Miss Alice Gray of Albany came down the latter part of last week and visited a few days with Nelson Sykes with whom she was acquainted in Michigan. Rev. Elwood Armstrong and wife of Tillamook county have been visiting here this week with the former's brother Elmer and family. Rev. Armstrong preached a very good sermon in the Friends church Sunday evening. John Walker of West Chehalis was at work the first of the week remodeling a barn into a hop house, when he lost his balance and fell heavily about twenty feet. The result of the fall was a broken nose, a bad cut on the face and some very severe bruises. C. J. Edwards has canvassed the town this week in the interest of their proposed electric light plant and has been meeting with very fair success. The opportunity is now here for those who have been so zealous in their loud demands for electric lights to show their hand. Carl Ehret of Portland who is rapidly recovering from an attack of appendicitis, a successful operation having been performed, visited here Friday and Saturday with his brother Henry. He intends to be back in his old position soon as salesman for Olds, Wortman & King. Mrs. Hester Schmakell of St. Paul, Minnesota, and little one year old daughter, visited here Sunday and Monday with Mrs. F. A. Elliott. Mrs. Schmakell, formerly a student of the college here as Miss Hester Henry, is out visiting her father at Tualatin, who will probably go back and make his home with her in St. Paul. Will Comer, of Seattle, who had just returned from a business trip to England, arrived here last Friday evening and visited a few days with relatives. He has expected to help assist his sister's husband, Mr. Fred Abbe, who had sustained a serious accident and whose recovery was considered doubtful. Springbrook is making itself known as a cherry producer this season. On the noon train Tuesday there were shipped altogether to Portland two hundred and forty-nine boxes of this fruit, aggregating over ten thousand pounds. Several car loads of cherries have also gone out from Newberg within the last few days. Jess Edwards' team driven by E. F. Hubert was hauling the milk up to the creamery last Friday morning, when taking sudden fright, they lit out north up Meridian street across the railroad and were not finally headed off until out near the McCollum place. As a result of the little spin' the creamery output for that day was not quite up to the average. A young hopeful who was anxiously waiting for a team to start the family on the road to the seaside to rusticate one morning this week was clothed in a heavy overcoat and in the pockets were two pairs of woolen mittens. And the youngster had his apparel arranged about right too. If the air is any cooler at the beach than it is here at home those who are headed that way will do well to provide themselves with hot water bottles. A paper has been received at this office from Port Angeles, Washington, announcing the marriage here that place, at the home of the bride's parents, of Miss Maud Haworth to Ellsworth B. Stone, of Tacoma. The bride is a daughter of Rev. Lindley M. Haworth and wife, who for several years made their home in Newberg, while the groom is chief engineer on one of Tacoma's crack passenger boats. The newly wedded couple will make their home in Seattle. Hon. Clarence Butt left yesterday morning for a visit in the East, with the intention of first visiting Valparaiso, Indiana, where he attended college and was graduated in the law department. His family which is visiting there for the present, will accompany him thence to his old home in Eastern Pennsylvania, which he has not seen for nine years. While in the East Mr. Butt will doubtless attend the Buffalo Exposition, as well as visit Philadelphia and other prominent Eastern cities, and will rusticate on the beach where the proud Atlantic chases her strand. Mr. Butt and family will return about September 1.

Mrs. Wesley Boyes of Gervais has been visiting in town this week with her parents Rev. and Mrs. T. Brouillette. A pair of twin boys is reported to have arrived at the home of Mr. and Mrs. Chas. Shires out at Meadow Lake. Miss Mabel Edwards went down to Portland Wednesday morning to begin a course of lessons in hand painting on china. C. E. Newhouse and family of Springbrook drove up to the county seat Sunday and visited County Recorder J. L. Hoskins and family. Lon Hills and Curt Parker came in Wednesday morning from the former's "ranch" near Kings Valley where they had been rustating. Frank Elliott, accompanied by Walter Macy left Monday morning for several weeks work in the big timber district beyond Scotts Mills. Dixon has been over at Scotts Mills this week working at his profession and attending the religious meetings being held there. Mrs. F. A. Elliott and son John and Mrs. W. K. Allen, daughter Edna and grandchildren left Wednesday morning for a summer's outing at Newport. Miss Jessie Britt has been attending Chautauqua at Gladstone Park this week and has been assisting the instructor of the physical culture class. Regular services will be conducted at the Presbyterian chapel Sunday at 11 o'clock a. m., "Life's Conflict" being the subject of the discourse. Special music will be rendered. On Thursday, July 4, at the home of the bride's parents in Portland, Miss Clara Stratton, daughter of Mr. and Mrs. D. P. Stratton, formerly of Newberg, was married to Mr. Harry Heltzel. Prof. Edwin Morrison and family left Newberg Monday for their new home at Okaloosa, Iowa. They are followed by the best wishes of a host of friends, for much success and happiness in their new field. Cuts and bruises are healed by Chamberlain's Pain Balm in about one third the time any other treatment would require because of its antiseptic qualities which cause the parts to heal without maturation. For sale by C. F. Moore & Co., druggists. The Newberg Land Company has prepared a circular of information regarding Newberg and Yamhill county. Anyone having a friend East they would like to have supplied with such information will be accommodated if they will leave the name and address at the company's office. "Why not spend the vacation at Yaquina Bay, where can be had excellent fare, good fishing, good boating, safe bathing, alluring rides and rambles? The course and exercises at the Summer School, of 1901, at Newport, will afford great variety of instruction, diversion and entertainment. No other resort offers equal attractions and advantages." On last Saturday evening at the home of Mr. and Mrs. Jesse Edwards a farewell social was given Prof. and Mrs. Edwin Morrison, attended by the college faculty, the board of managers and a few other friends. After refreshments had been served, Prof. J. C. Hodson spoke in behalf of the company, assuring the professor and wife how their work here is appreciated and how their departure is deeply regretted by all. Prof. Morrison replied to the effect that he expected never to find a place where they would have as many warm, sincere friends and where they would so much enjoy their work as they have at Newberg. Dr. J. W. Watts, for years a prominent citizen of Yamhill county, died last Saturday forenoon at his home in LaFayette, at the age of 69 years, his death being hastened by injuries received two years ago, when, on a railroad crossing near LaFayette he was run into by the train and thrown heavily from his buggy. In the death of Dr. Watts, the state loses a man versatile in talents and always active in public service. In political circles he was a man of recognized power and often, as the champion of republicanism led Yamhill republicans to victory. In 1888 he was called East where he stumped the state of Connecticut for Benjamin Harrison. Otherwhere in this issue will be found an interesting leaf of political history in which he played the leading part. He was also a leader in reform movements, and for years was one of the prominent temperance workers of this state, at one time being vice-president of the National Temperance League. Dr. Watts took great interest in Sunday School work, he himself being a close bible student, and a minister in the Congregational church. Massive and imposing in physical stature, courageous in his convictions, sound in his integrity and warm hearted in friendship, Dr. J. W. Watts was a man among men, whose name will not soon be forgotten.

The Star Bakery for ice. Garden Hose at Storey's. E. S. Craven lost a valuable horse last Sunday. Alfred Moore is up from Oregon City visiting relatives. For Sale—A good milk cow, fresh. Also Jersey heifer five months old. E. C. Armstrong. Rev. John Glenn of Dayton will occupy the pulpit at the Free Methodist church next Sunday morning. W. J. Stater while stopping over in a town over in Washington recently attended a church fair where tickets were being sold for a chance at drawing a set of dishes, the proceeds to go toward paying for a new parsonage. A real good looking young lady smiled on William and asked him to buy a ticket and he being of a pious disposition yielded and plunked down a quarter, saying he always liked to help churches, especially when there was an interesting game of chance in connection with the deal. Since arriving home he has had a letter from the pastor informing him that his ticket drew the prize and asking him to go them one better by making a donation of the dishes for the good of the cause. This is no square deal according to all rules for dealing in futures and the pious pastor is up against the wrong man when he takes an Oregonian, who is on the road selling harvesting machines, for a tenderfoot. That set of dishes will be the ultimate more congenial on the other side of the mountains. Something of a sensation has been caused here the last few days among property owners, owing to the action of the county in selling property for delinquent mortgage taxes, no notification to the property owners being given. The trouble seems to have arisen from action taken by the state legislature, whereby if the tax on a mortgage is not paid by the holder of said mortgage, and becomes delinquent, the property under the mortgage must be sold. As a result many of our citizens who have clear deeds to their property, have found that probably some years back the tax on a mortgage long since paid off, is delinquent and that their property is being sold without their knowledge. A friend at court in the person of Recorder J. L. Hoskins informed different Newberg citizens of the state of affairs, and on Monday Clarence Butt went up to McMinville and acted for parties in this neighborhood by buying in the different pieces of property for sale at very nominal sums, considerably less than the delinquent taxes for which they were being sold. As is natural, the dissatisfaction over this condition of affairs is general. A Healthy Growth. Acker's Elixir has gained a firm hold among our people and is acknowledged to be the superior to all other preparations. It is a positive cure for all blood and skin diseases. Only fifty cents a bottle and we guarantee it. C. F. Moore & Co. druggists. The Glorious Fourth on the Luckiamute. Luckiamute Camp, July 7, 1901. Editor Graphic:—The glorious 4th has come and gone and while the cities and towns were having their celebrations and big times, we were having a celebration of our own. Promptly at 4 o'clock the Com. on Fireworks began operations and such an awakening the denizens of these mountains never heard before. During the day various kinds of amusements were had and refreshments were served at seasonable hours. Everybody seemed to be enjoying themselves to their fullest capacity. After dinner at the "Boarding Hall" several fishing parties went after the festive trout with fair success. In the evening we had fireworks and speeches and a game of ball by several ladies and gentlemen. All hands retired to rest well satisfied that they had had a good time celebrating at Spaulding's Camp up in the high mountains of the Coast Range as those who went out to the various towns. The entire success of the day is properly due to Wm. McLaughlin, W. B. West and Wm. Duprey, as a committee of arrangements. Mr. L. S. Hill and family and Curt Parker came up from the "ranch" and spent the day with us. Lon appeared to be enjoying himself as much as anyone. Mr. Chas. Franz of the Hoskins Sawmill Co. was also present and did his share to make things pleasant for all. XXX. Mrs. Rose Harris of Portland is visiting at her father's, J. L. Vickrey's, Mrs. Vickrey having been very sick but is improving some. Mr. Edwards the merchant who was here two years ago has landed here again after three or four moves since he left here. The Best Remedy for Stomach and Bowel Troubles. "I have been in the drug business for twenty years and have sold most all of the proprietary medicines of any note. Among the entire list I have never found anything to equal Chamberlain's colic, cholera and diarrhoea remedy for all stomach and bowel troubles," says O. W. Wakefield, of Columbus, Ga. "This remedy cured two severe cases of cholera morbus in my family and I have recommended and sold hundreds of bottles of it to my customers to their entire satisfaction. It affords a quick and sure cure in a pleasant form. No family should be without it. I keep it in my house at all times." For sale by C. F. Moore & Co., druggists. TO WATER CONSUMERS. His skin slowly changed color, also his eyes and he suffered terribly. His malady was yellow jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful stomach and liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all stomach, liver and kidney troubles. Only 50c. Sold by C. F. Moore & Co., druggists. Free trial bottles. Real Estate Transfers. Reported by the Yamhill Co. "Is God's Good Blessing" "I feel that God has blessed Dr. Acker with special knowledge to prepare that grand medicine called Acker's English Remedy for Throat and Lung Troubles. It saves children every time when they are attacked by croup. Every mother should know about it, and I will tell about my experience. I had a darling boy of four years to die with croup. My doctor did all he could, but the child could not be made to vomit. That was before I knew of Acker's English Remedy. After I did hear of it, I got a bottle. When our little eighteen-months-old girl was stricken with croup, I gave her this medicine, and inside of twenty minutes she vomited and was better right away. During the winter she had croup four times, and it brought her through each time all right. I, myself, had bronchitis pretty bad, and Acker's English Remedy cured me completely. Before I close, I want to tell you of my neighbor's boy, named Jobe Nana. He had bronchitis, too. He got worse all the time. My husband went over to his house and told him about my case. Then his mother went to town, got a 50-cent bottle of Acker's English Remedy, and he took it. He came over to our house a few days later and said he was all right, and also said two doses relieved him from the start. You can understand by my letter why I think so much of Acker's English Remedy. I repeat that God's blessing must surely have been bestowed upon Dr. Acker." (Signed) Mrs. JOHN YEAGER, Rochester, Pa.
