Tuesday's Elections.

All the states in the Union held general elections Tuesday with the exceptions of Oregon, Maine and Vermont, and the results are highly gratifying to the republicans.

H. M. Hoskins Writes the Graphic of his Trip East.

First impressions are always the most striking, and are apt to be the most lasting. Familiarity with a beautiful scene renders it common and uninteresting.

In company with Walter Hadley, I left Portland a little before midnight, September 7 and reached Tacoma a little after daylight.

I like Haverford College very much. The location is ideal. The grounds are rolling and beautifully laid off with walks, drives and a great many fine shade trees.

I have heard it claimed that the boarding expense for each student amounts to about \$7 per week. It is certainly good enough for anybody.

great a variety of products as the Willamette Valley. Some places may excel in one or two products, but I have not seen any that can equal us in so many.

We spent a week visiting in Indiana. Indianapolis is a very beautiful city. It does not have as large and imposing buildings as many other cities, but its streets are wide and well kept, and when seen from a distance, it looks like a city of shade trees.

We passed through western Pennsylvania after dark, and the glowing furnaces could be seen in all directions. At times the entire heaven would be lighted up with a dull red glow from the furnaces.

Hallowe'en Parties.

Miss Carrie Turner gave a delightfully "witchy" Hallowe'en party at her home last Friday evening. The young ladies were present early to serve as hostesses.

Miss Nora Parker very enjoyably entertained about twenty-eight of her friends on the date of Hallowe'en. The young gentlemen on arriving found objects attired in sheets from whence came shrieks and moans.

A more delightful time one could not imagine than when a band of girls take it upon themselves to have a good time. The Misses Ella Mills, Mable Bush, Myrtle Newby, Beatrice Bates, Clara Heater, Minnie Kincaid, Margaret and Agnes Hammer were invited by the Misses Bertha and Lois Carey to spend the evening Friday, October 31.

Miss Beulah Spaulding on Hallowe'en entertained twelve of her girl friends named as follows: Blanche McNay, Edie Pressall, Lelia and Hazel Littlefield, Anna and Lena Bashaw, Laura McCleery, Elsie Tallman, Minerva Bronillette, Nadine Bryan, Mabel Cooper and Ella Nelson.

Orville Johnson has been elected as business manager of the Crescent. If he can successfully finance the college paper his reputation is established.

Prsa. McGraw is with us again, having returned from his trip to Indianapolis. Everyone is glad to see him back—especially the teachers who have had extra work during his absence.

Judging from the number of parties etc., almost all the students must have spent an enjoyable Hallowe'en.

O. K. Edwards, '06, gave a very interesting and instructive chapel talk Monday morning on the Pennsylvania Coal Strike.

Miss Elsie Kincaid stopped school last week and with her mother left Saturday morning for Iowa where they will make their home with relatives.

Curtis Parker and Earl Hardwick enrolled as students on Monday.

The Crescent Literary Society has started out with flying colors, about twenty new names having been added to the roll.

For some unknown reason the college bell did not ring on Monday and Tuesday mornings.

James Vestal led chapel exercises Wednesday morning.

The Oregon Irrigation Association convention of over 400 delegates will assemble in Portland Tuesday and Wednesday, November 18 and 19; also the Oregon Bar Association meets there on the same days, on which occasions the railroads have made reduced rates, tickets good for six days on all lines from points in Oregon to Portland.

Don't become discouraged. There is a cure for you. It is necessary to give Dr. Fenner's Kidney and Backache Cure a trial. It is a life time cure just such cases as yours. All consultations free.

A gravel lodged in my bladder. A few show Portland's enterprises, hospitality and desire to become better acquainted with the people of the whole state and they with it. It is expected several thousand people from all over Oregon will take advantage of the cheap excursion rates announced by the O. R. & N., Southern

Pacific and Northern Pacific to visit Portland irrigation week, and it is the intention of the business men of Portland to give these a royal welcome and free entertainment regardless of whether they come as regularly appointed delegates or simply as visitors.
