Empty barrels for sale by C. B. Wilson.

Attend the farmers' institute, next Tuesday and Wednesday.

Leave orders at Wilson's Grocery for expressing or light hauling.

Miss Effie Plankington of Perrydale came down last Friday and visited several days with friends in town.

That bankrupt stock of shoes at W. H. Morris' store has been going down steadily. A few left at bed rock prices.

Miss Jennie Crawford of McMinnville College visited in Newberg over Sunday with her sisters the Misses Ella and Gussie.

Photographs cheap, but not cheap photographs—twenty-four stamp pictures for twenty five cents at Smith's photo gallery.

N. M. Snodgrass who is down from North Yakima, Washington, after more dairy cows, spent Sunday with friends in Newberg.

Mr. and Mrs. H. F. Allen of Portland are visiting in town with the home folks this week, in the absence of W. K. Allen who is east.

Farmers I want your eggs. I will give cash for them. Egg packers furnished free to those wishing them.

Webb Coffin moved his family down from Dayton the first of the week. They are occupying the house just west of Wm. Strattons, formerly owned by Joseph Wilson.

L. M. Parker and E. H. Woodward drove up to McMinnville Sunday and visited with county recorder J. L. Hoskins. They found him very much improved in health and almost ready for work again.

Acker's Dyspepsia Tablets are sold on a positive guarantee. Cures heartburn raising of the food, distress after eating or any form of dyspepsia. One little tablet gives immediate relief. 25c and 50c. C. F. Moore & Co.

A family named Brunson, arrived the latter part of last week from Sterling, Kansas, and will make their home here, having moved into the house west of the Fair Store. They were slightly acquainted in Kansas with Rev. L. D. Barrs.

The school meeting Monday afternoon was well attended. The patrons of the school testified to their appreciation of the service of J. C. Colcord by re-electing him as director, practically without opposition. Joseph Wilson was almost the unanimous choice of the meeting for school clerk for the ensuing year.

The delegates of Pacific College to the meeting of the state oratorical association at Corvallis to-day are, Freshmen, Miss Carrie Turner, John Weed; Sophomores, Miss Lucy Gause, Dwight Coulson; Juniors, Miss Norvia Wright, Robert Jones; Seniors, Miss Clara Newby, Carroll Kirk. Mr. Kirk is chairman of the delegation.

A Portland liveryman passed through town Wednesday, who had been up and down the country in search of horses for the government cavalry service in the Philippines. He had three with him here, also a couple of specimens of the real "government mule." He made the purchase of a horse of Lon Hadley for a cavalry animal.

Messrs. Christensen & Houck recently purchased 22,000 pounds of wool from Frank and Al Fletcher of LaFayette, the deal amounting to over \$3000. This is believed to be the largest single transaction in wool ever made in Yamhill county. The Fletcher boys had held the clip nearly a year in the hope of a higher price, but instead the price fell off several cents per pound. Experience in both wool and wheat selling goes to show that in the great majority of cases it pays to sell when the market is at its height.—Reporter.

Citizens of Newberg and vicinity should be preparing to attend the farmers' institute here, beginning next Tuesday evening and holding over Wednesday. The institute will be given by the State Agricultural college, led by Dr. Withycombe, and will no doubt be beneficial. The people pay the taxes which support this state institution and now is a chance to get some of the money back. The first session will be held Tuesday evening, 7:30 o'clock, in Craters hall, with three sessions on Wednesday at 10 a. m., and at 1:30 and 7:30 p. m. Posters are up about town giving further particulars.

The surprise sprung by the accountants who have been expending the books of Yamhill county officers, has created no little sensation throughout the county. When shortages were shown up of \$1539.11 against treasurer Rhoads, \$4144.45 against ex-sheriff Warren, \$2040.23 against ex-sheriff Henry, \$2116.85 against ex-sheriff Henderson, people naturally jumped at the conclusion that Yamhill had had an enterprising set of officials, but after a few sober thoughts, many explanations may be found, and few believe the men in question to be dishonest. The Reporter lays much of the blame to our bad system of book keeping and says: "The investigation, as we understand it, was undertaken as a purely business proposition. The reputation of these gentlemen against whom shortages are found may suffer for the time being because of failure of people to suspend judgement. They claim, and should know whereof they speak, that \$19 out of every \$20 can be explained. At any rate, their side is yet to be heard from, and the emblematic statue of justice is always blindfolded while she holds in her hand the delicate balances. It should result in a saving to the county of several hundred dollars a year by the introduction of a better system, who shall say that the ends have not justified the means."

C. B. Wilson is still paying cash for produce.

F. F. Seely, of Wilsonville, was in town last Monday.

Mrs. Andrew Pickett went down to Portland the first of the week to take treatment for her eyes which have been troubling her for some time.

The best of fresh and salt meats the market affords will be found at the Newberg Meat Market. The highest prices paid for butcher's stock.

Van Leavitt returned home for a few days vacation Monday evening from down near Grants Pass where he has a good job with the railroad company, doing galvanizing work on their trestles.

Rev. A. Winter of the Evangelical church will preach in the Presbyterian church next Sunday at three o'clock. Those who have heard Rev. Winter speak in very high terms of his sermons.

Mrs. Ellen McGrew died of consumption Tuesday evening at her home above Dundee. She was nearly fifty years old, a member of the Methodist church, and leaves four children, her husband having died of typhoid fever something over a year ago. The funeral services were conducted Thursday.

Rev. Wm. Hobson, of England, who has been conducting bible readings and a course of lectures at Friends church will continue with a gospel meeting for men only this evening. On Saturday evening his subject will be "Wm. Penn" and on Monday evening "Stephen Grellet." On Sunday he will have charge of the services both morning and evening. A cordial invitation is extended to the public to attend.

Rev. Herbert T. Cash, who for some time has been doing very successful work as pastor of the Friends church at Sherwood, has lately accepted a call to become pastor of the church at Boise, Idaho, and he and Mrs. Cash go the latter part of this week to take up their new work. Friends in Newberg and vicinity will sorely miss the inspiring presence of Rev. and Mrs. Cash, but wish them much success in their wider sphere of usefulness.

The entertainment given in the Friends church Thursday night of last week by Miss Bulemaer of Portland, was thoroughly appreciated by the good sized audience present. The lady is a talented reader, who is full of expression and gave a good choice of selections. In her lighter vein the "Sweet girl graduate" was a decided hit, while on the other hand "Hagar" and "My Ships" were as ably rendered. The next number of the course will be given next Tuesday evening, March 12.

We would echo a hearty amen to the sentiment thus expressed by an exchange: A well meaning communicant is a boon to the newspaper reporter and it is a noticeable fact that many good items are lost to the newspaper every day by the modesty of the people who hesitate to tell the reporter of matters concerning themselves. The right way to do is to stop the reporter on the street, or any place you meet him and tell him you have been entertaining friends, have been on a visit or anything that in any way is a matter of news.

The third number of the lecture course will be given next Tuesday evening in the Friends church by Miss Ethel Webb and W. Graham Hodson of Portland, the former a reader and the latter a soloist. Miss Webb is a graduate of the Toronto conservatory of music and elocution, while Mr. Hodson, a brother of the famous soloist of Westminster Abbey London, received his musical education in London. All the selections used in their recitals of song and story are from the best standard authors and from the best masters of music. They are expected to give a very satisfactory evening's entertainment.

Col. C. J. Holt, the temperance lecturer, beginning with last Friday night has been addressing large audiences in Newberg, closing up his work here Thursday evening. To the majority of people who wished to see some real temperance work done in Newberg Mr. Holt's efforts have been a disappointment. We give the gentleman credit for saying many good things, but we believe he could have put them all in one lecture, omitted the non essentials, and have left Newberg with a better impression among the people. The general sentiment here as we have found it seems to be that less of Holt and more of temperance would have been more in order.

Pacific College goes up to Corvallis to-day with flying colors and will take a much larger delegation than she has ever before sent to a state contest. Between fifty and sixty persons, the majority being students of course, board a chartered car right here at the depot this morning which is to be pulled up to Whiteson and hitched in with the regular Corvallis passenger train. The car will be appropriately decorated for the occasion, and what little is lacking in that particular the routers intend to make up with a new set of spicy, gingery yells. Forest Grove, McMinnville and Monmouth will also have chartered cars in the same train, and altogether the students are expecting a merry time of the trip.

After having made a survey of Newberg last fall by order of the city council, Cap. H. S. Maloney, of McMinnville, made a map of the town which has been photographed. A few copies have been left at the postoffice for sale at forty cents each.

Rev. T. Bonillette of the Presbyterian church was in town last Friday and Saturday looking after the interests of the church here which has been without a pastor for some time. He has been located at Gervais but will now take charge of the work at LaFayette, Newberg and a church in the Yergan neighborhood across the river. If he can find a suitable house he will move to Newberg about the first of April.

The committee on Fire and Water reported that it had nothing new to report concerning the reservoir and asked that the matter be settled. It was moved that the old reservoir be repaired, instead of building a new one. The vote was a tie which Mayor Edwards decided in favor of the motion.

The committee on Streets and Public Property brought forward the necessity of keeping sidewalks in good repair.

The Young Man's Chances To-day.
"A young man of capacity, industry and integrity has as never before existed in this country," writes Edward Bok of "The Times and the Young Man" in the March Ladies' Home Journal. "And success is neither harder nor easier than it ever was. Success never yet came to the laggard, and it never will. Let a young man be capable: have enterprise, be willing to work, and carry himself like a man, and he goes where he will. His success depends upon himself. No times, no conditions, no combinations of capital can stop a young man who has a determination to honorably succeed, and who is willing to work according to the very utmost of his capacity and sinews of strength. The real trouble is that the average young man won't work. He has gotten the insane notion into his head that success comes by luck: that

men are made by opportunities which either come to them or are thrust upon them. And he waits for luck or a chance to come along and find him. Instead of taking the same view of conditions and seeing with a clear mind that as trade widens opportunities increase, he takes the mistaken view that the rich are getting richer and the poor poorer. These are the conditions of mind and life which are keeping thousands of young men down, and will keep them down. The times are all right. It is the young man who finds fault with them who is not."

Distinguished Testimony

No secret society in the world stands higher in noble aims and charitable accomplishments than the Knights of Pythias. That order is doing great good.

and one of its finest institutions is the Ohio Pythian Home, at Springfield, Ohio, which is ably presided over by Superintendent Le Fevre and his wife, Mrs. Callie I. Le Fevre, the matron. The latter has recently written a letter, which will command widespread attention because of the prominence of the writer. It is as follows:—"Messrs. W. H. Hooker & Co., New York: Last year I used Acker's English Remedy at the suggestion of a friend, for a serious, long-standing throat difficulty and extreme hard cough. Had used many well-spoken-of preparations without relief. I can honestly say that Acker's English Remedy removed the difficulty and stopped the cough. I did not purchase or use more than three bottles, and at least one-half of the last is still on hand. I also consulted physicians with no permanent results." (Signed) CALLIE I. LE FEVRE.

The friend to whom Mrs. Le Fevre refers as having suggested Acker's English Remedy is Mrs. W. B. Chilton, wife of the president of the Troy Transfer Co., of Troy, Ohio, where this remedy has accomplished many other cures in Throat and Lung Troubles. In conversation with an acquaintance Mrs. Le Fevre also said: "If you will call on Mr. W. H. Schuess, a prominent china and art merchant of Springfield, Ohio, you will find that he, too, has had any amount of experience with Acker's English Remedy in his family, and thinks they cannot keep house without it."

Acker's English Remedy is sold by all druggists under a positive guarantee that your money will be refunded in case of failure, etc., etc., and a bottle in United States and Canada. In England, etc., etc., and a bottle in
