Willie Anticipated Trouble.

"Mamma," said five year old Willie, "I wish you would not leave me alone with the baby when you go out this afternoon."

"Why not, Willie?" queried his mother.

"Because I'm afraid I'll have to eat all the cakes and jam in the closet just to please her."

Arduous Task.

"I hear that you have been laid up with nervous prostration. What was the matter—overwork or worry?"

"Not exactly; the fact is, I tried to have a photograph taken that suited my wife."

One Indian Tribe Increasing.

The Penobscot tribe of Indians, which numbered 240 in 1800, is now about 400 strong. Maine appropriates annually $8,000 for their benefit.

Room for Improvement.

"Say," remarked the impatient passenger, who was traveling on business in the South, "is this the fastest train you have down here?"

"Yes, suh," replied the conductor, proudly, "this is the Southwestern limited, suh."

"Well, your company ought to raise the limit, that's all."

One Strong Reason.

Magistrate—The assault you have committed on your poor wife is a most brutal one. Do you know of any reason why I should not send you to prison?

Prisoner—If you do, your honor, it will break up our honeymoon.

Lesson I.

"What do the Filipinos appear to learn most easily in connection with our civilizaion?" asked the eager inquirer.

Without hesitation the strategist replied:

"The value of money."

Millions for Baseball.

A million of dollars are spent every year upon the game of baseball, but large as this sum is, it cannot begin to equal the amount spent by people in search of health. There is a sure method of obtaining strength, and it is not a costly one. We urge those who have spent much and lost hope to try Hostetter's Stomach Bitters. It strengthens the stomach, makes digestion easy and natural, and cures dyspepsia, constipation, biliousness and weak kidneys.

Cause for Rejoicing.

"How pretty and clever you are, mamma," exclaimed little Edith.

"Do you really think so, my dear," replied her mother.

"Course I do," replied Edith, "and I'm awful glad you married into our family."

A VETERAN

Tells of a Thrilling Experience in the Civil War and How a Newspaper Article Saved His Life.

From the Beacon, Leonardstown, Md.

Many veterans of the rebellion can recall incidents as thrilling as the cavalry charge in which the narrator of the following experience nearly lost his life, and, unfortunately, many of the old soldiers have disabilities that are unpleasant reminders of their days in the army. To all such this story will have a peculiar interest and may show the way to restore health, strength and energy. Mr. William H. Whiting, of Mt. Holly, Va., says:

"When the Civil war began I was living in Buffalo and there I joined Co. F, of the Tenth New York Cavalry. In 1863, while serving with my company, I received a sabre cut that caused paralysis. For eight months I was obliged to lie in the hospital at Washington, D. C. I afterwards tried many doctors, but the paralysis remained as bad as ever. I suffered from chills and my general health was not good.

"This continued until about eight years ago when I read in a newspaper of the cures effected by Dr. Williams' Pink Pills for Pale People. I began taking the pills and soon found they were doing me good. In six months' time I was completely cured. The paralysis has not returned and I never have the chills now. My general health is also better than when I began taking Pink Pills for Pale People. I alway keep them with me and, in the eight years that have passed since I first took them, I have never had occassion to call on a doctor.

"I have recommended Dr. Williams' Pink Pills to many people, and good results have always followed their use."

Signed, WILLIAM H. WHITING.

Subscribed and sworn to before me this 14th day of January, 1901.

Women Must Sleep.

Avoid Nervous Prostration.

If you are dangerously sick what is the first duty of your physician? He quiets the nervous system, he deadens the pain, and you sleep well.

You ought to know that when you ceased to be regular in your courses, grow irritable without cause, and pass sleepless nights, there is serious

trouble somewhere, and nervous prostration is sure to follow.

You ought to know that indigestion, exhaustion, womb displacements, fainting, dizziness, headache, and backache send the nerves wild with affright, and you cannot sleep.

Mrs. Hartley, of 221 W. Congress St., Chicago, Ill., whose portrait we publish, suffered all these agonies, and was entirely cured by Lydia E. Pinkham's Vegetable Compound; her case should be a warning to others, and her cure carry conviction to the minds of every suffering woman of the unfailing efficiency of Lydia E. Pinkham's Vegetable Compound.

Sacred Lily's Aliases.

Deception has even reached the disciples of Flora. There has lately been intrduced into the market a bulb called "the sacred lily of the Nile. The name is sufficiently catchy to capture lovers of flowers. A gentleman added one of the new flowers to his conservatory. Time passed and up came the plant, but when the sacred "lily of the Nile" appeared he found only an old, but still agreeable friend in the homely narcissus.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address

begins in the bowels. It's the unclean places that breed infectious epidemics, and it's the unclean body—unclean inside—that "catches" the disease. A person whose stomach and bowels are kept clean and whose liver is lively, and blood pure, is safe against yellow fever, or any other of the dreadful diseases that desolate our beautiful land. Some of the cleanest people outside are filthiest inside, and they are the ones who not only "catch" the infections, but endanger the lives of all their friends and relatives. There's only one certain way of keeping clean inside so as to prevent disease and that is to take CASCARETS. Perfect disinfectant and bowel strengtheners. All diseases are
