Long Live Pacific College. The canvass which has been in progress since the first of the year for cash and subscriptions to meet the total indebtedness hanging over Pacific College was completed on last Monday and the committee composed of Hon. Clarence Butt, W. C. Kruger and S. M. Calkins, which was appointed to examine the list of subscriptions, met in the evening and after going over the papers gave the board a written statement to the effect that the full amount of \$12,000 had been subscribed. The amount in cash and subscriptions foots up considerably more than \$12,000 and the committee stated that the list was an unusually good one. As soon as it was ascertained that the amount had been subscribed the flag was run up the flag staff on the college building, the bell was rung and there was general rejoicing in town. It has taken hard, persistent work to raise this money but since it is an accomplished fact, all who have had anything to do with pushing the work look back over the field with a degree of pleasure and forward to years of more successful work on the part of Pacific College. Next week the Graphic will give an extended account of the work of the college in the past which it is hoped will be of interest to the public. In the meantime tell the public that the money is raised to pay the debt of Pacific College.

Many thousands have been restored to health and happiness by the use of Chamberlain's cough remedy. If afflicted with any throat or lung trouble, give it a trial for it is certain to prove beneficial. Coughs that have resisted all other treatment for years, have yielded to this remedy and perfect health has been restored. Cases that seemed hopeless, that the climate of famous health resorts failed to benefit, have been permanently cured by its use. Bear in mind that every bottle is warranted and if it does not prove beneficial the money will be refunded to you. For sale by C. F. Moore & Co., druggists.

Does not depend on the start but on the finish. It's staying power which carries many a runner to victory. It's like that in business. Many a man starts off in the race for business success with a burst of speed which seems to assure victory. Presently he begins to falter and at last he falls and fails. The cause? Generally "stomach trouble." No man is stronger than his stomach. Business haste leads to careless and irregular eating. The stomach and other organs of digestion and nutrition become diseased. The body is inadequately nourished and so grows weak.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It strengthens the stomach and so strengthens the whole body which depends on the stomach for the nourishment from which strength is made.

There is no alcohol in "Golden Medical Discovery," and it is entirely free from opium, cocaine and all other narcotics. Accept no substitute for the "Discovery." There is no medicine "just as good" for diseases of the stomach and allied organs.

"Your 'Golden Medical Discovery' has performed a 'wonderful cure,'" writes Mr. M. H. House, of Charleston, Franklin Co., Ark. "I had the worst case of dyspepsia the doctor says, that they ever saw. After trying seven doctors and everything I could hear of, with no benefit, I tried Dr. Pierce's Golden Medical Discovery, and now I am cured."

I took a bottle of Chamberlain's Colic Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days time the child had fully recovered. The child is now vigorous and healthy. I have recommended this remedy frequently and have never known it to fail.—Mrs. Curtis Baker, Bookwalter, Ohio. It Has Never Failed. Mr. C. S. Peaslee, the well-known druggist of Morgan City, La., is highly thought of in his neighborhood because of his skill and care in filling prescriptions. The best physicians in the place send their patients to his store whenever they can. Anything which Mr. Peaslee may say can be depended upon absolutely. In a letter to W. H. Hooker & Co., New York City, proprietors of Acker's English Remedy, he says: "In all my many years' experience as a druggist, I have never handled a medicine of any nature that gave such complete satisfaction as Acker's English Remedy for Throat and Lung Troubles. I have sold hundreds of bottles, and have yet to learn of a single case where it failed to cure. In a croup, it acts with a certainty that is really marvelous. My wife does not take much stock in medicine, but she has absolute faith in Acker's English Remedy, always having it at her elbow in case the children are attacked by croup at night. It is a positively harmless remedy, as I can personally testify. I know of a little girl who accidentally drank a whole bottle. She was, of course, sick at her stomach for a short time, but the sickness passed away, and then the child was in better health than ever before. I can understand why Acker's English Remedy is so efficacious, because I am a druggist. It is not a mere expectorant, but a strengthening, invigorating tonic as well. While it heals the irritations of the mucous membrane, it also builds up the constitution and purifies the blood. I endorse it absolutely." Sold at 25c, 50c, and \$1 a bottle, throughout the United States and Canada; and in England, at 1s, 2s, 3s, 4s, 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back. We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York. For sale by C. F. Moore & Co.
