to this.

"For the past five years we find all money turned over to the treasurer as by law required. The present officers have been very kind and obliging to us, showing us every courtesy possible, and furnishing us with all papers and books requested. In regard to investigation of land matters we beg leave to say that our work is just fairly commenced. This is a work of no small magnitude, and requires a vast amount of careful and painstaking work. It is a work of great importance to the state, however, and should be attended to."

THE SIOUX MAY RISE.

Indians Seriously Contemplate Opening Hostilities—Council Meeting Held.

Omaha, Feb. 22.—Information from direct sources obtained by the World-Herald, indicate that the Sioux Indians are seriously contemplating an uprising, if demands now being formulated for submission to Washington are not complied with. Several council meetings have already been held, particularly among the Ogallala Sioux, and preparations are now being made for a great council to select delegates to Washington. Owing to a desire to avoid sensationalism, the gatherings of the small councils have been given little notice, but the aspect is now considered grave.

Recent orders of the Indian commissioner are responsible, say the Indians, for their attitude. One chief openly declares hostilities will begin if relief is not forthcoming. The trouble is over the cutting down of supplies and a claim unpaid for ceding of the Black Hills.

The secret convention believed to have been concluded between Russia and China bids fair to prove a source of serious trouble in the far East. The Japanese press accepted the report as to the existence of a secret Russo-Chinese understanding without reservation.

Both Marquis Ito and Mr. Kato, minister for foreign affairs, have admitted that the present situation cannot be passed over, and instructions have accordingly been sent the Japanese representatives in London and Berlin to ascertain the exact views of the governments to which they are accredited. The minister of foreign affairs has dispatched an official telegram to St. Petersburg, asking for a definite reply regarding the alleged existence of a secret agreement.

HOLDINGS OF THE FRIARS.

Secretary Root's Answer to a Resolution of Inquiry.

Washington, Feb. 24.—Secretary Root has made answer to the resolution of the senate calling on him for information as to the extent of the holding of lands by religious orders in the Philippines, and as to any declaration made by him or obligation assumed respecting the disposition of these lands.

The secretary, by way of answer, refers to the president's instructions of April 7, 1900, to the Philippine commission, directing the commission to endeavor to investigate the land title of religious orders and to endeavor to afford justice and to settle these in a manner to safeguard property rights and equities. It is added that no one in behalf of the United States government has entered into any obligation other than that set out in the peace treaty in regard to these lands, nor has any policy been announced. The commission has stated the result of its inquiries under this instruction in its report, especially in the sub-divisions entitled, "the friars," "public lands," and "land titles and registration."

The commission has especially investigated the San Jose college claim, and referred it to the supreme court of the islands.

To Pay Washington Surveyor.

Galt, deputy surveyor, for certain surveys made in the state of Washington during the year 1895. The account, like many others, has been held up by irregularities, but is recognized as entirely meritorious. If provision is made for its payment, it will be on one of the general appropriation bills.
