Marion George brought to the Graphic office one day this week a sample of building stone taken from his place near Middleton. The rock is of a dark bluish color, with an average thickness of about four inches, and can easily be taken out with iron bars in slabs from six to eight feet square. Marion is of the opinion that the rock is of sufficient quantity for all kinds of building purposes, and declares his intention of quarrying some of it this fall for a trial.

The following, taken from the Carthage, Indiana, Record, concerning a former eccentric but popular Newberg boy, will be of interest to many: Fred Scott arrived here Friday from Buffalo on his wheel, a distance of over 400 miles little the worse for the wear. Since leaving Carthage Fred has worked at his trade as machinist in Chicago, Joliet, Toronto and Buffalo. He prospects going to Louisville, Ky. in a few days to join his brother Arlie in a partnership in the machine business.

Word was received here the first of the week telling of the death from typhoid fever of Edgar H. Ballard, at his home in Richmond, Indiana, August 15. The deceased spent two or three years in this vicinity in the early '90's, part of the time as a school teacher and part of the time as a student of Pacific College. He was an exemplary young man, popular in society, and the news of his death comes with an added shock to his friends who remember him as a magnificent type of physical manhood. The deceased leaves a wife and two small children.

On Monday morning Hon. J. L. Ferguson of LaFayette, who lived alone at his home near the depot, was found unconscious in his bed, having suffered a stroke of paralysis during the night. Medical aid was quickly summoned, and everything possible done for the stricken man, but he died on Tuesday morning without having regained consciousness. Funeral services were held in the Methodist church Wednesday afternoon at 2 o'clock, and were conducted by the local order of Masons of which he was a member. Mr. Ferguson was about 72 years old, was an old pioneer, and as a staunch democrat had been prominent in Yamhill political circles.

The Yamhill Coal and Oil Company wishes to announce to the people of Yamhill County that they have some 25,000 acres of selected lands under bond and contract for the development of Coal and Oil. Selections of land well based on expert and geological judgement as to requisite conditions for the presence of Coal and Oil deposits. This Company is organized for the purpose of developing in a practical manner the fact, as to the existence or not, of oil and coal in paying quantities. Evidence of favorable results are too strong, too valuable, for the people of Yamhill County to stand back and withhold their support. The Personnel of the organization insures progressive work and good management. Every dollar received goes direct to development work. The first stock offered for sale is placed on the market at 50 cents per share, par value \$1.00, full paid and non assessable. Stock may be purchased on application by mail or in person at the Bank of Newberg, or at the office of the Secretary.

For Nearly Two Years Unable to Lay in Bed
"In my capacity as druggist, in Buffalo, N. Y., I have the best opportunity to judge of the merits of many different remedies. I am in close touch with the sick, who come into my store for medicines, and most of them tell me how they are getting along. Of all the hundreds of preparations which I sell, not a single one begins to give as much satisfaction as Acker's English Remedy for Coughs, Colds, Bronchitis, Asthma, Pleurisy and Consumption. I sell it on a distinct guarantee that it will cure, or the purchaser's money will be returned. This is a perfectly safe guarantee, because the remedy does cure. Nobody wants his money returned. Its cures are nothing short of marvelous. Take the case of Mr. A. H. Gilbert, for instance. He lives at No. 5 Carey street, Buffalo, N. Y. For more than three years he had a bad case of asthma, and had been unable to lie down in bed for nearly two years. He came to my store and asked me what to do. I said: 'Take Acker's English Remedy.' He said he had tried other remedies and didn't think this would help him. But he thinks differently now. Three bottles fixed his asthma all right. He could sleep and eat after taking them, as well as when a boy. He was cured several months ago, and is well yet, so I am certain his trouble is gone for good. You can write to Mr. Gilbert himself, if you doubt my word. He will go further than in praising Acker's English Remedy." (Signed) S. B. Thomas, druggist, Buffalo, N. Y.
Sold at 25c, 50c, and \$1 a bottle, throughout the United States and Canada; and in England, at 1s, 2s, 3s, 4s, 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.
We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York.
