Building and general improvement is the order of the day in and about Newberg now. C. H. Eggers has the contract for putting up a seven room cottage, with basement, for Abe Cook, across the big bridge west of town. He has already completed the brick foundation and the house is in process of construction.

Now that the season for big strawberry stories is over, Newberg horticulturists intend that their reputation shall be sustained in other directions. Joseph Hall brought in some goose berries Wednesday, the largest of which measured four and one quarter inches one way and three and three quarter the other. A few berries of this variety should be "put off at Buffalo."

About the first desire of Eastern people after arriving here is to hear old ocean's roar and see her breakers dash, and they cannot understand the indifference of the average "old timer" in this respect. A native daughter of this vicinity, aged about fifty years, was heard to remark indifferently the other day that she had never seen the Pacific Ocean. Some opportunities in life are simply too easy, for us to appreciate and take advantage of them.

On Thursday evening, July 18, in the friends church at Douglas, Alaska, the marriage of Frank E. Under the caption of "Hark From The Tombs", there appeared in Tuesday's Oregonian a hard headed and cleverly written article, signed by Newberg's former landlord Wm. Hendershott, in which he gives the good old party of his joys and disappointments some timely advice. In Billy's estimation the democracy has for the present lost its rudder as a result of indorsing too many "isms" and of taking too large doses of "sneezing gas," and says its only hope is to get back to its first principles, free trade, pure and simple, and sound money, and once more give its votaries a chance to vote a plain "democratic ticket."

On last Saturday, at his home in Chehalis Valley occurred the death of J. P. Johnson, pneumonia being the fatal disease. The funeral services were conducted Sunday afternoon, the sermon being preached by Rev. The funeral is said to have been one of the largest ever held in Chehalis Valley. The deceased was born in Denmark, 1850, coming to the United States in 1868 and settling in Oregon in the year 1874. Since 1891 he has been a member of the Baptist church. He leaves a family of a wife and five children, also a brother in Oregon and one in Texas.

Parrish, father and mother respectively of the fair brides, Miss Dora Parrish was married to Hugh Renne, and Miss Katie L. Spencer was married to Orrin C. Renne, Elder G. C. Carl officiating. There is evidence on every hand that Yamhill county is rapidly adjusting herself to a new and improved basis of agriculture. For instance, the Dayton Herald says, "Several silos have been put up in this vicinity this summer. T. P. Caughlin has built one, also Geo. H. Baxter and Nelson Flint. L. Wambagans, who was the first to go into this business, having built one over a year ago, is making a success of it and would not be without one. Corn and clover can be utilized to good advantage in food product for cattle, by the use of a silo. There will be others built in this vicinity in the near future."

White Man Turned Yellow.
Great consternation was felt by the friends of M. A. Hogarty of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes and he suffered terribly. His malady was yellow jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful stomach and liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all stomach, liver and kidney troubles. Only 50c. Sold by C. F. Moore & Co., druggists. Free trial bottles.

Cure for Cholera Infantum—Never Known to Fail.
During last May an infant child of our neighbor was suffering from cholera infantum. The doctors had given up all hopes of recovery. I took a bottle of Chamberlain's Colic Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days time the child had fully recovered. The child is now vigorous and healthy. I have recommended this remedy frequently and have never known it to fail.—Mrs. Curtis Baker, Bookwalter, Ohio. For sale by C. F. Moore & Co., druggist.

For Nearly Two Years
Unable to Lay in Bed

"In my capacity as druggist, in Buffalo, N. Y. I have the best opportunity to judge of the merits of many different remedies. I am in close touch with the sick, who come into my store for medicines, and most of them tell me how they are getting along. Of all the hundreds of preparations which I sell, not a single one begins to give as much satisfaction as Acker's English Remedy for Coughs, Colds, Bronchitis, Asthma, Pleurisy and Consumption. I sell it on a distinct guarantee that it will cure, or the purchaser's money will be returned. This is a perfectly safe guarantee, because the remedy does cure. Nobody wants his money returned. Its cures are nothing short of marvelous. Take the case of Mr. A. H. Gilbert, for instance. He lives at No. 5 Carey street, Buffalo, N. Y. For more than three years he had a bad case of asthma, and had been unable to lie down in bed for nearly two years. He came to my store and asked me what to do. I said: 'Take Acker's English Remedy.' He said he had tried other remedies and didn't think this would help him. But he thinks differently now. Three bottles fixed his asthma all right. He could sleep and eat after taking them, as well as when a boy. He was cured several months ago, and is well yet, so I am certain his trouble is gone for good. You can write to Mr. Gilbert himself, if you doubt my word. He will go further than me in praising Acker's English Remedy." (Signed) S. B. THORNS, druggist, Buffalo, N. Y.

Sold at 25c, 50c and \$1 a bottle, throughout the United States and Canada, and in England, at 1s. 2d., 2s. 3d., 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.
